The Lottery Commission shall, no later than 20 days after the end of the month, notify the Department of its unreimbursed expenses from administering the provisions of Article 9 of Chapter 18C of the General Statutes from the previous month. The Department shall reimburse the Lottery Commission from the tax revenues collected under this Article no later than the end of the month in which the Department was notified. The remainder of the net proceeds of the tax collected under this Article are to be credited in the following priority:

...

(3a) Eleven million dollars (\$11,000,000) annually to the Department of Public Instruction to be allocated to eligible public school units to provide salary supplements to all eligible athletic coaches to ensure that each eligible athletic coach receives a total annual salary supplement for serving as an athletic coach of at least three thousand dollars (\$3,000) in State and non-State funds. An eligible public school unit that provided non-State funds for salary supplements for athletic coaches in the prior school year shall continue to provide at least that amount of non-State funds for salary supplements for athletic coaches. Any public school unit that supplants funds provided under this subdivision for salary supplements for athletic coaches shall not receive State funds for salary supplements in the subsequent school year.
