(d) Within two business days of the individual's registration under this section, the county board of elections in conjunction with the State Board shall verify the North Carolina drivers license or social security number in accordance with G.S. 163-82.12, update the statewide registration database, search for possible duplicate registrations, and proceed under G.S. 163-82.7 to verify the applicant's address. The applicant's vote shall be counted unless the county board determines that the applicant is not qualified to vote in accordance with this Chapter. Notwithstanding any other provision of this Chapter, if the Postal Service returns the first notice required under G.S. 163-82.7(c) as undeliverable before the close of business on the business day before canvass, the county board shall not register the applicant and shall retrieve the applicant's ballot and remove that ballot's votes from the official count.

(f) Any person who will become qualified by age to register and vote in the general election for which a partisan or nonpartisan primary is held, even though not so qualified by the date of the primary, may register for the primary and general election prior to the primary and then vote in the primary and general election after being registered in accordance with the provisions of this section."

SECTION 1.2. G.S. 163-59 reads as rewritten:

"§ 163-59. Right to participate or vote in party primary.

Any person who will become qualified by age to register and vote in the general election for which the primary is held, even though not so qualified by the date of the primary, shall be entitled to register for the primary and general election prior to the primary and then to vote in the primary after being registered. Such person may register not earlier than 60 days nor later than the last day for making application to register under G.S. 163-82.6(d) prior to the primary. In addition, persons who will become qualified by age to register and vote in the general election for which the primary is held, who do not register during the special period may register to vote after such period as if they were qualified on the basis of age, but until they are qualified by age to vote, they may vote only in primary elections. The person also may register and vote in the primary and general election pursuant to G.S. 163-82.6B."

SECTION 1.3. G.S. 163-82.6(d) reads as rewritten:

- (2) If submitted in person, by facsimile transmission, or by transmission of a scanned document, must be received by the county board of elections by a time established by that board, but no earlier than 5:00 P.M., on the twenty-fifth day before the primary or election,

9 described in subsection (a) or subsection (b) of this section, depending upon whether the ballot

11 third business day after the election and the county board does not determine that the individual
12 is otherwise ineligible to vote a ballot, the failure of identification numbers to match shall not
13 prevent that individual from registering to vote and having that individual's vote counted. If the
14 individual registers and votes under G.S. 163-82.6B, the identification documents required in
15 that section, rather than those described in subsection (a) or (b) of this section, apply."
