1 FOR AN ACT ENTITLED, An Act to revise certain provisions regarding health coverage for
2 applied behavior analysis.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

4 Section 1. That § 58-17-154 be amended to read:

5 58-17-154. Terms used in §§ 58-17-155 to 58-17-162, inclusive, mean:

- 6 (1) "Applied behavior analysis," the design, implementation, and evaluation of
7 environmental modifications, using behavioral stimuli and consequences, to produce
8 socially significant improvement in human behavior, including the use of direct
9 observation, measurement, and functional analysis of the relationship between
10 environment and behavior;
- 11 (2) "Autism spectrum disorder," a complex neurodevelopmental medical disorder
12 characterized by social impairment, communication difficulties, and restricted,
13 repetitive, and stereotyped patterns of behavior;

(3) "Behavioral health treatment," evidence-based interventions that:

(a) Achieve specific improvements in functional capacity of a person; and

(b) Are provided or supervised by a licensed ~~or certified~~ practitioner as provided in § 58-17-159;

(4) "Treatment," evidence-based care which is prescribed or ordered for a person diagnosed with an autism spectrum disorder by a licensed physician or psychologist, including:

(a) Behavioral health treatment;

(b) Pharmacy care; and

(c) Therapeutic care.

Section 2. That § 58-17-159 be amended to read:

58-17-159. Any person who performs or supervises applied behavior analysis shall:

(1) Be licensed by the South Dakota Board of Medical and Osteopathic Examiners or the Board of Examiners of Psychologists and have documented training and competence in applied behavior analysis; or

(2) ~~Have a master's degree or a doctoral degree and be certified by the National Behavior Analyst Certification Board with a designation of board-certified behavior analyst~~ Be licensed by the South Dakota Board of Social Workers as a licensed behavior analyst.
