

**GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2025**

**HOUSE BILL 559
RATIFIED BILL**

**AN ACT TO MAKE VARIOUS FEE MODIFICATIONS TO THE STATE LABOR
REGULATIONS, AND TO AMEND INTERIM APPOINTMENT CRITERIA FOR THE
BUILDING CODE COUNCIL AND RESIDENTIAL CODE COUNCIL.**

Whereas, the North Carolina Department of Labor's Elevator and Amusement Device Bureau is a fully receipt-supported operation that receives no State appropriations and is currently facing a backlog of over 3,000 overdue inspections and critical staffing shortages, particularly in North Carolina's fast-growing urban regions; and

Whereas, outdated statutory fee caps have constrained the Department's ability to modernize operations, attract qualified inspectors, and deliver timely inspections; and

Whereas, authorizing modest, common-sense fee adjustments will empower the Department to eliminate the inspection backlog, raise inspector pay to market rates, and launch an in-house apprenticeship program to train the next generation of safety professionals; and

Whereas, this Act ensures that all fee increases remain capped, transparent, and tied to inflation, while keeping the Elevator and Amusement Device Bureau fully receipt-supported, free from new taxpayer burdens, and operated with the accountability and efficiency of a small business; and

Whereas, it is in North Carolina's best interest to modernize the Department in a way that is accountable, fiscally responsible, and tailored to the needs of our fast-growing State; Now, therefore,

The General Assembly of North Carolina enacts:
