A BILL TO BE ENTITLED
AN ACT TO ENACT THE SECOND AMENDMENT FINANCIAL PRIVACY ACT.
The General Assembly of North Carolina enacts:

SECTION 1. Chapter 66 of the General Statutes is amended by adding a new Article to read:

"Article 52.

"Second Amendment Financial Privacy Act.

"§ 66-511. Legislative findings.

The General Assembly finds all of the following:

- (1) The right of individuals to keep and bear arms is guaranteed under both the Second Amendment to the United States Constitution and Section 30 of Article I of the North Carolina Constitution.
- (2) In September 2022, the International Organization for Standardization, based in Switzerland, approved a new merchant category code for firearms merchants.
- (3) The new merchant category code would allow payment card networks and others involved in payment card processing to identify and separately track lawful payment card purchases at firearms merchants in North Carolina. This surveillance would cause a significant chilling effect on individuals in North Carolina wishing to exercise their federal and State constitutional rights to keep and bear arms.
- (4) In order to protect consumers in this State and promote lawful commerce in this State, the Second Amendment Financial Privacy Act prohibits payment card networks from using a firearms code or maintaining a firearms registry.

"§ 66-512. Definitions.

The following definitions apply in this Article:

- (1) Firearms code. – Any code or other indicator that identifies to a payment card network any of the following:
 - a. Whether a person is a firearms merchant.
 - b. Whether a payment involves the purchase of a firearm or firearm ammunition.
- (2) Firearms merchant. – A person physically located in the State engaged in the lawful business of selling or trading firearms or firearm ammunition.
