12	unobligated balance on June 30, 2025, of federal receipts received by the Department of	
13	Corrections through manday billings.	
14	It is the intent of the legislature the State of Alaska, through the Department of Corrections	
15	(DOC), no longer covers the full cost of unsentenced federal inmates housed in State	
16	facilities. The legislature urges the Department to coordinate with the Department of Law to	
17	either receive adequate daily funding for federal inmates housed in State facilities or to	
18	determine a method for them to be housed at a federal or private facility until court hearings.	
19	DOC and Department of Law shall then submit a joint response to the Co-chairs of the	
20	Finance committees and to the Legislative Finance Division by December 20, 2025, outlining	
21	the determined terms, number of federal inmates housed in State facilities by day in 2025 and

9 It is the intent of the legislature that the Department of Corrections permanently close one
 10 housing unit at Spring Creek Correctional Facility. Closing one unit will allow the
 11 Department to direct personnel resources to other areas of the facility, reduce overtime, and
 12 find efficiencies. The Department shall provide a report to the Co-chairs of the Finance
 13 committees and to the Legislative Finance Division by December 20, 2025, detailing the
 14 efforts taken towards closing a housing unit, and resulting cost savings and efficiencies.

28 It is the intent of the legislature that the Department of Corrections continue the reform of the
 29 Regional and Community Jails program. Since the program's inception, public safety has
 30 changed in the state and jails are not utilized to the same extent. Therefore, the Department
 31 should renegotiate FY27 contracts by reducing the bed count by two-thirds if the individual

community's unused bed rate was over sixty percent, when FY24 and FY25 are averaged, and any other corresponding costs. This realignment prevents closures and allows communities to maintain a jail with a more appropriate bed count and cost to the State. The Department shall issue a status report to the to the Co-chairs of the Finance committees and to the Legislative Finance Division by December 20, 2025.

It is the intent of the legislature the State of Alaska no longer cover the full cost of housing unsentenced federal inmates in State facilities. Therefore, the legislature urges the Department of Law to work with the Department of Corrections and federal agencies to either receive adequate daily funding for federal inmates housed in State facilities or to determine a method for them to be housed at a federal or private facility until court hearings. Law and DOC shall submit a joint response to the Co-chairs of the Finance committees and to the Legislative Finance Division by December 20, 2025, outlining the determined terms, number of federal inmates housed in State facilities by month in 2025 and the final cost associated to the State, if any.

It is the intent of the legislature to direct public safety funds to areas of the state that do not have the tax base to provide needed policing services to their communities. The Department of Public Safety executives are urged to meet with officials from three organized, non-unified boroughs in the state, Kenai Peninsula, Fairbanks North Star and Matanuska-Susitna, who do not currently offer adequate local public safety services and encourage them to take the steps necessary to police their respective boroughs rather than relying on the State to provide those services. The Department shall submit a full response to the Co-chairs of the Finance committees and to the Legislative Finance Division by December 20, 2025, outlining the communication, feedback or actions taken by each borough.
