A BILL TO BE ENTITLED
AN ACT TO ESTABLISH A PILOT PROGRAM TO IMPLEMENT SOCIAL AND
EMOTIONAL LEARNING CURRICULUM IN KINDERGARTEN CLASSROOMS.

Whereas, decades of scientific research show social and emotional learning (SEL) is highly correlated with significant and sustained academic success and improved behavior; and

Whereas, SEL can have a long-term, positive impact through adulthood, including decreasing the likelihood of being on a waiting list for or living in public housing, receiving public assistance, being involved with police before adulthood, and spending time in a detention facility; and

Whereas, many preschool teachers in North Carolina are trained in evidence-based practices to support social and emotional learning and student development in this area using the Preschool Pyramid Model of the Department of Public Instruction; and

Whereas, kindergarten teachers are often not prepared to support the social and emotional well-being of students; and

Whereas, establishing evidence-based SEL practices in kindergarten will better prepare teachers and provide alignment and continuity for children when they transition into kindergarten; and

Whereas, the Department of Public Instruction currently recognizes 37 local school administrative units with at least 135 practitioner coaches and 365 teachers using the Preschool Pyramid Model, which is only thirty-two percent (32%) of local school administrative units and seventeen percent (17%) of preschools operated by local school administrative units; Now, therefore,

The General Assembly of North Carolina enacts:

SECTION 1. Pilot Program; Purpose. – The Department of Public Instruction shall establish the Kindergarten Social and Emotional Learning Pilot Program (Program) for the 2021-2023 fiscal biennium. The purpose of the Program is to support and promote the expansion of the existing social and emotional learning (SEL) curriculum from the NC Preschool Pyramid Model used in preschool classrooms into kindergarten classrooms.

SECTION 2. Definitions. – The following definitions shall apply in this act:
