21	Preamble
22 23 24	WHEREAS, The thoroughbred horse racing and breeding industries in the State are historically, culturally, and economically significant, and date back to the founding of the Maryland Jockey Club in 1743; and
25 26 27	WHEREAS, The thoroughbred horse racing and breeding industries include the agribusiness of hundreds of horse farms throughout the State, which preserve over 700,000 acres of open space; and
28 29 30	WHEREAS, The thoroughbred horse racing and breeding industries also provide employment directly and indirectly for tens of thousands of Marylanders in various capacities, including:
31 32	(1) owners, trainers, breeders, and others who raise and care for and train horses for competition;
33 34	(2) employees at Pimlico Race Course in Baltimore City and Laurel Park in Anne Arundel County; and
35	(3) a myriad of individuals and vendors that service the horse racing and

breeding industries, including veterinarians, farms, and others; and

WHEREAS, The Preakness Stakes, the middle jewel of thoroughbred racing's Triple Crown, historically conducted at Pimlico, is a civic and culturally significant event and brings national and international attention and substantial economic benefits to the State annually; and

WHEREAS, The need for modernization of the Pimlico and Laurel Park racing facilities has been recognized in master development plans adopted by the City of Baltimore in 2006 and 2008 and by Anne Arundel County in 2007, 2008, and 2009, which master development plans include but are not limited to a planned unit development plan and related planned unit development plan sketches for Pimlico, and the Park Heights Plan, and a 2008 approved sketch plan for Laurel Park; and

WHEREAS, The State has authorized funding and funded a number of the improvements contemplated pursuant to master development plans through the Racetrack Facilities Renewal Account in conjunction with industry and other funds; and

WHEREAS, The funding authorized by this Act will fund improvements arising from and related to the aforementioned master development plans, with amounts attributable to such funding being utilized pursuant to such master development plans; and

WHEREAS, It serves the State's interest in economic development, tourism, community development, and other civic, cultural, and public activities and developments to promote the Preakness Stakes and the thoroughbred horse racing and breeding industries, which in turn are highly dependent on modern, state—of—the—art thoroughbred racing facilities at Pimlico and Laurel Park; and

WHEREAS, The State's interest in advancing and promoting such activities will be served by authorizing the funding and development of the racing, training, community development, and related facilities, as set forth herein; now, therefore,
