34 *Be it enacted by the Legislature of the state of Utah:*

35 Section 1. Section **53E-5-523** is enacted to read:

36 **53E-5-523. Standards for quality online learning.**

37 (1) The state board shall adopt standards for quality online learning that:

38 (a) represent generally agreed upon best practices in online learning; and

39 (b) include standards related to:

40 (i) online programs;

41 (ii) online teaching; and

42 (iii) online courses.

43 (2) The state board:

44 (a) shall use the standards described in Subsection (1) to provide guidance to LEAs that
45 provide online learning; and

46 (b) may not require that an LEA comply with the standards as a condition for providing
47 online learning.

48 Section 2. Section **53G-4-402** is amended to read:

49 **53G-4-402. Powers and duties generally.**

50 (1) A local school board shall:

51 (a) implement the core standards for Utah public schools using instructional materials
52 that best correlate to the core standards for Utah public schools and graduation requirements;

53 (b) administer tests, required by the state board, which measure the progress of each
54 student, and coordinate with the state superintendent and state board to assess results and create
55 plans to improve the student's progress, which shall be submitted to the state board for
56 approval;

57 (c) use progress-based assessments as part of a plan to identify schools, teachers, and
58 students that need remediation and determine the type and amount of federal, state, and local

resources to implement remediation;

(d) for each grading period and for each course in which a student is enrolled, issue a grade to the student:

(i) that reflects the student's work for the grading period; and

(ii) in accordance with the local school board's adopted grading standards and criteria;

~~[(d)]~~ (e) develop early warning systems for students or classes failing to make progress;

~~[(e)]~~ (f) work with the state board to establish a library of documented best practices, consistent with state and federal regulations, for use by the local districts;

~~[(f)]~~ (g) implement training programs for school administrators, including basic management training, best practices in instructional methods, budget training, staff management, managing for learning results and continuous improvement, and how to help every child achieve optimal learning in basic academic subjects; and

~~[(g)]~~ (h) ensure that the local school board meets the data collection and reporting standards described in Section 53E-3-501.

(2) Local school boards shall spend Minimum School Program funds for programs and activities for which the state board has established minimum standards or rules under Section 53E-3-501.

(3) (a) A local school board may purchase, sell, and make improvements on school sites, buildings, and equipment and construct, erect, and furnish school buildings.

(b) School sites or buildings may only be conveyed or sold on local school board resolution affirmed by at least two-thirds of the members.

(4) (a) A local school board may participate in the joint construction or operation of a school attended by children residing within the district and children residing in other districts either within or outside the state.

(b) Any agreement for the joint operation or construction of a school shall:

(i) be signed by the president of the local school board of each participating district;

(ii) include a mutually agreed upon pro rata cost; and

(iii) be filed with the state board.

(5) A local school board may establish, locate, and maintain elementary, secondary, and applied technology schools.

(6) Except as provided in Section 53E-3-905, a local school board may enroll children

in school who are at least five years of age before September 2 of the year in which admission is sought.

(7) A local school board may establish and support school libraries.

(8) A local school board may collect damages for the loss, injury, or destruction of school property.

(9) A local school board may authorize guidance and counseling services for children and their parents before, during, or following enrollment of the children in schools.

(10) (a) A local school board shall administer and implement federal educational programs in accordance with Title 53E, Chapter 3, Part 8, Implementing Federal or National Education Programs.

(b) Federal funds are not considered funds within the school district budget under Chapter 7, Part 3, Budgets.

(11) (a) A local school board may organize school safety patrols and adopt policies under which the patrols promote student safety.

(b) A student appointed to a safety patrol shall be at least 10 years old and have written parental consent for the appointment.

(c) Safety patrol members may not direct vehicular traffic or be stationed in a portion of a highway intended for vehicular traffic use.

(d) Liability may not attach to a school district, its employees, officers, or agents or to a safety patrol member, a parent of a safety patrol member, or an authorized volunteer assisting the program by virtue of the organization, maintenance, or operation of a school safety patrol.

(12) (a) A local school board may on its own behalf, or on behalf of an educational institution for which the local school board is the direct governing body, accept private grants, loans, gifts, endowments, devises, or bequests that are made for educational purposes.

(b) These contributions are not subject to appropriation by the Legislature.

(13) (a) A local school board may appoint and fix the compensation of a compliance officer to issue citations for violations of Subsection 76-10-105(2)(b).

(b) A person may not be appointed to serve as a compliance officer without the person's consent.

(c) A teacher or student may not be appointed as a compliance officer.

(14) A local school board shall adopt bylaws and policies for the local school board's

own procedures.

(15) (a) A local school board shall make and enforce policies necessary for the control and management of the district schools.

(b) Local school board policies shall be in writing, filed, and referenced for public access.

(16) A local school board may hold school on legal holidays other than Sundays.

(17) (a) A local school board shall establish for each school year a school traffic safety committee to implement this Subsection (17).

(b) The committee shall be composed of one representative of:

(i) the schools within the district;

(ii) the Parent Teachers' Association of the schools within the district;

(iii) the municipality or county;

(iv) state or local law enforcement; and

(v) state or local traffic safety engineering.

(c) The committee shall:

(i) receive suggestions from school community councils, parents, teachers, and others and recommend school traffic safety improvements, boundary changes to enhance safety, and school traffic safety program measures;

(ii) review and submit annually to the Department of Transportation and affected municipalities and counties a child access routing plan for each elementary, middle, and junior high school within the district;

(iii) consult the Utah Safety Council and the Division of Family Health Services and provide training to all school children in kindergarten through grade 6, within the district, on school crossing safety and use; and

(iv) help ensure the district's compliance with rules made by the Department of Transportation under Section [41-6a-303](#).

(d) The committee may establish subcommittees as needed to assist in accomplishing ~~its~~ the committee's duties under Subsection (17)(c).

(18) (a) A local school board shall adopt and implement a comprehensive emergency response plan to prevent and combat violence in the local school board's public schools, on school grounds, on its school vehicles, and in connection with school-related activities or

events.

(b) The plan shall:

(i) include prevention, intervention, and response components;

(ii) be consistent with the student conduct and discipline policies required for school districts under Chapter 11, Part 2, Miscellaneous Requirements;

(iii) require professional learning for all district and school building staff on what their roles are in the emergency response plan;

(iv) provide for coordination with local law enforcement and other public safety representatives in preventing, intervening, and responding to violence in the areas and activities referred to in Subsection (18)(a); and

(v) include procedures to notify a student, to the extent practicable, who is off campus at the time of a school violence emergency because the student is:

(A) participating in a school-related activity; or

(B) excused from school for a period of time during the regular school day to participate in religious instruction at the request of the student's parent.

(c) The state board, through the state superintendent, shall develop comprehensive emergency response plan models that local school boards may use, where appropriate, to comply with Subsection (18)(a).

(d) A local school board shall, by July 1 of each year, certify to the state board that its plan has been practiced at the school level and presented to and reviewed by its teachers, administrators, students, and their parents and local law enforcement and public safety representatives.

(19) (a) A local school board may adopt an emergency response plan for the treatment of sports-related injuries that occur during school sports practices and events.

(b) The plan may be implemented by each secondary school in the district that has a sports program for students.

(c) The plan may:

(i) include emergency personnel, emergency communication, and emergency equipment components;

(ii) require professional learning on the emergency response plan for school personnel who are involved in sports programs in the district's secondary schools; and

(iii) provide for coordination with individuals and agency representatives who:

(A) are not employees of the school district; and

(B) would be involved in providing emergency services to students injured while participating in sports events.

(d) The local school board, in collaboration with the schools referred to in Subsection (19)(b), may review the plan each year and make revisions when required to improve or enhance the plan.

(e) The state board, through the state superintendent, shall provide local school boards with an emergency plan response model that local school boards may use to comply with the requirements of this Subsection (19).

(20) A local school board shall do all other things necessary for the maintenance, prosperity, and success of the schools and the promotion of education.

(21) (a) Before closing a school or changing the boundaries of a school, a local school board shall:

(i) at least 120 days before approving the school closure or school boundary change, provide notice to the following that the local school board is considering the closure or boundary change:

(A) parents of students enrolled in the school, using the same form of communication the local school board regularly uses to communicate with parents;

(B) parents of students enrolled in other schools within the school district that may be affected by the closure or boundary change, using the same form of communication the local school board regularly uses to communicate with parents; and

(C) the governing council and the mayor of the municipality in which the school is located;

(ii) provide an opportunity for public comment on the proposed school closure or school boundary change during at least two public local school board meetings; and

(iii) hold a public hearing as defined in Section 10-9a-103 and provide public notice of the public hearing as described in Subsection (21)(b).

(b) The notice of a public hearing required under Subsection (21)(a)(iii) shall:

(i) indicate the:

(A) school or schools under consideration for closure or boundary change; and

(B) the date, time, and location of the public hearing;
(ii) at least 10 days before the public hearing, be:
(A) published:
(I) in a newspaper of general circulation in the area; and
(II) on the Utah Public Notice Website created in Section 63F-1-701; and
(B) posted in at least three public locations within the municipality in which the school is located on the school district's official website, and prominently at the school; and

(23) A local school board may establish or partner with a certified youth court program, in accordance with Section 78A-6-1203, or establish or partner with a comparable restorative justice program, in coordination with schools in that district. A school may refer a student to youth court or a comparable restorative justice program in accordance with Section 53G-8-211.

(24) A local school board shall:

(a) make curriculum that the school district uses readily accessible and available for a parent to view;

(b) annually notify a parent of a student enrolled in the school district of how to access the information described in Subsection (24)(a); and

(c) include on the school district's website information about how to access the information described in Subsection (24)(a).

Section 3. Section 53G-5-404 is amended to read:

53G-5-404. Requirements for charter schools.

(1) A charter school shall be nonsectarian in its programs, admission policies, employment practices, and operations.

(2) A charter school may not charge tuition or fees, except those fees normally charged by other public schools.

(3) A charter school shall meet all applicable federal, state, and local health, safety, and civil rights requirements.

(4) (a) A charter school shall:

(i) make the same annual reports required of other public schools under this public education code, including an annual financial audit report described in Section 53G-4-404;

(ii) ensure that the charter school meets the data and reporting standards described in Section 53E-3-501; and

(iii) use fund and program accounting methods and standardized account codes capable of producing financial reports that comply with:

(A) generally accepted accounting principles;

(B) the financial reporting requirements applicable to LEAs established by the state board under Section 53E-3-501; and

(C) accounting report standards established by the state auditor as described in Section 51-2a-301.

(b) Before, and as a condition for opening a charter school:

(i) a charter school shall:

(A) certify to the authorizer that the charter school's accounting methods meet the requirements described in Subsection (4)(a)(iii); or

(B) if the authorizer requires, conduct a performance demonstration to verify that the charter school's accounting methods meet the requirements described in Subsection (4)(a)(iii); and

(ii) the authorizer shall certify to the state board that the charter school's accounting methods meet the requirements described in Subsection (4)(a)(iii).

(c) A charter school shall file the charter school's annual financial audit report with the Office of the State Auditor within six months of the end of the fiscal year.

(d) For the limited purpose of compliance with federal and state law governing use of public education funds, including restricted funds, and making annual financial audit reports under this section, a charter school is a government entity governed by the public education code.

(5) (a) A charter school shall be accountable to the charter school's authorizer for performance as provided in the school's charter agreement.

(b) To measure the performance of a charter school, an authorizer may use data contained in:

- 276 (i) the charter school's annual financial audit report;
277 (ii) a report submitted by the charter school as required by statute; or
278 (iii) a report submitted by the charter school as required by its charter agreement.

279 (c) A charter school authorizer may not impose performance standards, except as
280 permitted by statute, that limit, infringe, or prohibit a charter school's ability to successfully
281 accomplish the purposes of charter schools as provided in Section 53G-5-104 or as otherwise
282 provided in law.

283 (6) A charter school may not advocate unlawful behavior.

284 (7) Except as provided in Section 53G-5-305, a charter school shall be organized and
285 managed under Title 16, Chapter 6a, Utah Revised Nonprofit Corporation Act, after its
286 authorization.

287 (8) A charter school shall provide adequate liability and other appropriate insurance,
288 including:

289 (a) general liability, errors and omissions, and directors and officers liability coverage
290 through completion of the closure of a charter school under Section 53G-5-504; and

291 (b) tail coverage or closeout insurance covering at least one year after closure of the
292 charter school.

293 (9) Beginning on July 1, 2014, a charter school, including a charter school that has not
294 yet opened, shall submit any lease, lease-purchase agreement, or other contract or agreement
295 relating to the charter school's facilities or financing of the charter school's facilities to the
296 school's authorizer and an attorney for review and advice before the charter school enters the
297 lease, agreement, or contract.

298 (10) A charter school may not employ an educator whose license is suspended or
299 revoked by the state board under Section 53E-6-604.

300 (11) (a) Each charter school shall register and maintain the charter school's registration
301 as a limited purpose entity, in accordance with Section 67-1a-15.

302 (b) A charter school that fails to comply with Subsection (11)(a) or Section 67-1a-15 is
303 subject to enforcement by the state auditor, in accordance with Section 67-3-1.

304 (c) If a charter school is an operating charter school with affiliated satellite charter
305 schools, as defined in Section 53G-5-303:

- 306 (i) the operating charter school shall register as a limited purpose entity as defined in

Section 67-1a-15;

(ii) each affiliated satellite charter school is not required to register separately from the operating charter school; and

(iii) the operating charter school shall:

(A) register on behalf of each affiliated satellite charter school; and

(B) when submitting entity registry information under Section 67-1a-15 on behalf of each affiliated satellite charter school, identify and distinguish registry information for each affiliated satellite, including the address of each affiliated satellite charter school and the name and contact information of a primary contact for each affiliated satellite charter school.

(12) (a) As used in this Subsection (12), "contracting entity" means a person with which a charter school contracts.

(b) A charter school shall provide to the charter school's authorizer any information or documents requested by the authorizer, including documents held by a subsidiary of the charter school or a contracting entity:

(i) to confirm the charter school's compliance with state or federal law governing the charter school's finances or governance; or

(ii) to carry out the authorizer's statutory obligations, including liquidation and assignment of assets, and payment of debt in accordance with state board rule, as described in Section 53G-5-504.

(c) A charter school shall comply with a request described in Subsection (12)(b), including after an authorizer recommends closure of the charter school or terminates the charter school's contract.

(d) Documents held by a contracting entity or subsidiary of a charter school that are necessary to demonstrate the charter school's compliance with state or federal law are the property of the charter school.

(e) A charter school shall include in an agreement with a subsidiary of the charter school or a contracting entity a provision that stipulates that documents held by the subsidiary or a contracting entity, that are necessary to demonstrate the charter school's financial compliance with federal or state law, are the property of the charter school.

(13) For each grading period and for each course in which a student is enrolled, a charter school shall issue a grade to the student:

(a) that reflects the student's work for the grading period; and

(b) in accordance with the charter school's adopted grading standards and criteria.

(14) A charter school shall:

(a) make curriculum that the charter school uses readily accessible and available for a parent to view;

(b) annually notify a parent of a student enrolled in the charter school of how to access the information described in Subsection (14)(a); and

(c) include on the charter school's website information about how to access the information described in Subsection (14)(a).

Section 4. Section **53G-6-804** is enacted to read:

53G-6-804. Parent access to learning management system for online courses -- Training.

(1) As used in this section:

(a) "Learning Management System" means a software application for the administration, documentation, tracking, reporting, automation, or delivery of an online course.

(b) "Online course" means a course that an LEA provides to a student over the Internet.

(2) An LEA that uses a learning management system for an online course shall provide:

(a) to the parent of a student enrolled in the online course, access to the learning management system, including, at a minimum:

(i) the curriculum used for the course; and

(ii) information about the progress and learning of the parent's student, including assessment results; and

(b) to a student enrolled in the course and the student's parent, training or orientation to help the student and student's parent understand how to access:

(i) the learning management system;

(ii) the online course; and

(iii) any online tools used to deliver the online course or instruction.
