53 *Be it enacted by the Legislature of the state of Utah:*

54 Section 1. Section **53B-2a-104** is amended to read:

55 **53B-2a-104. Utah College of Applied Technology Board of Trustees -- Powers**
56 **and duties.**

(1) The Utah College of Applied Technology Board of Trustees is vested with the control, management, and supervision of applied technology colleges within the Utah College of Applied Technology in a manner consistent with the policy and purpose of this title and the specific powers and responsibilities granted to the board of trustees.

(2) The board of trustees shall:

(a) ensure that an applied technology college complies with the requirements in Section 53B-2a-106;

(b) appoint the commissioner of technical education in accordance with Section 53B-2a-102;

(c) advise the commissioner of technical education and the State Board of Regents on issues related to career and technical education, including articulation with institutions of higher education and public education;

(d) ensure that a secondary student in the public education system has access to career and technical education through an applied technology college in the secondary student's service region;

(e) in consultation with the State Board of Education, the State Board of Regents, and applied technology college presidents, develop strategies for providing career and technical education in rural areas, considering distances between rural career and technical education providers;

(f) receive budget requests from each applied technology college, compile and prioritize the requests, and submit the request to:

(i) the Legislature; and

(ii) the Governor's Office of Management and Budget;

(g) receive funding requests pertaining to capital facilities and land purchases from each applied technology college, ensure that the requests comply with Section 53B-2a-112, prioritize the requests, and submit the prioritized requests to the State Building Board;

(h) comply with Chapter 7, Part 7, Performance Funding;

~~[(h)]~~ (i) in conjunction with the commissioner of technical education, establish benchmarks, provide oversight, evaluate program performance, and obtain independent audits to ensure that an applied technology college follows the non-credit career and technical education mission described in this part;

88 ~~[(j)]~~ (i) approve programs for the Utah College of Applied Technology;
89 ~~[(j)]~~ (k) approve the tuition rates for applied technology colleges within the Utah
90 College of Applied Technology;

91 ~~[(k)]~~ (l) prepare and submit an annual report detailing the board of trustees' progress
92 and recommendations on career and technical education issues to the governor and to the
93 Legislature's Education Interim Committee by October 31 of each year, which shall include
94 information detailing:

95 (i) how the career and technical education needs of secondary students are being met,
96 including what access secondary students have to programs offered at applied technology
97 colleges;

98 (ii) how the emphasis on high demand, high wage, and high skill jobs in business and
99 industry described in Section [53B-2a-106](#) is being provided;

100 (iii) performance outcomes, including:

101 ~~[(A) entered employment;]~~

102 ~~[(B) job retention; and]~~

103 (A) performance on the metrics described in Section [53B-7-707](#); and

104 ~~[(C)]~~ (B) earnings; and

105 (iv) student tuition and fees; and

106 ~~[(j)]~~ (m) collaborate with the State Board of Regents, the State Board of Education, the
107 state system of public education, the state system of higher education, the Department of
108 Workforce Services, and the Governor's Office of Economic Development on the delivery of
109 career and technical education.

110 (3) The board of trustees, the commissioner of technical education, or an applied
111 technology college, president, or board of directors may not conduct a feasibility study or
112 perform another act relating to offering a degree or awarding credit.

113 Section 2. Section **53B-7-101** is amended to read:

114 **53B-7-101. Combined requests for appropriations -- Board review of operating**
115 **budgets -- Submission of budgets -- Recommendations -- Hearing request --**
116 **Appropriation formulas -- Allocations -- Dedicated credits -- Financial affairs.**

117 (1) As used in this section:

118 (a) (i) "Higher education institution" or "institution" means an institution of higher

education listed in Section 53B-1-102.

(ii) "Higher education institution" or "institution" does not include the Utah College of Applied Technology.

(b) "Research university" means the University of Utah or Utah State University.

(2) (a) The board shall recommend a combined appropriation for the operating budgets of higher education institutions for inclusion in a state appropriations act.

(b) The board's combined budget recommendation shall include:

(i) employee compensation;

(ii) mandatory costs, including building operations and maintenance, fuel, and power;

~~[(iii) mission based funding described in Subsection (3);]~~

~~[(iv)]~~ (iii) performance funding described in ~~[Subsection (4)]~~ Part 7, Performance Funding;

~~[(v)]~~ (iv) statewide and institutional priorities, including scholarships, financial aid, and technology infrastructure; and

~~[(vi) unfunded historic growth.]~~

(v) enrollment growth.

(c) The board's recommendations shall be available for presentation to the governor and to the Legislature at least 30 days prior to the convening of the Legislature, and shall include schedules showing the recommended amounts for each institution, including separately funded programs or divisions.

(d) The recommended appropriations shall be determined by the board only after it has reviewed the proposed institutional operating budgets, and has consulted with the various institutions and board staff in order to make appropriate adjustments.

~~[(3) (a) The board shall establish mission based funding.]~~

~~[(b) Mission based funding shall include:]~~

~~[(i) enrollment growth; and]~~

~~[(ii) up to three strategic priorities.]~~

~~[(c) The strategic priorities described in Subsection (3)(b)(ii) shall be:]~~

~~[(i) approved by the board; and]~~

~~[(ii) designed to improve the availability, effectiveness, or quality of higher education in the state.]~~

150 ~~[(d) Concurrent with recommending mission based funding, the board shall also~~
151 ~~recommend to the Legislature ways to address funding any inequities for institutions as~~
152 ~~compared to institutions with similar missions.]~~

153 ~~[(4) (a) The board shall establish performance funding.]~~

154 ~~[(b) Performance funding shall include metrics approved by the board, including:]~~

155 ~~[(i) degrees and certificates granted;]~~

156 ~~[(ii) services provided to traditionally underserved populations;]~~

157 ~~[(iii) responsiveness to workforce needs;]~~

158 ~~[(iv) institutional efficiency; and]~~

159 ~~[(v) for a research university, graduate research metrics.]~~

160 ~~[(c) The board shall:]~~

161 ~~[(i) award performance funding appropriated by the Legislature to institutions based on~~
162 ~~the institution's success in meeting the metrics described in Subsection (4)(b); and]~~

163 ~~[(ii) reallocate funding that is not awarded to an institution under Subsection (4)(c)(i)~~
164 ~~for distribution to other institutions that meet the metrics described in Subsection (4)(b).]~~

165 ~~[(5)]~~ (3) (a) Institutional operating budgets shall be submitted to the board at least 90
166 days prior to the convening of the Legislature in accordance with procedures established by the
167 board.

168 (b) Funding requests pertaining to capital facilities and land purchases shall be
169 submitted in accordance with procedures prescribed by the State Building Board.

170 ~~[(6)]~~ (4) (a) The budget recommendations of the board shall be accompanied by full
171 explanations and supporting data.

172 (b) The appropriations recommended by the board shall be made with the dual
173 objective of:

174 (i) justifying for higher educational institutions appropriations consistent with their
175 needs, and consistent with the financial ability of the state; and

176 (ii) determining an equitable distribution of funds among the respective institutions in
177 accordance with the aims and objectives of the statewide master plan for higher education.

178 ~~[(7)]~~ (5) (a) The board shall request a hearing with the governor on the recommended
179 appropriations.

180 (b) After the governor delivers his budget message to the Legislature, the board shall

request hearings on the recommended appropriations with the appropriate committees of the Legislature.

(c) If either the total amount of the state appropriations or its allocation among the institutions as proposed by the Legislature or its committees is substantially different from the recommendations of the board, the board may request further hearings with the Legislature or its appropriate committees to reconsider both the total amount and the allocation.

~~[(8)]~~ (6) The board may devise, establish, periodically review, and revise formulas for its use and for the use of the governor and the committees of the Legislature in making appropriation recommendations.

~~[(9)]~~ (7) (a) The board shall recommend to each session of the Legislature the minimum tuitions, resident and nonresident, for each institution which it considers necessary to implement the budget recommendations.

(b) The board may fix the tuition, fees, and charges for each institution at levels it finds necessary to meet budget requirements.

~~[(10)-(a)]~~ (8) Money allocated to each institution by legislative appropriation may be budgeted in accordance with institutional work programs approved by the board, provided that the expenditures funded by appropriations for each institution are kept within the appropriations for the applicable period.

~~[(b) A president of an institution shall:]~~

~~[(i) establish initiatives for the president's institution each year that are:]~~

~~[(A) aligned with the strategic priorities described in Subsection (3); and]~~

~~[(B) consistent with the institution's mission and role; and]~~

~~[(ii) allocate the institution's mission based funding to the initiatives:]~~

~~[(11)]~~ (9) The dedicated credits, including revenues derived from tuitions, fees, federal grants, and proceeds from sales received by the institutions are appropriated to the respective institutions and used in accordance with institutional work programs.

~~[(12)]~~ (10) Each institution may do its own purchasing, issue its own payrolls, and handle its own financial affairs under the general supervision of the board.

~~[(13)-(a)]~~ (11) If the Legislature appropriates money in accordance with this section, it shall be distributed to the board and higher education institutions to fund the items described in Subsection (2)(b).

~~[(b) During each general session of the Legislature following a fiscal year in which the Legislature provides an appropriation for mission based funding or performance funding, the board and institutions shall report to the Legislature's Higher Education Appropriations Subcommittee on the use of the previous year's mission based funding and performance funding, including performance outcomes relating to the strategic initiatives approved by the board.]~~

Section 3. Section **53B-7-701** is enacted to read:

Part 7. Performance Funding

53B-7-701. Title.

This part is known as "Performance Funding."

Section 4. Section **53B-7-702** is enacted to read:

53B-7-702. Definitions.

As used in this part:

(1) "Account" means the Performance Funding Restricted Account created in Section [53B-7-703](#).

(2) "Applied technology college" means the same as that term is defined in Section [53B-2a-101](#).

(3) "Applied technology college graduate" means an individual who:

(a) has earned a certificate from an accredited program at an applied technology college; and

(b) is no longer enrolled in the applied technology college.

(4) "Estimated revenue growth from targeted jobs" means the estimated increase in individual income tax revenue generated by individuals employed in targeted jobs, determined by the Department of Workforce Services in accordance with Section [53B-7-704](#).

(5) "Full new performance funding amount" means the maximum amount of new performance funding that a higher education institution or applied technology college may qualify for in a fiscal year, determined by the Legislature in accordance with Section [53B-7-705](#).

(6) "Full time" means the number of credit hours the board determines is full time enrollment for a student.

(7) "GOED" means the Governor's Office of Economic Development created in

Section [63N-1-201](#).

(8) "Higher education institution" means the same as that term is defined in Section [53B-7-101](#).

(9) "Job" means an occupation determined by the Department of Workforce Services.

(10) "Membership hour" means 60 minutes of scheduled instruction provided by an applied technology college to a student enrolled in the applied technology college.

(11) "New performance funding" means the difference between the total amount of money in the account and the amount of new money appropriated from the account for performance funding in the current fiscal year.

(12) "Performance" means total performance across the metrics described in:

(a) Section [53B-7-706](#) for a higher education institution; or

(b) Section [53B-7-707](#) for an applied technology college.

(13) "Research university" means the University of Utah or Utah State University.

(14) "Targeted job" means a job designated by the Department of Workforce Services or GOED in accordance with Section [53B-7-704](#).

(15) "Utah College of Applied Technology" means the Utah College of Applied Technology described in Chapter 2a, Utah College of Applied Technology.

Section 5. Section **53B-7-703** is enacted to read:

53B-7-703. Performance Funding Restricted Account -- Creation -- Deposits into account -- Legislative review.

(1) There is created within the Education Fund a restricted account known as the "Performance Funding Restricted Account."

(2) Money in the account shall be:

(a) used for performance funding for:

(i) higher education institutions; and

(ii) applied technology colleges; and

(b) appropriated by the Legislature in accordance with Section [53B-7-705](#).

(3) (a) Money in the account shall earn interest.

(b) All interest earned on account money shall be deposited into the account.

(4) (a) Except as provided in Subsection (4)(b)(ii), upon appropriation by the Legislature, the Division of Finance shall deposit into the account an amount equal to 20% of

the estimated revenue growth from targeted jobs.

(b) (i) As used in this Subsection (4)(b), "total higher education appropriations" means, for the fiscal year in which a deposit described in Subsection (4)(a) is made, the total state funded appropriations to:

(A) the State Board of Regents;

(B) higher education institutions;

(C) the Utah College of Applied Technology; and

(D) applied technology colleges.

(ii) If the estimated revenue growth from targeted jobs exceeds 10% of total higher education appropriations, upon appropriation by the Legislature, the Division of Finance shall deposit into the account an amount equal to 10% of total higher education appropriations instead of the estimated revenue growth described in Subsection (4)(a).

(5) During the interim following a legislative general session in which an amount described in Subsection (4)(b) is deposited into the account, the Higher Education Appropriations Subcommittee shall review performance funding described in this part and make recommendations to the Legislature about:

(a) the performance levels required for higher education institutions and applied technology colleges to receive performance funding described in Section [53B-7-705](#);

(b) the performance metrics described in Sections [53B-7-706](#) and [53B-7-707](#); and

(c) the amount of individual income tax revenue dedicated to higher education performance funding.

Section 6. Section **53B-7-704** is enacted to read:

53B-7-704. Designation of targeted jobs -- Determination of estimated revenue growth from targeted jobs.

(1) As used in this section, "baseline amount" means the average annual wages for targeted jobs over calendar years 2014, 2015, and 2016, as determined by the Department of Workforce Services using the best available information.

(2) (a) The Department of Workforce Services shall designate, as a targeted job, a job that:

(i) has a base employment level of at least 100 individuals;

(ii) ranks in the top 20% of jobs for outlook based on:

(A) projected number of openings; and

(B) projected rate of growth;

(iii) ranks in the top 20% of jobs for median annual wage; and

(iv) requires postsecondary training.

(b) The Department of Workforce Services shall designate targeted jobs every other year.

(c) GOED may, after consulting with the Department of Workforce Services and industry representatives, designate a job that has significant industry importance as a targeted job.

(3) Based on the list of targeted jobs described in Subsection (2), the Department of Workforce Services shall annually determine the estimated revenue growth from targeted jobs by:

(a) determining the total estimated wages for targeted jobs for the year:

(i) based on the average of wages for targeted jobs, calculated using the most recently available wage data and data from the two years before the most recently available data; and

(ii) using the best available information;

(b) determining the change in estimated wages for targeted jobs by subtracting the baseline amount from the total wages for targeted jobs described in Subsection (3)(a); and

(c) multiplying the change in estimated wages for targeted jobs described in Subsection (3)(b) by 3.6%.

(4) Annually, at least 30 days before the first day of the legislative general session, the Department of Workforce Services shall report the estimated revenue growth from targeted jobs to:

(a) the Office of the Legislative Fiscal Analyst; and

(b) the Division of Finance.

Section 7. Section **53B-7-705** is enacted to read:

53B-7-705. Determination of full new performance funding amount -- Role of appropriations subcommittee -- Legislative review.

(1) In accordance with this section, and based on money deposited into the account, the Legislature shall, as part of the higher education appropriations budget process, annually determine the full new performance funding amount for each:

336 (a) higher education institution; and

337 (b) applied technology college.

338 (2) The Legislature shall annually allocate:

339 (a) 90% of the money in the account to higher education institutions; and

340 (b) 10% of the money in the account to applied technology colleges.

341 (3) (a) The Legislature shall determine a higher education institution's full new
342 performance funding amount based on the higher education institution's prior year share of:

343 (i) full time equivalent enrollment in all higher education institutions; and

344 (ii) the total state-funded appropriated budget for all higher education institutions.

345 (b) In determining a higher education institution's full new performance funding
346 amount, the Legislature shall give equal weight to the factors described in Subsections (3)(a)(i)
347 and (ii).

348 (4) (a) The Legislature shall determine an applied technology college's full new
349 performance funding amount based on the applied technology college's prior year share of:

350 (i) membership hours for all applied technology colleges; and

351 (ii) the total state-funded appropriated budget for all applied technology colleges.

352 (b) In determining an applied technology college's full new performance funding
353 amount, the Legislature shall give equal weight to the factors described in Subsections (4)(a)(i)
354 and (ii).

355 (5) Annually, at least 30 days before the first day of the legislative general session:

356 (a) the board shall submit a report to the Higher Education Appropriations
357 Subcommittee on each higher education institution's performance; and

358 (b) the Utah College of Applied Technology Board of Trustees shall submit a report to
359 the Higher Education Appropriations Subcommittee on each applied technology college's
360 performance.

361 (6) (a) In accordance with this Subsection (6), and based on the reports described in
362 Subsection (5), the Legislature shall determine for each higher education institution and each
363 applied technology college:

364 (i) the portion of the full new performance funding amount earned; and

365 (ii) the amount of new performance funding to recommend that the Legislature
366 appropriate, from the account, to the higher education institution or applied technology college.

(b) (i) A higher education institution earns the full new performance funding amount if the higher education institution has a positive change in performance of at least 1% compared to the higher education institution's average performance over the previous five years.

(ii) (A) Except as provided in Subsection (6)(b)(ii)(B), an applied technology college earns the full new performance funding amount if the applied technology college has a positive change in the applied technology college's performance of at least 5% over the applied technology college's average performance over the previous five years.

(B) An applied technology college's change in performance may be measured against the applied technology college's average performance over fewer than five years in accordance with Subsection [53B-7-707\(3\)\(b\)](#).

(c) A higher education institution or applied technology college that has a positive change in performance that is less than a change described in Subsection (6)(b) is eligible to receive a prorated amount of the full new performance funding amount.

(d) A higher education institution or applied technology college that has a negative change, or no change, in performance over a time period described in Subsection (6)(b) is not eligible to receive new performance funding.

(7) An appropriation described in this section is ongoing.

(8) Notwithstanding Section [53B-7-703](#) and Subsections (6) and (7), the Legislature may, by majority vote, appropriate or refrain from appropriating money for performance funding as circumstances require in a particular year.

Section 8. Section **53B-7-706** is enacted to read:

53B-7-706. Performance metrics for higher education institutions --

Determination of performance.

(1) The board shall establish a model for determining a higher education institution's performance.

(2) (a) The model described in Subsection (1) shall include metrics, including:

(i) completion, measured by degrees and certificates awarded;

(ii) services for underserved students, measured by:

(A) the number of students receiving federal need-based grant assistance; or

(B) a measurement determined by the board;

(iii) responsiveness to workforce needs, measured by degrees and certificates awarded

398 in high market demand fields;

399 (iv) institutional efficiency, measured by degrees and certificates awarded per full time
400 equivalent student; and

401 (v) for a research university, research, measured by total research expenditures.

402 (b) The board shall determine the relative weights of the metrics described in
403 Subsection (2)(a).

404 (3) For each higher education institution, the board shall annually determine the higher
405 education institution's:

406 (a) performance; and

407 (b) change in performance compared to the higher education institution's average
408 performance over the previous five years.

409 Section 9. Section **53B-7-707** is enacted to read:

410 **53B-7-707. Performance metrics for applied technology colleges -- Determination**
411 **of performance.**

412 (1) The Utah College of Applied Technology Board of Trustees shall establish a model
413 for determining an applied technology college's performance.

414 (2) (a) The model described in Subsection (1) shall include metrics, including:

415 (i) completions, measured by certificates awarded;

416 (ii) short-term occupational training, measured by completions of:

417 (A) short-term occupational training that takes less than 60 hours to complete; and

418 (B) short-term occupational training that takes at least 60 hours to complete;

419 (iii) secondary completions, measured by:

420 (A) completions of competencies sufficient to be recommended for high school credits;

421 (B) certificates awarded to secondary students; and

422 (C) retention of certificate-seeking high school graduates as certificate-seeking
423 postsecondary students;

424 (iv) placements, measured by:

425 (A) total placements in related employment, military service, or continuing education;

426 (B) placements for underserved students; and

427 (C) placements from high impact programs; and

428 (v) institutional efficiency, measured by the number of applied technology college

graduates per 900 membership hours.

(b) The Utah College of Applied Technology Board of Trustees shall determine the relative weights of the metrics described in Subsection (2)(a).

(3) (a) For each applied technology college, the Utah College of Applied Technology Board of Trustees shall annually determine the applied technology college's:

(i) performance; and

(ii) except as provided in Subsection (3)(b), change in performance compared to the applied technology college's average performance over the previous five years.

(b) For performance during a fiscal year before fiscal year 2020, if comparable performance data is not available for the previous five years, the Utah College of Applied Technology Board of Trustees may determine an applied technology college's change in performance using the average performance over the previous three or four years.

Section 10. Section **63I-2-253** is amended to read:
