

115TH CONGRESS 2D SESSION

H. R. 6707

To establish certain standards for the adjudication of United States passport applications, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

SEPTEMBER 5, 2018

Mr. Gonzalez of Texas (for himself, Mr. Gomez, and Mr. Espaillat) introduced the following bill; which was referred to the Committee on Foreign Affairs

A BILL

To establish certain standards for the adjudication of United States passport applications, and for other purposes.

- 1 Be it enacted by the Senate and House of Representa-
- 2 tives of the United States of America in Congress assembled,
- 3 SECTION 1. SHORT TITLE.
- 4 This Act may be cited as the "Western Hemisphere
- 5 Travel Initiative Improvement Act of 2018".
- 6 SEC. 2. FINDINGS; DEFINITION.
- 7 (a) FINDINGS.—Congress finds the following:
- 8 (1) All claims of United States citizenship and
- 9 nationality must be treated with the utmost respect
- and care, with adherence to procedures necessary

- and sufficient to guard against the serious risk of United States citizens and nationals being deprived of the rights, privileges, and benefits attendant to such citizenship and nationality or the denial of valid claims thereto.
 - (2) The right to travel abroad and return home is an important and protected element of United States citizenship. This right should not be denied on the basis of race or ancestry or for reasons that are arbitrary and capricious.
 - (3) Millions of United States citizens live in United States border communities and regularly cross the border for family, work, business, and personal reasons, and passports or other conforming documents are required to do so.
 - (4) In recent years, certain United States citizens living or born in States bordering Mexico have been formally or effectively denied United States passports as a result of a process that often lacks due process, imposes a heightened burden of proof on certain passport applicants, and results in decisions that are inadequately supported by an evidentiary record.
- (b) Definitions.—

- (1) IN GENERAL.—An applicant shall establish by a preponderance of the evidence at all stages of the passport application adjudicatory process, including in proceedings under section 360 of the Immigration and Nationality Act (8 U.S.C. 1503), that such applicant is a United States citizen or national.
- (2) PROHIBITION.—The Secretary shall not utilize or apply any heightened burden of proof when evaluating the citizenship or nationality of an applicant and shall apply such preponderance of the evidence standard required under paragraph (1) in a uniform and consistent manner to all passport applications.
- (3) Writing.—Any determination by the Secretary that an applicant has not met the burden of proving United States citizenship or nationality by a preponderance of the evidence shall be made in writing, state the reasons for the Secretary's determination, and be provided to the applicant in a timely manner.

- 1 (c) ACCEPTANCE OF CERTAIN EVIDENCE.—A birth
- 2 certificate signed by a midwife, doctor, or other person au-
- 3 thorized under State law to sign such a document, or a
- 4 previously issued United States passport, shall constitute
- 5 prima facie evidence of United States citizenship or na-
- 6 tionality and, absent individualized evidence that a birth
- 7 did not take place in the United States, shall satisfy the
- 8 preponderance of the evidence standard for demonstrating
- 9 an applicant's United States citizenship or nationality.
