25 (2019 Replacement Volume and 2019 Supplement)

26 Preamble

27 WHEREAS, 10% of all births in Prince George's County were to women receiving
28 late to no prenatal care, 25% of all women in Maryland receiving late or no prenatal care

EXPLANATION: CAPITALS INDICATE MATTER ADDED TO EXISTING LAW.

[Brackets] indicate matter deleted from existing law.

are residents of Prince George's County, and only 55% of births in Prince George's County are to women receiving first trimester prenatal care; and

WHEREAS, Research clearly shows that the earliest months of life are foundational for later social, emotional, and brain development; the physical and mental health of parents plays a critical role in this development; and when families and newborn infants have unmet needs, this often results in poor outcomes for children; and

WHEREAS, Family Connects International is an evidence-based home visiting model developed by Duke University combining engagement and alignment of community services providers with short-term home visiting by registered nurses, beginning in the first month after birth; and

WHEREAS, The goal of Family Connects International is to support families and infants in the critical first months following birth with services that reflect their needs and preferences and that advance the well-being of all; and

WHEREAS, Providing parents with information and support during the transition to parenthood and early childhood is an effective strategy for achieving greater health and well-being; and

WHEREAS, The Prince George's County Department of Family Services is committed to improving healthy child and family development through intensive prenatal support, mentoring, and in-home visits for women living in Prince George's County; therefore, the Department is willing to administer and monitor the Family Connects Home Visiting Pilot Program; now, therefore,

SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND,
That the Laws of Maryland read as follows:
