(1b) Process for Allocating Funds from the Unforeseen Costs Reserve. – The Office of State Budget and Management (OSBM) shall set out the process for applying for funds from the Unforeseen Costs Reserve, together with the criteria for assessing such applications, in a Budget Memo. OSBM may allocate funds from the Unforeseen Costs Reserve only when it is satisfied that the conditions set out under these criteria have been met. Once agreed,

funds may only be drawn down as needed, in line with project cashflow requirements.

(2) Special Allocation Provisions. – In determining the use of the proceeds of public improvement bonds and notes, including premium thereon, if any, set forth in subdivision (1) of this subsection, the following special allocation provisions apply:

a. The proceeds of public improvement bonds and notes, including premium thereon, if any, for public instruction for public schools capital assistance, as provided in subdivision (1) of this subsection, shall be allocated as follows:

1. \$1,000,000,000 of such proceeds shall be allocated equally to each county. Each county's allocation shall be distributed to the local school administrative units located in whole or in part in the county based on the average daily membership of the county's students in the school units.
2. \$375,000,000 of such proceeds shall be allocated among local school administrative units located in counties whose wealth is less than the State average wealth. The allocation for a local school administrative unit shall be the allotment in this sub-sub-subdivision multiplied by a fraction, the numerator of which is the 2020-2021 low-wealth allotment for the local school administrative unit and the denominator of which is the 2020-2021 low-wealth allotment for all local school administrative units in the State.
3. \$1,125,000,000 of such proceeds shall be allocated among local school administrative units on the basis of average daily membership for the 2020-2021 fiscal year. The allocation for a local school administrative unit shall be the allotment in this sub-sub-subdivision multiplied by a fraction, the numerator of which is the average daily membership for the local school administrative unit for the 2020-2021 fiscal year and the denominator of which is the total average daily membership for all local school administrative units in the State for the 2020-2021 fiscal year.
4. Bond proceeds for a county receiving funds pursuant to sub-sub-subdivision 2. of this sub-subdivision require no local match. Any other county receiving bond proceeds allocated shall provide local matching funds from county funds, other non-State funds, or a combination of these sources for such proceeds. The amount of matching funds shall be (i) one dollar (\$1.00) of local matching funds for every three dollars (\$3.00) of such proceeds for a local school administrative unit located in a county that is a development tier one area, as defined in G.S. 143B-437.08, (ii) one dollar (\$1.00) of local matching funds for every two dollars (\$2.00) of such proceeds for a local school administrative unit located in a county that is a development tier two area, as defined in G.S. 143B-437.08, and (iii) one dollar (\$1.00) of local matching funds for every one dollar (\$1.00) of such proceeds for a local school administrative unit located in a county that is a development tier three area, as defined in G.S. 143B-437.08. The match

requirement may be satisfied by non-State expenditures for public school facilities made on or after January 1, 2017. If a debt has been incurred since January 1, 2017, for the general purpose of public school facilities, then the face amount of the debt shall be considered as a non-State expenditure for public school facilities for the purpose of the match. No other expenditures made or debts incurred before January 1, 2017, may be used to satisfy the match requirement. As counties satisfy the match requirements of this subsection, they shall document the extent to which they have done so in periodic reports to the State Board of Education. These reports shall include any information and documentation required by the State Board of Education. The State Board of Education shall certify to the State Treasurer from time to time the extent to which the match requirements of this subsection have been met with respect to each county. Bond proceeds shall be distributed for expenditure only as, and to the extent, the matching requirement of this section are satisfied, as certified by the State Board of Education. The State Board of Education shall also require counties to report annually on the impact of funds provided under this act on the property tax rate for that year. These reports shall be public documents and shall be furnished to any citizen upon request. If the State Board of Education determines that a county has not met the matching requirement set forth in this sub-subdivision by January 1, 2028, the State Board of Education shall certify that fact to the State Treasurer by March 1, 2028. The State Board of Education shall reallocate unmatched funds in the following manner:

- I. Proceeds allocated under sub-sub-subdivision (2)a.1. of this subsection shall be reallocated to local administrative units receiving funds under sub-sub-subdivision (2)a.1. of this subsection for which the State Board of Education has certified matching funds.
  - II. Proceeds allocated under sub-sub-subdivision (2)a.2. of this subsection shall be reallocated to local administrative units receiving funds under sub-sub-subdivision (2)a.2. of this subsection for which the State Board of Education has certified matching funds.
  - III. Proceeds allocated under sub-sub-subdivision (2)a.3. of this subsection shall be reallocated to local administrative units receiving funds under sub-sub-subdivision (2)a.3. of this subsection for which the State Board of Education has certified matching funds.
5. A local school administrative unit that receives proceeds under this section shall ensure that such proceeds are used for either or both of the following:

- 1 I. For acquisition of real property and construction,  
2 acquisition, reconstruction, enlargement, renovation,  
3 or replacement of buildings and other structures.  
4 II. To supplement local funds for public school capital  
5 outlay projects and shall not decrease local funds for  
6 those projects from one fiscal year to the next fiscal  
7 year, as measured by the most recent five-year annual  
8 average capital outlay expenditure.
- 9 b. The proceeds of public improvement bonds and notes, including  
10 premium thereon, if any, for NC Community Colleges, as provided in  
11 subdivision (1) of this subsection for new construction, repairs, and  
12 renovations, shall be used for new construction or rehabilitation of  
13 existing facilities and repairs and renovations. Any items purchased  
14 with such proceeds and installed or replaced as part of a renovation or  
15 rehabilitation must have a useful life of at least 10 years or must extend  
16 the life of the facility by at least 10 years once renovated or  
17 rehabilitated. In order to receive the proceeds under this  
18 sub-subdivision for projects for new construction, the community  
19 college receiving the proceeds shall provide local matching funds from  
20 county funds, other non-State funds, or a combination of these sources  
21 for such proceeds. The amount of matching funds shall be (i) one  
22 dollar (\$1.00) of local matching funds for every three dollars (\$3.00)  
23 of such proceeds for a community college project located in a  
24 development tier one area, as defined in G.S. 143B-437.08, (ii) one  
25 dollar (\$1.00) of local matching funds for every two dollars (\$2.00) of  
26 such proceeds for a community college project located in a  
27 development tier two area, as defined in G.S. 143B-437.08, and (iii)  
28 one dollar (\$1.00) of local matching funds for every one dollar (\$1.00)  
29 of such proceeds for a community college project located in a  
30 development tier three area, as defined in G.S. 143B-437.08.  
31 Community colleges are not required to match bond proceeds  
32 allocated in this section for rehabilitation of existing facilities and  
33 repairs and renovations. The provisions of G.S. 115D-31, or any other  
34 provision of law permitting prior expenditures to be used for match  
35 purposes, do not apply for purposes of meeting the matching funds  
36 requirements of this act.

37 **SECTION 1.(g) Allocation and Tracking of Proceeds. –**

- 38 (1) Public improvement bonds. – The proceeds of public improvement bonds and  
39 notes, including premium thereon, if any, except the proceeds of bonds the  
40 issuance of which has been anticipated by bond anticipation notes or the  
41 proceeds of refunding bonds or notes, shall be placed by the State Treasurer  
42 in a special fund to be designated "Public Improvement Bonds Fund," which  
43 may include such appropriate special accounts therein as may be determined  
44 by the State Treasurer and shall be disbursed as provided in this section.  
45 Monies in the Public Improvement Bonds Fund shall be allocated and  
46 expended as provided in this section.

47 Any additional monies that may be received by means of a grant or grants  
48 from the United States of America or any agency or department thereof or  
49 from any other source for deposit to the Public Improvement Bonds Fund may  
50 be placed in the Public Improvement Bonds Fund or in a separate account or

fund and shall be disbursed, to the extent permitted by the terms of the grant or grants, without regard to any limitations imposed by this section.

Monies in the Public Improvement Bonds Fund or any separate account established under this section may be invested from time to time by the State Treasurer in the same manner permitted for investment of monies belonging to the State or held in the State treasury, except with respect to grant money to the extent otherwise directed by the terms of the grant. Investment earnings, except investment earnings with respect to grant monies to the extent otherwise directed or restricted by the terms of the grant, may be (i) credited to the Public Improvement Bonds Fund, (ii) used to pay debt service on the bonds authorized by this section, (iii) used to satisfy compliance with applicable requirements of the federal tax law, or (iv) transferred to the General Fund of the State.

The proceeds of public improvement bonds and notes, including premium thereon, if any, may be used with any other monies made available by the General Assembly for funding the projects authorized by this section, including the proceeds of any other State bond issues, whether heretofore made available or that may be made available at the session of the General Assembly at which this section is ratified or any subsequent sessions. The proceeds of public improvement bonds and notes, including premium thereon, if any, shall be expended and disbursed under the direction and supervision of the Director of the Budget. The funds provided by this section shall be disbursed for the purposes provided in this section upon warrants drawn on the State Treasurer by the State Controller, which warrants shall not be drawn until requisition has been approved by the Director of the Budget and which requisition shall be approved only after full compliance with the State Budget Act, Chapter 143C of the General Statutes.

- (2) Tracking of bond proceeds. – The State Treasurer or the State Treasurer's designee is hereby authorized and directed to set up a comprehensive system of tracking the proceeds of the public improvement bonds and notes, including premium thereon, if any, to the extent necessary to enable the State Treasurer or the State Treasurer's designee to properly account for the use of such proceeds for compliance with applicable requirements of the federal tax law or otherwise. All recipients of such proceeds shall comply with any tracking system implemented by the State Treasurer or the State Treasurer's designee for this purpose. The State Treasurer may withhold such proceeds from any State agency or department not complying with this subdivision.
- (3) Costs. – Allocations to the costs of a capital improvement or undertaking in each case may include allocations to pay the costs set forth in sub-subdivisions c. through g. of subdivision (2) of subsection (d) of this section in connection with the issuance of bonds for that capital improvement or undertaking.

**SECTION 1.(h)** Election. – The question of the issuance of the bonds authorized by this section shall be submitted to the qualified voters of the State at a Statewide election to be held November 2, 2021. Any other primary, election, or referendum validly called or scheduled by law at the time the election on the bond question provided for in this subsection is held may be held as called or scheduled. Notice of the election shall be given in the manner and at the times required by G.S. 163-33(8). The election and the registration of voters therefor shall be held under and in accordance with the general laws of the State. Absentee ballots shall be authorized in the election and shall be available 50 days prior to the date on which the election is to be held.

Ballots, voting systems authorized by Article 14A of Chapter 163 of the General Statutes, or both may be used in accordance with rules prescribed by the State Board of Elections.

7 providing funds, with any other available funds, to fund capital improvements and new facilities  
8 for the State, including, without limitation, the construction and furnishing of new facilities and  
9 the renovation and rehabilitation of existing facilities for, without limitation, the public schools  
10 of the State, the Department of Health and Human Services, the Department of Natural and  
11 Cultural Resources, North Carolina Community College System, and The University of North  
12 Carolina System."

13 If a majority of those voting on the bond question in the election vote in favor of the  
14 issuance of the bonds described in the question, those bonds may be issued as provided in this  
15 section. If a majority of those voting on a bond question in the election do not vote in favor of  
16 the issuance of the bonds described in the question, those bonds shall not be issued. The results  
17 of the election shall be canvassed and declared as provided by law for elections for State officers;

21 (1) Terms and conditions. – Bonds or notes may bear a date or dates, may be serial  
22 or term bonds or notes, or any combination thereof, may mature in such  
23 amounts and at such time or times, not exceeding 40 years from their date or  
24 dates, may be payable at such place or places, either within or without the  
25 United States of America, in such coin or currency of the United States of  
26 America as at the time of payment is legal tender for payment of public and  
27 private debts, may bear interest at such rate or rates, which may vary from  
28 time to time, and may be made redeemable before maturity, at the option of  
29 the State or otherwise as may be provided by the State, at such price or prices,  
30 including a price less than or greater than the face amount of the bonds or  
31 notes, and under such terms and conditions, all as may be determined by the  
32 State Treasurer, by and with the consent of the Council of State.

33 (2) Signatures; form and denomination; registration. – Bonds or notes may be  
34 issued in certificated or uncertificated form. If issued in certificated form,  
35 bonds or notes shall be signed on behalf of the State by the Governor or shall  
36 bear the Governor's facsimile signature, shall be signed by the State Treasurer  
37 or shall bear the State Treasurer's facsimile signature, and shall bear the Great  
38 Seal of the State, or a facsimile of the Seal shall be impressed or imprinted

40 the State Treasurer, the bonds or notes shall also bear a manual signature  
41 which may be that of a bond registrar, trustee, paying agent, or designated  
42 assistant of the State Treasurer. Should any officer whose signature or  
43 facsimile signature appears on bonds or notes cease to be such officer before  
44 the delivery of the bonds or notes, the signature or facsimile signature shall  
45 nevertheless have the same validity for all purposes as if the officer had  
46 remained in office until delivery. Bonds or notes may bear the facsimile  
47 signatures of persons, who at the actual time of the execution of the bonds or  
48 notes shall be the proper officers to sign any bond or note, although at the date  
49 of the bond or note such persons may not have been such officers. The form  
50 and denomination of bonds or notes, including the provisions with respect to

- 1 registration of the bonds or notes and any system for their registration, shall  
2 be as the State Treasurer may determine in conformity with this section.
- 3 (3) Manner of sale; expenses. – Subject to the approval by the Council of State as  
4 to the manner in which bonds or notes shall be offered for sale, whether at  
5 public or private sale, whether within or without the United States, and  
6 whether by publishing notices in certain newspapers and financial journals,  
7 mailing notices, inviting bids by correspondence, negotiating contracts of  
8 purchase, or otherwise, the State Treasurer is authorized to sell bonds or notes  
9 at one time or from time to time at any rates of interest, which may vary from  
10 time to time, and at any prices, including a price less than or greater than the  
11 face amount of the bonds or notes, as the State Treasurer may determine. All  
12 expenses incurred in the preparation, sale, and issuance of bonds or notes shall  
13 be paid by the State Treasurer from the proceeds of bonds or notes or other  
14 available moneys.
- 15 (4) Notes; repayment. –
- 16 a. By and with the consent of the Council of State, the State Treasurer is  
17 hereby authorized to borrow money and to execute and issue notes of  
18 the State for the same, but only in the following circumstances and  
19 under the following conditions:
- 20 1. For anticipating the sale of bonds, the issuance of which the  
21 Council of State has approved, if the State Treasurer considers  
22 it advisable to postpone the issuance of the bonds;
- 23 2. For the payment of interest on or any installment of principal  
24 of any bonds then outstanding, if there are not sufficient funds  
25 in the State treasury with which to pay the interest or  
26 installment of principal as they respectively become due;
- 27 3. For the renewal of any loan evidenced by notes authorized in  
28 this section;
- 29 4. For the purposes authorized in this section; and
- 30 5. For refunding bonds or notes as authorized in this section.
- 31 b. Funds derived from the sale of bonds or notes may be used in the  
32 payment of any bond anticipation notes issued under this section.  
33 Funds provided by the General Assembly for the payment of interest  
34 on or principal of bonds shall be used in paying the interest on or  
35 principal of any notes and any renewals thereof, the proceeds of which  
36 shall have been used in paying interest on or principal of the bonds.
- 37 (5) Refunding bonds and notes. – By and with the consent of the Council of State,  
38 the State Treasurer is authorized to issue and sell refunding bonds and notes  
39 pursuant to the provisions of the State Refunding Bond Act for the purpose of  
40 refunding bonds or notes issued pursuant to this section. The refunding bonds  
41 and notes may be combined with any other issues of State bonds and notes  
42 similarly secured. Refunding bonds or notes may be issued at any time prior  
43 to the final maturity of the debt obligation to be refunded. The proceeds from  
44 the sale of any refunding bonds or notes shall be applied to the immediate  
45 payment and retirement of the bonds or notes being refunded or, if not required  
46 for the immediate payment of the bonds or notes being refunded, the proceeds  
47 shall be deposited in trust to provide for the payment and retirement of the  
48 bonds or notes being refunded and to pay any expenses incurred in connection  
49 with the refunding. Money in a trust fund may be invested in (i) direct  
50 obligations of the United States government, (ii) obligations the principal of  
51 and interest on which are guaranteed by the United States government, (iii)

obligations of any agency or instrumentality of the United States government if the timely payment of principal and interest on the obligations is unconditionally guaranteed by the United States government, or (iv) certificates of deposit issued by a bank or trust company located in the State if the certificates are secured by a pledge of any of the obligations described in (i), (ii), or (iii) above having an aggregate market value, exclusive of accrued interest, equal at least to the principal amount of the certificates so secured. This section does not limit the duration of any deposit in trust for the retirement of bonds or notes being refunded but that have not matured and are not presently redeemable, or if presently redeemable, have not been called for redemption.

(6) Tax exemption. – Bonds and notes shall at all times be free from taxation by the State or any political subdivision or any of their agencies, excepting estate, inheritance, or gift taxes, income taxes on the gain from the transfer of bonds or notes, and franchise taxes. The interest on bonds or notes is not subject to taxation as income.

(7) Investment eligibility. – Bonds and notes are securities in which all of the following may invest, including capital in their control or belonging to them: public officers, agencies, and public bodies of the State and its political subdivisions, all insurance companies, trust companies, investment companies, banks, savings banks, savings and loan associations, credit unions, pension or retirement funds, other financial institutions engaged in business in the State, executors, administrators, trustees, and other fiduciaries. Bonds and notes are hereby made securities which may properly and legally be deposited with and received by any officer or agency of the State or political subdivision of the State for any purpose for which the deposit of bonds, notes, or obligations of the State or any political subdivision is now or may hereafter be authorized by law.

(8) Faith and credit. – The faith and credit and taxing power of the State are hereby pledged for the payment of the principal of and the interest on bonds and notes. The State expressly reserves the right to amend any provision of this section to the extent it does not impair any contractual right of a bond owner.

(9) Other agreements. – The State Treasurer may authorize, execute, obtain, or otherwise provide for bond insurance, investment contracts, credit and liquidity facilities, interest-rate swap agreements and other derivative products, and any other related instruments and matters the State Treasurer determines are desirable in connection with issuance, incurrence, carrying, or securing of bonds or notes. The State Treasurer is authorized to employ and designate any financial consultants, underwriters, and bond attorneys to be associated with any bond or note issue under this section as the State Treasurer considers necessary.

**SECTION 1.(j)** Variable Rate Demand Bonds and Notes. – In fixing the details of bonds and notes, the State Treasurer may provide that any of the bonds or notes may:

(1) Be made payable from time to time on demand or tender for purchase by the owner, if a credit facility supports the bonds or notes, unless the State Treasurer specifically determines that a credit facility is not required upon a finding and determination by the State Treasurer that the absence of a credit facility will not materially and adversely affect the financial position of the State and the marketing of the bonds or notes at a reasonable interest cost to the State;

(2) Be additionally supported by a credit facility;

- 1 (3) Be made subject to redemption or a mandatory tender for purchase prior to  
2 maturity;  
3 (4) Bear interest at a rate or rates that may vary for any period of time, as may be  
4 provided in the proceedings providing for the issuance of the bonds or notes,  
5 including, without limitation, such variations as may be permitted pursuant to  
6 a par formula; and  
7 (5) Be made the subject of a remarketing agreement whereby an attempt is made  
8 to remarket bonds or notes to new purchasers prior to their presentment for  
9 payment to the provider of the credit facility or to the State.

10 If the aggregate principal amount payable by the State under a credit facility is in  
11 excess of the aggregate principal amount of bonds or notes secured by the credit facility, whether  
12 as a result of the inclusion in the credit facility of a provision for the payment of interest for a  
13 limited period of time or the payment of a redemption premium or for any other reason, then the  
14 amount of authorized but unissued bonds or notes during the term of such credit facility shall not  
15 be less than the amount of such excess, unless the payment of such excess is otherwise provided  
16 for by agreement of the State executed by the State Treasurer.

17 **SECTION 1.(k)** Interpretation of Section. –

- 18 (1) Additional method. – The foregoing subsections of this section shall be  
19 deemed to provide an additional and alternative method for the doing of the
