The operator may not carry any other person and another person may not ride on a motorcycle or quadricycle unless the motorcycle or quadricycle is designed to carry more than one person, in which event a passenger may ride upon the permanent and regular seat if designed for two persons or upon another seat firmly attached to the rear or side of the operator.

(2) A passenger may not be carried in a position that will interfere with the operation of the motorcycle or quadricycle or the view of the operator.

~~(8)~~(9) Every person riding a motorcycle or quadricycle upon a roadway is granted all of the rights and is subject to all of the duties applicable to the driver of a motor vehicle except for those provisions which, by their nature, can have no application.

(10) A peace officer may require a person who is violating subsection (6) to stop the motorcycle even if the person is not committing any other traffic violation and even if the motorcycle is safe and equipped as required by law.
