4 **SUMMARY**

5 This bill decreases from 30 to 15 working days the period for the Department of Health
6 and Human Services to determine if a municipality has illegally moved an individual to
7 avoid responsibility for general assistance support. The bill reduces the appeals period
8 from 30 to 15 days after the determination is made. The bill also provides for interest on
9 unreimbursed amounts to be paid by the offending municipality and a penalty of up to
10 \$10,000 for a repeat violation within a 12-month period and creates the rebuttable
11 presumption that if a municipality moves a person to another municipality, the municipality
12 did so to avoid paying general assistance to that person.
