Clerk

Presented by Representative CYRWAY of Albion.

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 32 MRSA §85, sub-§3, ¶C, as amended by PL 2011, c. 271, §8, is further amended to read:

C. The person must have successfully completed a state cognitive test for basic emergency medical treatment and a board-approved practical evaluation assessment of emergency medical treatment skills.

Sec. 2. 32 MRSA §85, sub-§4, ¶B, as amended by PL 2011, c. 271, §9, is further amended to read:

B. The person must have satisfactorily demonstrated competence in the skills required for the license level. Skill competence may be satisfied by a combination of run report reviews and continuing education training programs conducted in accordance with the rules or by satisfactorily completing the state cognitive test and a board-approved practical evaluation assessment of emergency medical treatment skills.

SUMMARY

This bill amends the law governing the minimum requirements for licensing and relicensing emergency medical persons by removing the requirement that a person must have successfully completed the practical evaluation of emergency medical treatment skills approved by the Emergency Medical Services' Board and replacing it with a requirement that a person must have successfully completed an assessment of emergency medical treatment skills approved by the Emergency Medical Services' Board.
