7 **SEC. 2. SENSE OF CONGRESS.**

8 It is the sense of Congress that—

9 (1) foreign investment provides substantial eco-
 10 nomic benefits to the United States, including the
 11 promotion of economic growth, productivity, com-
 12 petitiveness, and job creation, and the majority of

1 foreign investment transactions pose little or no risk
2 to the national security of the United States, espe-
3 cially when those investments are truly passive in
4 nature;

5 (2) maintaining the commitment of the United
6 States to open and fair investment policy also en-
7 courages other countries to reciprocate and helps
8 open new foreign markets for United States busi-
9 nesses and their products;

10 (3) it should continue to be the policy of the
11 United States to enthusiastically welcome and sup-
12 port foreign investment, consistent with the protec-
13 tion of national security;

14 (4) at the same time, the national security land-
15 scape has shifted in recent years, and so have the
16 nature of the investments that pose the greatest po-
17 tential risk to national security, which warrants a
18 modernization of the processes and authorities of the
19 Committee on Foreign Investment in the United
20 States;

21 (5) the Committee on Foreign Investment in
22 the United States plays a critical role in protecting
23 the national security of the United States, and,
24 therefore, it is essential that the member agencies of
25 the Committee are adequately resourced and able to

1 hire appropriately qualified individuals in a timely
2 manner, and that those individuals' security clear-
3 ances are processed as a high priority;

4 (6) the President should conduct a more robust
5 international outreach effort to urge and help allies
6 and partners of the United States to establish proc-
7 esses that parallel the Committee on Foreign Invest-
8 ment in the United States to screen foreign invest-
9 ments for national security risks and to facilitate co-
10 ordination; and

11 (7) the President should lead a collaborative ef-
12 fort with allies and partners of the United States to
13 develop a new, stronger multilateral export control
14 regime, aimed to address the unprecedented indus-
15 trial policies of certain countries of special concern,
16 including aggressive efforts to acquire United States
17 technology, and the blending of civil and military
18 programs.

19 **SEC. 3. DEFINITIONS.**

22 covered transaction for which a written notice
23 under clause (i) of subsection (b)(1)(C) or dec-
