6 **SUMMARY**

7 This amendment is the majority report of the committee. It makes consistent the
8 dates by which the Department of Health and Human Services is to notify providers of
9 the scope of dental benefits covered by the MaineCare program. It moves the directive to
10 the department to adopt rules relating to coverage of adult preventive dental services and
11 the designation of those rules as routine technical rules to allocated language.

12 This amendment also provides funding for increased MaineCare coverage required
13 by the bill.
