16 (3) The new merchant category code would allow payment card networks and
17 others involved in payment card processing to identify and separately track
18 lawful payment card purchases at firearms merchants in North Carolina. This
19 surveillance would cause a significant chilling effect on individuals in North
20 Carolina wishing to exercise their federal and State constitutional rights to
21 keep and bear arms.
22 (4) In order to protect consumers in this State and promote lawful commerce in
