20 any unsafe or unsound practice specified in the notice of charges served ~~upon~~on the institution pursuant to 32-

23 depositors, the ~~director~~department may issue a temporary order requiring the institution to cease and desist  
24 from the violation or practice. The order must contain a statement of the facts constituting the alleged violation  
25 or unsafe or unsound practice. The order is effective ~~upon~~on service of the order ~~upon~~on the institution and  
26 unless set aside, limited, or suspended by a court in proceedings authorized by subsection (2) remains effective

1 issued against the institution after the hearing becomes effective.

2 (2) Within 14 days after the institution has been served with a temporary cease and desist order,  
3 the institution may apply to the district court for the county in which the home office of the institution is located  
4 for an injunction setting aside, limiting, or suspending the enforcement, operation, or effectiveness of the order  
5 pending the completion of the administrative proceedings held pursuant to the notice of charges served upon

26 and whenever the ~~director~~department has reasonable cause to believe that any other person participating in  
27 the conduct of the affairs of an institution has, by conduct or practice with respect to the institution, another  
28 institution, or other business organization that has resulted in substantial financial loss or other damage to the

13 issuance of an order of removal or prohibition. In the event of consent or if ~~upon~~on the record made at the  
14 hearing the ~~director~~department finds that any of the grounds specified in the notice have been established by  
15 the preponderance of the evidence, the ~~director~~department may issue orders of suspension, removal from  
16 office, or prohibition from participation in the conduct of the affairs of the institution as the ~~director~~department  
17 considers appropriate. The order becomes effective 30 days after service ~~upon~~on the institution and the board  
18 member, officer, or other person concerned, except in the case of an order issued ~~upon~~on consent, which  
19 becomes effective at the time specified in the order. The order remains effective and enforceable until it is

10 fix a time, not later than 14 days from the date of the service of the notice, at which a hearing will be held to  
11 afford the board member, officer, or other person the opportunity to respond. The suspension or prohibition is  
12 effective ~~upon~~on service of the notice and unless stayed by a court in proceedings authorized by subsection

6 (2) A report of the examination must be forwarded to the executive officer of each credit union  
7 promptly after completion. The report must contain comments relative to the management of the affairs of the  
8 credit union and also as to the general condition of its assets. Within 60 days after the receipt of the report, the  
9 directors and committee members shall meet to consider matters contained in the report.

10 (3) In lieu of making an examination of a credit union, the department may accept an audit report

25 **"32-3-205. Cease and desist orders -- suspension -- involuntary liquidation.** (1) The department  
26 of administration may issue cease and desist orders after having determined, from competent and substantial  
27 evidence, that a credit union:

28 (a) is engaged or is about to engage in an unsafe or unsound practice; or

1 (b) is violating or has violated a material provision of any law, rule, or condition imposed in writing  
2 by the department or any written agreement made with the department.

3 (2) (a) The department may suspend from office and prohibit from further participation in any  
4 manner in the conduct of the affairs of a credit union any director, officer, or committee member who has  
5 committed any violation of a law, rule, or cease and desist order, who has engaged in or participated in any  
6 unsafe or unsound practice in connection with the credit union, or who has committed or engaged in any act,

20 chapter or is operating in an unsafe or unsound manner, the department may issue an order temporarily  
21 suspending the credit union's operations for not less than 30 or more than 60 days. The board of directors must  
22 be given notice by certified mail of the suspension. The notice must include a list of the reasons for the  
23 suspension and a list of the specific violations of this chapter.

24 (b) ~~Upon~~On receipt of a suspension notice, the credit union shall cease all operations, except  
25 those authorized by the department, or the department may appoint a conservator to operate the credit union  
26 during the period of suspension. The board of directors shall file with the department a reply to the suspension  
27 notice and present a plan of proposed corrective actions if it desires to continue operations. The board may  
28 request that the credit union be declared insolvent and a liquidating agent be appointed.

1 (c) ~~Upon-On~~ receipt from the suspended credit union of evidence that the conditions causing the  
2 order of suspension have been corrected or ~~upon-on~~ acceptance of a plan of proposed corrective actions, the

6 (4) If, within the suspension period, the credit union fails to answer the suspension notice or  
7 request a hearing or if after a hearing, the department continues to reject the credit union's plan to continue  
8 operations, the department may:

9 (a) permit the credit union to operate under a conservator until conditions requiring suspension are  
10 remedied;

11 (b) involuntarily merge the credit union in accordance with the provisions of 32-3-212; or

14 suspension procedures outlined in this section. A credit union may petition the appropriate court to stay the  
15 department's suspension, involuntary merger, or involuntary liquidation order.

16 (6) In the event of liquidation of a credit union, the assets of the credit union or the proceeds from

3 not limited to the power to do any act and to own, possess, and carry as assets property including stocks,  
4 bonds, or other debentures that, at the time the authority is granted, are authorized under federal laws and  
5 regulations for transactions by federal credit unions and are not subject to any restrictions contained elsewhere  
6 in Montana law. However, the department may not charter a credit union not having a common bond of  
7 membership as defined in 32-3-304. The department shall approve an activity if it finds that the activity fosters  
8 competitive equality between state and federal credit unions and prevents adverse effects on members of state-  
9 chartered credit unions. If the department disapproves an activity, the credit union must be given an opportunity  
10 for a hearing pursuant to Title 2, chapter 4, part 6, to determine whether a compelling reason exists for denying  
11 approval of the activity for which the credit union applied."

12

(1) "Customer", in relation to a financial institution, means a holder of a demand or time account or a membership share in the institution or a person who is a borrower or a mortgagor; in relation to a merchant, it means a purchaser of goods or services.

(b) The term does not include payments made by check, draft, or similar paper instrument at an electronic terminal.

(4) "Electronic terminal" means an electronic device, other than a telephone operated by a consumer, through which a consumer may initiate an electronic funds transfer. The term includes but is not limited to point-of-sale terminals, automated teller machines, and cash dispensing machines.
