## A BILL

To amend the Elementary and Secondary Education Act  
of 1965 to address and take action to prevent bullying  
and harassment of students.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Safe Schools Improve-  
5 ment Act of 2018”.

1 **SEC. 2. FINDINGS.**

2 Congress finds the following:

3 (1) Bullying and harassment foster a climate of  
4 fear and disrespect that can seriously impair the  
5 physical and psychological health of its victims and  
6 create conditions that negatively affect learning,  
7 thereby undermining the ability of students to  
8 achieve their full potential.

9 (2) Bullying and harassment contribute to high  
10 dropout rates, increased absenteeism, and academic  
11 underachievement.

12 (3) Bullying and harassment include a range of  
13 behaviors that negatively impact a student's ability  
14 to learn and participate in educational opportunities  
15 and activities that schools offer. Such behaviors can  
16 include hitting or punching, name-calling, intimidat-  
17 ion through gestures or social exclusion, and send-  
18 ing insulting or offensive messages through elec-  
19 tronic communications, such as internet sites, e-  
20 mail, instant messaging, mobile phones and mes-  
21 saging, telephone, or any other means.

22 (4) Schools with enumerated anti-bullying and  
23 harassment policies have an increased level of re-  
24 porting and teacher intervention in incidents of bul-  
25 lying and harassment, thereby reducing the overall  
26 frequency and number of such incidents.

1           (5) Students have been particularly singled out  
2           for bullying and harassment on the basis of their ac-  
3           tual or perceived race, color, national origin, sex,  
4           disability status, sexual orientation, gender identity,  
5           or religion, among other categories.

6           (6) Some young people experience a form of  
7           bullying called relational aggression or psychological  
8           bullying, which harms individuals by damaging,  
9           threatening, or manipulating their relationships with  
10          their peers, or by injuring their feelings of social ac-  
11          ceptance.

12          (7) Interventions to address bullying and har-  
13          assment conduct to create a positive and safe school  
14          climate, combined with evidence-based discipline  
15          policies and practices, such as Positive Behavior  
16          Interventions and Supports (PBIS) and restorative  
17          practices, can minimize suspensions, expulsions, and  
18          other exclusionary discipline policies to ensure that  
19          students are not “pushed-out” or diverted to the ju-  
20          venile justice system.

21          (8) According to one poll, 85 percent of Ameri-  
22          cans strongly support or somewhat support a Fed-  
23          eral law to require schools to enforce specific rules  
24          to prevent bullying.

1           (9) Students, parents, educators, and policy-  
 2           makers have come together to call for leadership and  
 3           action to address the national crisis of bullying and  
 4           harassment.

5   **SEC. 3. SAFE SCHOOLS IMPROVEMENT.**

6           (a) IN GENERAL.—Title IV of the Elementary and
