  - (2) The United States Anti-Doping Agency contributes to the advancement of clean sport through scientific research, anti-doping education, and outreach programs, and the mission of the United States Anti-Doping Agency is to preserve the integrity of competition and protect the rights of athletes.
  - (3) Participation in youth sports has the potential to equip young athletes with important skills and values necessary for success in life, and it is essential that the culture of youth sports emphasizes such skills and values.

- 1 (4) The TrueSport program of the United 2 States Anti-Doping Agency partners with youth 3 sport organizations across the United States to pro-4 mote sportsmanship, character building, and healthy 5 performance through the use of targeted educational 6 materials designed to promote a positive youth sport 7 experience.
