3. An associate's degree or diploma program in electrical technology or a related field at a college within the Kentucky Community and Technical College System or at an accredited college or university; or

4. Two (2) years of teaching electrical technology or a related field at an accredited college or university~~[c. — An additional two (2) years of verifiable experience in the electrical trade]; and~~

(c) Has achieved a passing score, as set by the department, on all portions of the examination required and administered by the department.

(4) (a) All or part of the experience requirements for licensing under subsection (2) or (3) of this section may be met through applicable supervised military occupational specialty experience while serving in the United States Armed Forces, including but not limited to electrical engineering, electrical power production, electrical repair or maintenance, utilities, electronic systems repair or maintenance, or aircraft electrician experience.

(b) The department shall promulgate administrative regulations pursuant to KRS Chapter 13A that establish an application form for the use of military experience to apply toward licensure experience under subsection (2) or (3) of this section. As part of the application process, the applicant shall be required to provide:

1. A copy of the applicant's DD-214 form showing the applicant's military occupational specialty; or

2. A signed statement by the applicant's commanding officer, on a form provided by the department, attesting to the fact that the applicant

1 *meets the experience requirements of this section.*

- 2 (5) (a) The department shall issue a nonrenewable provisional license as an
3 "electrician" to an applicant who {
4 ~~1. — Is a Kentucky resident; and~~
5 ~~2. —~~ has completed at least six (6) years of verifiable experience and has
6 worked two thousand eighty (2,080) hours a year for those six (6) years
7 in the electrical trade since the applicant's sixteenth birthday.
- 8 (b) A nonrenewable provisional license issued to an applicant under paragraph (a)
9 of this subsection shall be valid for a period not to exceed one (1) year from
10 the date of issuance.
- 11 (c) The department shall issue a license as an electrician to a provisional license
12 holder who has, prior to the expiration of the one (1) year term of the
13 provisional license:
- 14 1. Achieved a passing score on all portions of the examination required
15 and administered by the department under subsection (3)(c) of this
16 section;
- 17 2. Paid to the department the application fee not to exceed fifty dollars
18 (\$50) *per year*; and
- 19 3. Paid to the department the examination fee not to exceed the actual cost
20 of the examination.
- 21 (d) If a provisional license holder does not achieve a passing score on all portions
22 of the examination required and administered under subsection (3)(c) of this
23 section prior to the expiration of the one (1) year term of the provisional
24 license, the provisional license shall expire and the provisional license holder
25 shall be ineligible for any additional provisional licenses. Nothing in this
26 paragraph shall prevent a former provisional license holder from acquiring an
27 electrician's license under subsection (3) of this section.

1 ➔ Section 2. KRS 227A.100 is amended to read as follows:

- 2 (1) Each licensee licensed under the provisions of KRS 227A.010 to 227A.140 shall
3 biennially~~annually~~, on or before the last day of the licensee's birth month in the
4 second year, pay to the department a renewal fee as established in administrative
5 regulations promulgated by the department. Any license issued or renewed on or
6 after the effective date of this Act shall be a biennial license.
- 7 (2) A sixty (60) day grace period shall be allowed after the expiration~~anniversary~~
8 date of the license, during which time a licensee may continue to practice and may
9 renew his or her license upon payment of the renewal fee plus a late renewal fee as
10 promulgated by administrative regulation of the department.
- 11 (3) A license not renewed before the end of the sixty (60) day grace period shall
12 terminate based on the failure of the licensee to renew in a timely manner. Upon
13 termination, the licensee is no longer eligible to practice in the Commonwealth.
- 14 (4) After the sixty (60) day grace period, a former licensee with a terminated license
15 may have the license reinstated upon payment of the renewal fee plus a
16 reinstatement fee as promulgated by administrative regulation of the department.
17 An applicant for reinstatement after termination of the license shall not be required
18 to submit to any examination as a condition for reinstatement, if the reinstatement
19 application is made within three (3) years from the date of termination.
- 20 (5) A suspended license is subject to expiration and termination and shall be renewed
21 as provided in this section. Renewal shall not entitle the licensee to engage in the
22 practice until the suspension has ended or is otherwise removed by the department
23 and the right to practice is restored by the department.
- 24 (6) A revoked license is subject to expiration or termination but may not be renewed. If
25 it is reinstated, the former licensee shall pay the reinstatement fee as promulgated
26 by administrative regulations under subsection (4) of this section and the renewal
27 fee as promulgated by administrative regulations under subsection (1) of this

1 section.

2 (7) The department shall require an applicant for renewal or reinstatement of a license
3 to show evidence of completing at least six (6) hours of continuing education
4 provided by the National Electrical Contractors Association, the Associated
5 Builders and Contractors, the International Brotherhood of Electrical Workers, the
6 Associated General Contractors, the International Association of Electrical
7 Inspectors, the Independent Electrical Contractors Association, the Kentucky
8 Department of Housing, Buildings and Construction, or other provider of
9 instruction approved by the department. The department shall promulgate
10 administrative regulations establishing the content of the programs and the
11 qualifications of the providers.

12 (8) The department shall require, where applicable, that an applicant for renewal or
13 reinstatement of a license submit proof that the applicant has complied with
14 workers' compensation and unemployment insurance laws and regulations and has
15 obtained a general liability insurance policy of not less than five hundred thousand
16 dollars (\$500,000).

17 (9) The department may, through the promulgation of administrative regulations:

18 (a) Establish an inactive license for licensees who are not actively engaging in the
19 electrical business but wish to maintain their license;

20 (b) Reduce license and renewal fees for inactive licensees;~~and~~

21 (c) Waive the requirements established in subsection (8) of this section for
22 inactive licensees; and

23 (d) Issue an electronic license instead of a physical license if requested by the
24 licensee.

25 (10) This section does not apply to provisional licenses issued under Section 1 of this
26 Act.
