

115TH CONGRESS
1ST SESSION

H. R. 4021

To amend title 49, United States Code, to provide funding for public transportation services offered by high-performing public and private systems, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

OCTOBER 11, 2017

Mr. PERRY introduced the following bill; which was referred to the Committee on Transportation and Infrastructure

A BILL

To amend title 49, United States Code, to provide funding for public transportation services offered by high-performing public and private systems, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Leveraging Perform-
5 ance-Based Transportation Services Act of 2017”.

1 **SEC. 2. FUNDING FOR CAPITAL PROJECTS OF LEVERAGED**
2 **SYSTEMS.**

3 (a) NATIONAL TRANSIT DATABASE.—Section 5335
4 of title 49, United States Code, is amended by adding at
5 the end the following:

6 “(d) DIRECT REPORTING BY LEVERAGED SYS-
7 TEMS.—

8 “(1) IN GENERAL.—An owner or operator of a
9 leveraged system may submit directly to the Na-
10 tional Transit Database data regarding the public
11 transportation service provided by the system.

12 “(2) NOTICE TO DESIGNATED RECIPIENT.—On
13 the date of a submission under paragraph (1), the
14 owner or operator of a leveraged system shall pro-
15 vide to the appropriate designated recipient under
16 section 5307, 5311, or 5339 and metropolitan plan-
17 ning organization a copy of the submission.

18 “(3) LEVERAGED SYSTEM DEFINED.—In this
19 subsection, the term ‘leveraged system’ means a pro-
20 vider of public transportation services, whether pub-
21 lic or private, including commuter bus services and
22 including services provided by a private provider of
23 public transportation by vanpool (as defined in sec-
24 tion 5323(i)(2)(C)), that the Secretary determines—

25 “(A) is able to recover, through fare rev-
26 enue or payments made directly by the pro-

1 vider, all operating costs associated with the
2 services;

3 “(B) meets the requirements of the Fed-
4 eral Transit Administration with respect to the
5 provision of the services; and

6 “(C) does not, through the provision of the
7 services, negatively impact other publicly sub-
8 sidized or privately provided public transpor-
9 tation services.”.

10 (b) LEVERAGING TRANSIT SERVICES.—Section 5315
11 of title 49, United States Code, is amended—

12 (1) by redesignating subsection (d) as sub-
13 section (e); and

14 (2) by inserting after subsection (c) the fol-
15 lowing:

16 “(d) LEVERAGING TRANSIT SERVICES.—

17 “(1) PASSTHROUGH.—

18 “(A) APPORTIONMENTS.—The data sub-
19 mitted by the owner or operator of a leveraged
20 system to the National Transit Database under
21 section 5335(d) shall be used by the Secretary
22 in calculating apportionments for capital pay-
23 ments under each of sections 5307, 5311, and
24 5339.

1 “(B) AGREEMENTS.—A designated recipi-
2 ent that receives additional amounts in appor-
3 tionments for a fiscal year as a result of data
4 submitted to the National Transit Database by
5 the owner or operator of a leveraged system
6 under section 5335(d) shall enter into an agree-
7 ment with the owner or operator that includes
8 assurances that not less than 90 percent of the
9 additional amounts will be transferred to the
10 owner or operator if the owner or operator dem-
11 onstrates that the transferred amounts will be
12 used for capital expenditures to expand public
13 transportation services meeting the require-
14 ments of paragraph (2) in the geographic area
15 represented by the designated recipient.

16 “(2) SERVICES.—A public transportation serv-
17 ice meets the requirements of this paragraph un-
18 less—

19 “(A) the service—

20 “(i) overlaps or directly competes with
21 a service provided by the designated recipi-
22 ent concerned; and

23 “(ii) has a direct effect on such serv-
24 ice, including a projected ridership reduc-

tion of more than 3 percent along a corridor served by the designated recipient; or

“(B) the service is provided by a service provider that has less than 10 vehicles serving the recipient’s designated area.

“(3) LOCAL CONSENT.—

“(A) OPPORTUNITY TO OBJECT.—During the 30-day period beginning on the date the owner or operator of a leveraged system submits data to the National Transit Database under section 5335(d), the metropolitan planning organization representing the geographic area in which the owner or operator proposes to provide expanded public transportation services using amounts made available under this subsection may submit to the Secretary a letter that—

“(i) objects to such use of funds based on a determination by the metropolitan planning organization that the expanded public transportation services do not meet the requirements of paragraph (2); or

“(ii) objects to the use of the data in calculating apportionments based on a determination by the metropolitan planning

1 organization that the owner or operator
2 has not met the requirements of section
3 5335(d).

4 “(B) EFFECT OF OBJECTION.—In carrying
5 out this subsection, the Secretary shall take
6 into account any letter received from a metro-
7 politan planning organization under this para-
8 graph.

9 “(4) STATUTORY CONSTRUCTION.—Nothing in
10 this subsection may be construed—

11 “(A) to allow a designated recipient to dic-
12 tate the service provided by the owner or oper-
13 ator of a leveraged system; or

14 “(B) to authorize the use of funds in a
15 manner that is inconsistent with this chapter.

16 “(5) LEVERAGED SYSTEM DEFINED.—In this
17 subsection, the term ‘leveraged system’ has the
18 meaning given that term in section 5335(d).”.
