

1 AN ACT relating to maternal health.

2 ***Be it enacted by the General Assembly of the Commonwealth of Kentucky:***

3 ➔ Section 1. KRS 211.680 is amended to read as follows:

4 ~~[The Kentucky General Assembly declares that the purpose of KRS 211.680 to 211.686~~
5 ~~and KRS 72.029 is to reduce the number of child and maternal fatalities.]~~ The **Kentucky**

6 General Assembly finds **and declares the following:**

7 **(1)** That establishing priorities and developing programs to prevent child and maternal
8 fatalities requires the:

9 **(a)**~~[(1)]~~ Accurate determination of the cause and manner of death;

10 **(b)**~~[(2)]~~ Cooperation and communication among agencies responsible for the
11 investigation of child and maternal fatalities; and

12 **(c)**~~[(3)]~~ Collection and analysis of data to:

13 **1.**~~[(a)]~~ Identify trends, patterns, and risk factors; and

14 **2.**~~[(b)]~~ Evaluate the effectiveness of prevention and intervention strategies;~~[-]~~

15 **(2)** **Every person should be entitled to dignity and respect during and after pregnancy**
16 **and childbirth, and patients should receive the best care possible regardless of**
17 **their race, age, class, sexual orientation, disability, language proficiency,**
18 **nationality, or religion;**

19 **(3)** **The United States has had one of the highest maternal mortality rates in the**
20 **developed world for over two (2) decades;**

21 **(4)** **For women of color, particularly black women, the maternal mortality rate**
22 **remains two (2) to three (3) times higher than white women both in the United**
23 **States and in Kentucky;**

24 **(5)** **Kentucky has a responsibility to decrease the number of preventable maternal**
25 **deaths;**

26 **(6)** **Access to prenatal care, socioeconomic status, and general physical health do not**
27 **fully explain the disparity seen in black women's maternal mortality and**

1 **morbidity rates; there is a growing body of evidence that black women are often**
2 **treated unfairly and unequally in the health care system; and**
3 **(7) Implicit bias is a key cause that drives health disparities in communities of color.**

4 ➔ Section 2. KRS 211.684 is amended to read as follows:

5 (1) For the purposes of KRS Chapter 211:

6 (a) "Child fatality" means the death of a person under the age of eighteen (18)
7 years;

8 (b) "Local child and maternal fatality response team" and "local team" means a
9 community team composed of representatives of agencies, offices, and
10 institutions that investigate child and maternal deaths, including but not
11 limited to, coroners, social service workers, medical professionals, law
12 enforcement officials, and Commonwealth's and county attorneys; and

13 (c) "Maternal fatality" means the death of a woman within one (1) year of giving
14 birth.

15 (2) The Department for Public Health **shall** ~~may~~ establish a state child and maternal
16 fatality review team. The state team may include representatives of public health,
17 social services, law enforcement, prosecution, coroners, health-care providers, and
18 other agencies or professions deemed appropriate by the commissioner of the
19 department.

20 (3) ~~If a state team is created,~~ The duties of the state team **shall** ~~may~~ include the
21 following:

22 (a) Develop and distribute a model protocol for local child and maternal fatality
23 response teams for the investigation of child and maternal fatalities;

24 (b) Facilitate the development of local child and maternal fatality response teams
25 which may include, but is not limited to, providing joint training opportunities
26 and, upon request, providing technical assistance;

27 (c) Review and approve local protocols prepared and submitted by local teams;

- 1 (d) Receive data and information on child and maternal fatalities and analyze the
2 information to identify trends, patterns, and risk factors;
- 3 (e) Evaluate the effectiveness of prevention and intervention strategies adopted;
4 and
- 5 (f) Recommend changes in state programs, legislation, administrative regulations,
6 policies, budgets, and treatment and service standards which may facilitate
7 strategies for prevention and reduce the number of child and maternal
8 fatalities.

9 (4) The department shall prepare an annual report to be submitted no later than
10 November 1 of each year to the Governor, the Child Welfare Oversight and
11 Advisory Committee established in KRS 6.943, the Chief Justice of the Kentucky
12 Supreme Court, and to be made available to the citizens of the Commonwealth. The
13 report shall include a statistical analysis of the incidence and causes of child and
14 maternal fatalities in the Commonwealth during the past fiscal year and
15 recommendations for action. The report shall not include any information which
16 would identify specific child and maternal fatality cases.

17 ➔Section 3. KRS 211.686 is amended to read as follows:

- 18 (1) A local child and maternal fatality response team ~~shall~~may be established in every
19 county or group of contiguous counties by the coroner or coroners with jurisdiction
20 in the county or counties. The local coroner may authorize the creation of additional
21 local teams within the coroner's jurisdiction as needed.
- 22 (2) Membership of the local team may include representatives of the coroner, the local
23 office of the Department for Community Based Services, law enforcement agencies
24 with investigation responsibilities for child and maternal fatalities which occur
25 within the jurisdiction of the local team, the Commonwealth's and county attorneys,
26 representatives of the medical profession, and other members whose participation
27 the local team believes is important to carry out its purpose. Each local team

1 member shall be appointed by the agency the member is representing and shall
2 serve at the pleasure of the appointing authority.

3 (3) The purpose of the local child and maternal fatality response team shall be to:

4 (a) Allow each member to share specific and unique information with the local
5 team;

6 (b) Generate overall investigative direction and emphasis through team
7 coordination and sharing of specialized information;

8 (c) Create a body of information that will assist in the coroner's effort to
9 accurately identify the cause and reasons for death; and

10 (d) Facilitate the appropriate response by each member agency to the fatality,
11 including but not limited to, intervention on behalf of others who may be
12 adversely affected by the situation, implementation of health services
13 necessary for protection of other citizens, further investigation by law
14 enforcement, or legal action by Commonwealth's or county attorneys.

15 (4) The local team shall~~may~~:

16 (a) Analyze information regarding local child and maternal fatalities to identify
17 trends, patterns, and risk factors;

18 (b) Recommend to the state team, and any other entities deemed appropriate,
19 changes in state or local programs, legislation, administrative regulations,
20 policies, budgets, and treatment and service standards which may facilitate
21 strategies for prevention and reduce the number of child and maternal
22 fatalities; and

23 (c) Evaluate the effectiveness of local prevention and intervention strategies.

24 (5) The local team may establish a protocol for the investigation of child and maternal
25 fatalities and may establish operating rules and procedures as it deems necessary to
26 carry out the purposes of this section.

27 (6) The review of a child and maternal fatality by a local team may include information

1 from reports generated or received by agencies, organizations, or individuals that
2 are responsible for investigation, prosecution, or treatment in the case.

3 (7) The proceedings, records, opinions, and deliberations of the local team shall be
4 privileged and shall not be subject to discovery, subpoena, or introduction into
5 evidence in any civil action in any manner that would directly or indirectly identify
6 specific persons or cases reviewed by the local team. Nothing in this subsection
7 shall be construed to restrict or limit the right to discover or use in any civil action
8 any evidence that is discoverable independent of the proceedings of the local team.

9 ➔SECTION 4. A NEW SECTION OF KRS CHAPTER 211 IS CREATED TO
10 READ AS FOLLOWS:

11 **As used in Sections 4 to 8 of this Act:**

12 **(1) "Implicit bias" means a bias in judgment or behavior that results from subtle**
13 **cognitive processes, including implicit prejudice and implicit stereotypes that**
14 **often operate at a level below conscious awareness and without intentional**
15 **control;**

16 **(2) "Implicit prejudice" means prejudicial negative feelings or beliefs about a group**
17 **that a person holds without being aware of them;**

18 **(3) "Implicit stereotypes" means the unconscious attributions of particular qualities**

20 **based on learned associations between various qualities and social categories,**
21 **including race or gender;**

22 **(4) "Perinatal care" means the provision of care during pregnancy, labor, delivery,**
23 **and postpartum and neonatal periods; and**

24 **(5) "Pregnancy-related death" means the death of a person while pregnant or within**
25 **three hundred and sixty five (365) days of the end of a pregnancy, irrespective of**
26 **the duration or site of the pregnancy, from any cause related to, or aggravated by,**
27 **the pregnancy or its management, but not from accidental or incidental causes.**

1 ➔ SECTION 5. A NEW SECTION OF KRS CHAPTER 211 IS CREATED TO
2 READ AS FOLLOWS:

3 (1) A health facility licensed under KRS Chapter 216B that provides perinatal care
4 shall provide each patient, upon admission or as soon thereafter as reasonably
5 practical, written information regarding the patient's right to the following:

6 (a) To be informed of continuing health care requirements following discharge
7 from the hospital;

8 (b) To be informed that, if the patient so authorizes, a friend or family member
9 may be provided information about the patient's continuing health care
10 requirements following discharge from the hospital;

11 (c) To participate actively in decisions regarding medical care and the right to
12 refuse treatment;

13 (d) To appropriate pain assessment and treatment;

14 (e) To be free of discrimination on the basis of race, color, religion, ancestry,
15 national origin, disability, medical condition, genetic information, marital
16 status, sex, gender, sexual orientation, citizenship, or primary language;
17 and

18 (f) To information on how to file a grievance with the following:

19 1. The Kentucky Board of Medical Licensure, in accordance with KRS
20 311.591; and

21 2. The Kentucky Commission on Human Rights.

22 (2) A hospital may include the information required by subsection (1) of this section
23 with other notices to the patient regarding patient rights.

24 ➔ SECTION 6. A NEW SECTION OF KRS CHAPTER 211 IS CREATED TO
25 READ AS FOLLOWS:

26 (1) A health facility licensed under KRS Chapter 216B that provides perinatal care
27 shall implement an evidence-based implicit bias program for all health care

1 providers involved in the perinatal care of patients within those facilities.

2 (2) An implicit bias program implemented pursuant to subsection (1) of this section
3 shall include all of the following:

4 (a) Identification of previous or current unconscious biases and
5 misinformation;

6 (b) Identification of personal, interpersonal, institutional, structural, and
7 cultural barriers to inclusion;

8 (c) Corrective measures to decrease implicit bias at the interpersonal and
9 institutional levels, including ongoing policies that do not center the patient
10 or that no longer support best practices within the field;

11 (d) Information on the ongoing personal effects of intergenerational trauma
12 and oppression of communities of color;

13 (e) Information about understanding cultural trauma, racism, and centering
14 the complex identity of the pregnant person;

15 (f) Strategies to foster effective communication between client and physician by
16 employing a range of positive communication techniques;

17 (g) Discussion of the impact of the power dynamics and organizational decision
18 making on implicit bias;

19 (h) Discussion on health inequities within the perinatal care field, including
20 information on how implicit bias impacts maternal and infant health
21 outcomes;

22 (i) Perspectives of diverse, local constituency groups, and experts on particular
23 racial, identity, cultural, and provider-community relations issues in the
24 community; and

25 (j) Information on reproductive justice and understanding of the ways that
26 social detriments such as transportation, economic status, mental health,
27 access to adequate information, immigration status, environmental justice,

1 and toxic lead exposure impact reproductive health.

2 (3) (a) A health care provider described in subsection (1) of this section shall
3 complete initial basic training through the implicit bias program based on
4 the components described in subsection (2) of this section.

5 (b) Upon completion of the initial basic training, a health care provider shall
6 complete a refresher course under the implicit bias program every two (2)
7 years thereafter, or on a more frequent basis if deemed necessary by the
8 facility, in order to keep current with changing racial, identity, and cultural
9 trends, and best practices in decreasing interpersonal and institutional
10 implicit bias.

11 ➔SECTION 7. A NEW SECTION OF KRS CHAPTER 211 IS CREATED TO
12 READ AS FOLLOWS:

13 (1) The Department for Public Health shall track data on maternal death and severe
14 morbidity, including but not limited to all of the following health conditions:

15 (a) Obstetric hemorrhage;

16 (b) Hypertension;

17 (c) Preeclampsia and eclampsia;

18 (d) Venous thromboembolism;

24 (2) The data collected pursuant to subsection (1) of this section shall be published by
25 region, race, and ethnicity on the cabinet's Web site.

26 ➔SECTION 8. A NEW SECTION OF KRS CHAPTER 211 IS CREATED TO
27 READ AS FOLLOWS:

1 (1) As used in this section, "qualified doula" means a birth companion who provides
2 personal, nonmedical support to women and families throughout a woman's
3 pregnancy, childbirth, and postpartum experience and who meets the
4 qualifications set forth by the Cabinet for Health and Family Services by
5 administrative regulations.

6 (2) A qualified doula's scope of practice includes the following:

7 (a) Provides prenatal counseling and assists the woman in preparing for and
8 carrying out her plans for birth;

9 (b) Provides evidence-based information on general health practices pertaining
10 to pregnancy, childbirth, postpartum, newborn health, and family
11 dynamics;

12 (c) Has a general understanding of complications that can arise during
13 pregnancy, labor, and delivery;

14 (d) Provides emotional support, physical comfort measures, and helps the
15 woman get the information she needs to make informed decisions
16 pertaining to childbirth and postpartum;

17 (e) Provides support for the whole birth team, including a woman's partner and
18 family members and hospital staff;

19 (f) Provides evidence-based information on infant feeding;

20 (g) Provides general breastfeeding guidance and resources;

21 (h) Provides infant soothing and coping skills for the new parents;

22 (i) Provides postpartum support and honors cultural and family traditions; and

23 (j) Facilitates and ensures access to resources that can improve birth-related
24 outcomes, including transportation, housing, substance abuse, WIC, SNAP,
25 and intimate partner violence resources.

26 (3) The provisions of KRS 205.560 notwithstanding, the cabinet and any regional
27 managed care partnership or other entity under contract with the cabinet for the

1 administration or provision of the Medicaid program shall provide Medicaid
2 reimbursement for qualified doula services as defined in subsection (1) of this
3 section.

4 (4) The cabinet shall establish reimbursement rates for qualified doula services.

5 (5) The cabinet and any regional managed care partnership or other entity under
6 contract with the cabinet for the administration or provision of the Medicaid
7 program shall study the impact of this section on the health care delivery system
8 in Kentucky and shall, upon implementation, issue an annual report to the
9 Legislative Research Commission. This report shall include an analysis of:

10 (a) The impact of this section on:

11 1. The maternal mortality rate; and

12 2. The infant mortality rate; and

13 (b) The economic impact of this section on the Medicaid budget.

14 (6) The cabinet shall promulgate administrative regulations to establish the
15 qualifications for becoming a qualified doula by January 1, 2021.
