SECTION 8.(d) G.S. 120-4.27 reads as rewritten:

"§ 120-4.27. **Death benefit while in service; fully contributory death benefit for retirees.**

(a) The designated beneficiary of a member who dies while in service after completing one year of creditable service shall receive a lump-sum payment of an amount equal to the deceased member's highest annual salary, to a maximum of fifteen thousand dollars (\$15,000). For purposes of this death benefit "in service" means currently serving as a member of the North Carolina General Assembly. "In service" also means service in the Uniformed Services, as that term is defined in section 4303(16) of the Uniformed Services Employment and Reemployment Rights Act, Public Law 103-353, if that service begins during the member's term of office. If the participant does not return immediately after that service to employment with a covered employer in this Retirement System, then the participant shall be deemed "in service" until the date on which the participant was first eligible to be separated or released from his or her involuntary military service.

The death benefit provided by this section shall be designated a group life insurance benefit payable under an employee welfare benefit plan that is separate and apart from the Retirement System but under which the members of the Retirement System shall participate and be eligible for group life insurance benefits. The Board of Trustees is authorized to provide the death benefit in the form of group life insurance either by purchasing a contract or contracts of group life insurance with any life insurance company or companies licensed and authorized to transact business in the State of North Carolina for the purpose of insuring the lives of qualified members in service, or by establishing or affiliating with a separate trust fund.

Upon receipt of proof, satisfactory to the Board of Trustees, of the death of a retired member of the Retirement System or Retirement Fund on or after July 1, 1988, but before January 1, 1999, there shall be paid a death benefit to the surviving spouse of a deceased retired member, or to the deceased retired member's legal representative if not survived by a spouse; provided the retired member has elected, when first eligible, to make, and has continuously made, in advance of his death required contributions as determined by the Retirement System on a fully contributory basis, through retirement allowance deductions or other methods adopted by the Retirement System, to a group death benefit trust fund administered by the Board of Trustees separate and apart from the Retirement System's Annuity Savings Fund and Pension Accumulation Fund. This death benefit shall be a lump sum payment in the amount of five thousand dollars (\$5,000) upon the completion of twenty four months of contributions required under this subsection. Should death occur before the completion of twenty four months of contributions required under this subsection, the deceased retired member's surviving spouse or legal representative if not survived by a spouse shall be paid the sum of the retired member's contributions required by this subsection plus interest to be determined by the Board of Trustees.

Upon receipt of proof, satisfactory to the Board of Trustees, of the death of a retired member of the Retirement System or Retirement Fund on or after January 1, 1999, but before July 1, 2004, there shall be paid a death benefit to the surviving spouse of a deceased retired member, or to the deceased retired member's legal representative if not survived by a spouse; provided the retired member has elected, when first eligible, to make, and has continuously made, in advance of his death required contributions as determined by the Retirement System on a fully contributory basis, through retirement allowance deductions or other methods adopted by the Retirement System, to a group death benefit trust fund administered by the Board of Trustees separate and apart from the Retirement System's Annuity Savings Fund and Pension Accumulation Fund. This death benefit shall be a lump sum payment in the amount of six thousand dollars (\$6,000) upon the completion of 24 months of contributions required under this

subsection. Should death occur before the completion of 24 months of contributions required under this subsection, the deceased retired member's surviving spouse or legal representative if not survived by a spouse shall be paid the sum of the retired member's contributions required by this subsection plus interest to be determined by the Board of Trustees.

Upon receipt of proof, satisfactory to the Board of Trustees, of the death of a retired member of the Retirement System or Retirement Fund on or after July 1, 2004, but before July 1, 2007, there shall be paid a death benefit to the surviving spouse of a deceased retired member, or to the deceased retired member's legal representative if not survived by a spouse; provided the retired member has elected, when first eligible, to make, and has continuously made, in advance of his death required contributions as determined by the Retirement System on a fully contributory basis, through retirement allowance deductions or other methods adopted by the Retirement System, to a group death benefit trust fund administered by the Board of Trustees separate and apart from the Retirement System's Annuity Savings Fund and Pension Accumulation Fund. This death benefit shall be a lump sum payment in the amount of nine thousand dollars (\$9,000) upon the completion of 24 months of contributions required under this subsection. Should death occur before the completion of 24 months of contributions required under this subsection, the deceased retired member's surviving spouse or legal representative if not survived by a spouse shall be paid the sum of the retired member's contributions required by this subsection plus interest to be determined by the Board of Trustees.

Upon receipt of proof, satisfactory to the Board of Trustees, of the death of a retired member of the Retirement System or Retirement Fund on or after July 1, 2007, but before January 1, 2015, there shall be paid a death benefit to the surviving spouse of a deceased retired member, or to the deceased retired member's legal representative if not survived by a spouse; provided the retired member has elected, when first eligible, to make, and has continuously made, in advance of his death required contributions as determined by the Retirement System on a fully contributory basis, through retirement allowance deductions or other methods adopted by the Retirement System, to a group death benefit trust fund administered by the Board of Trustees separate and apart from the Retirement System's Annuity Savings Fund and Pension Accumulation Fund. This death benefit shall be a lump sum payment in the amount of ten thousand dollars (\$10,000) upon the completion of 24 months of contributions required under this subsection. Should death occur before the completion of 24 months of contributions required under this subsection, the deceased retired member's surviving spouse or legal representative if not survived by a spouse shall be paid the sum of the retired member's contributions required by this subsection plus interest to be determined by the Board of Trustees.

Upon receipt of proof, satisfactory to the Board of Trustees, of the death of a retired member of the Retirement System or Retirement Fund on or after January 1, 2015, there

(b) All retired members may elect to participate in a fully contributory death benefit for retirees. All of the following apply to the fully contributory death benefit for retirees:

(1) Elections to participate in the fully contributory death benefit for retirees shall be made prior to the member's death and no later than 60 calendar days from the effective date of the member's retirement. Elections shall be received by the Board of Trustees prior to the death of the retired member.

(2) Retired members electing to receive a fully contributory death benefit under this subsection shall continuously pay monthly premiums on a fully contributory basis, as determined by the Board of Trustees. Premium payments shall be made through retirement allowance deductions or other methods adopted by the Board of Trustees.

(3) If a retired member who has elected to receive a fully contributory death benefit under this subsection dies, then, upon receipt of proof of the death that is satisfactory to the Board of Trustees, a lump sum death benefit amount shall be paid a death benefit to the person or persons beneficiary or beneficiaries

designated by the member or, if not survived by a designated beneficiary, member. If no beneficiary is designated or living, then the death benefit shall be paid to the deceased retired member's legal representative; provided the retired member has elected, when first eligible, to make, and has continuously made, in advance of the member's death required contributions as determined by the Retirement System on a fully contributory basis, through retirement allowance deductions or other methods adopted by the Retirement System, to a group death benefit trust fund, the North Carolina Teachers' and State Employees' Benefit Trust, administered by the Board of Trustees separate and apart from the Retirement System's Annuity Savings Fund and Pension Accumulation Fund. Employer and non-employer contributions to the Benefit Trust and earnings on those contributions are irrevocable. The assets of the Benefit Trust are dedicated to providing benefits to members and beneficiaries in accordance with the Plan's benefit terms. The assets of the Benefit Trust are not subject to the claims of creditors of the employees and non-employees making contributions to the Benefit Trust, are not subject to the claims of any creditors of the Benefit Trust's trustees and administrators, and are not subject to the claims of creditors of members and beneficiaries. Benefit Trust assets may be used for reasonable expenses to administer benefits provided by the Fund as approved by the Board of Trustees representative.

(4) A member shall designate a beneficiary or beneficiaries for the death benefit payable under this subsection by electronic submission in a form approved by the Board of Trustees or by written designation duly acknowledged and filed with the Board of Trustees.

(5) The amount of the lump sum fully contributory death benefit payable under this subsection shall be a lump sum payment in the amount of is one of the following:

a. If the death occurred on or after the first day of the twenty-fifth month of coverage under this subsection, then the amount payable is ten thousand dollars (\$10,000) upon the completion of 24 months of contributions required under this subsection. Should death occur (\$10,000).

b. If the death occurred before the completion of 24 months of contributions required under this subsection, the deceased retired member's designated beneficiary or beneficiaries, or legal representative if not survived by a designated beneficiary, shall be paid first day of the twenty-fifth month of coverage under this subsection, then the amount payable is the sum of the retired member's contributions required by premium payments made in accordance with this subsection plus interest in an amount to be determined by the Board of Trustees."

PART V. TECHNICAL AND CONFORMING CHANGES RELATED TO RECODIFICATION AND STANDARDIZATION

SECTION 9.(a) G.S. 135-5(m) reads as rewritten:
