2 and Tourism, referred to in this Chapter as the "department", as more
3 specifically provided in this Chapter.

4 B. The museum shall be a historical, cultural, scientific, and
5 technological institution whose primary purpose shall be to research, collect,
6 preserve, and present, as an educational resource, the pictures and
7 photographs, documents, artifacts, objects of art, and the like that reflect the
8 social, cultural, and economic history of the pumping station and water supply
9 related artifacts of Louisiana.

10 §380.102. Operating funds; appropriations by the legislature

11 A. The department shall include in its annual budget request, required

20 C.(1) If sufficient funds necessary for the operation of the museum are
21 not appropriated by the legislature, and funds from other local, public, or
22 private sources are not available for this purpose, the department is authorized
