14			upon for the determination that the child qualifies as a high acuity
15			youth;
16			2. A recommendation of the appropriate location for any recommended
17			treatment services for the high acuity youth and the basis for the
18			recommendation, based upon the child's needs and the capabilities of

1		determined in the best interest of the child that the child should
2		receive psychiatric services other than inpatient treatment services.
3	<u>(4)</u>	(a) If the representative of the department and the representative of the
4		Department of Juvenile Justice agree with the recommendations of the

6		plan shall be submitted to the court on a form provided by the
7		Administrative Office of the Courts within twenty-four (24) hours of the
8		delivery of the initial affidavit under subsection (3) of this section.

19		court shall enter an order regarding the course of treatment or may schedule a
20		hearing to determine a treatment plan for the high acuity youth.
21	<u>(6)</u>	Notwithstanding any other law to the contrary, the court shall not order a high

24		and the Department of Juvenile Justice unless the court determines by clear and
25		convincing evidence that the inpatient psychiatric hospital or pediatric teaching
26		hospital has the resources and capabilities to treat the high acuity youth in a
27		manner that does not pose a danger to the high acuity youth or the hospital's

1	patients and staff. Nothing in this subsection shall be construed to require an
2	inpatient psychiatric hospital or pediatric teaching hospital to admit a child if
3	doing so would be in violation of federal law.
4	(7) (a) If the treatment plan approved or ordered by the court involves the
5	admission of a high acuity youth to an inpatient psychiatric hospital or
6	pediatric teaching hospital, then the provision of inpatient services by the
7	inpatient psychiatric hospital or pediatric teaching hospital shall be
8	reimbursed by the Department of Medicaid Services at no less than two

13	notwithstanding.
14	(b) For any admission under this subsection, the inpatient psychiatric hospital

21	pediatric teaching hospital, the department, and the Department of Juvenile
22	Justice shall be resolved in the manner provided in subsections (3), (4), and
23	(5) of this section, and any party may request court review at any time
24	during the period of treatment.
25	(8) If a high acuity youth is admitted to an inpatient psychiatric hospital or pediatric
26	teaching hospital for treatment pursuant to a court order issued under this
27	section, and the high acuity youth commits an act of violence or incites violence

1	against any of the hospital's patients, staff, or visitors, the inpatient psychiatric
2	hospital or pediatric teaching hospital may file an affidavit with the department
3	or other designated representative of the cabinet, or the Department of Juvenile
4	Justice, as applicable, and with the court, and the youth shall be:
5	(a) Charged criminally;
6	(b) Discharged from the hospital; and
7	(c) Immediately returned to the youth's last place of custody or residence unless
8	another location is ordered by the court.
9	(9) If the treatment plan approved or ordered by the court involves the provision of
10	outpatient psychiatric services to the high acuity youth at the location of a
11	detention facility, then the department or the Department of Juvenile Justice may
12	contract with an inpatient psychiatric hospital or pediatric teaching hospital to
13	provide the outpatient psychiatric services. The inpatient psychiatric hospital or
14	pediatric teaching hospital shall be reimbursed by the Department for Medicaid
15	Services for such outpatient psychiatric services at no less than one hundred fifty
16	percent (150%) of the then current inpatient psychiatric hospital's or pediatric

18	performed in an inpatient setting, the provisions of KRS 202A.271
19	notwithstanding.
20	(10) Each inpatient psychiatric hospital or pediatric teaching hospital that accepts any
21	high acuity youth under this section, the cabinet, the department, the Department
22	of Juvenile Justice, and the Court of Justice shall adopt and provide a protocol
23	for twenty-four (24) hour access to comply with the requirements of this section.
24	(11) When a high acuity youth has received residential treatment and the treatment
25	has improved the youth's condition to a status that the need for continued
26	treatment at that facility is no longer medically indicated as determined by the
27	treating physician:

I	(a) If the youth has a need for the continuum of care on an inpatient basis in
2	an inpatient psychiatric hospital, pediatric teaching hospital, or other
3	inpatient facility equipped to treat a high acuity youth, the Department for
4	Juvenile Justice, the department, and a representative of the inpatient
5	psychiatric hospital, pediatric teaching hospital, or other inpatient facility to

7	subsections (3), (4), and (5) of this section;

10	proceed in accordance with subsections (3), (4), and (5) of this section; and
11	(c) As part of the continuum of care, the same representatives from the
12	department and the Department of Juvenile Justice who have evaluated and
13	provided treatment and recommendations for the youth shall, to the extent
14	possible, continue to review the medical treatment of the youth to provide
15	stability of care with the goal of improving the life and health of the youth.
16	(12) In the event a high acuity youth is delivered to an inpatient psychiatric hospital or
17	pediatric teaching hospital for a behavioral assessment without referral by the
18	department, the cabinet, or the Department of Juvenile Justice, the clinical
19	professional may present the affidavit referenced in subsection (3) of this section
20	to a law enforcement officer, a court designated worker, or a detention alternative
21	coordinator who shall then return the youth to the custody of the custodial
22	agency until such time as a court issues further orders regarding the appropriate
23	treatment for the high acuity youth. The inpatient psychiatric hospital or
24	pediatric teaching hospital shall then proceed according to subsections (3), (4),
