38 *Be it enacted by the Legislature of the state of Utah:*

39 Section 1. Section **26-21-36** is enacted to read:

40 **26-21-36. Health care facilities within a hospital system.**

41 (1) As used in this section:

42 (a) "Hospital system" means the same as that term is defined in Section **26-70-101**.

43 (b) "Medical information" means the same as that term is defined in Section

44 **26-70-101**.

45 (2) Beginning July 1, 2025, a health care facility that is owned or operated by a hospital
46 system shall ensure that medical information collected by the health care facility is accessible
47 in accordance with Section **26-70-103**.

48 Section 2. Section **26-70-101** is amended to read:

49 **CHAPTER 70. PATIENT HEALTH RECORD ACCESS**

50 **26-70-101. Definitions.**

51 As used in this chapter:

52 (1) "HIPAA" means the Health Insurance Portability and Accountability Act of 1996,
53 Pub. L. No. 104-191, 110 Stat. 1936, as amended.

54 (2) "Hospital" means:

55 (a) a general acute hospital as defined in Section **26-21-2**; and

56 (b) a specialty hospital as defined in Section **26-21-2**.

(3) "Hospital system" means an entity that owns or operates at least five hospitals that are licensed under Chapter 21, Health Care Facility Licensing and Inspection Act.

(4) "Medical information" means one or more of the following regarding a patient:

(a) for each time the patient is hospitalized:

(i) an admission history and physical exam; or

(ii) a discharge summary;

(b) the health care provider's notes regarding:

(i) an emergency room visit;

(ii) an urgent care visit;

(iii) a primary care outpatient care visit; or

(iv) a consultation office visit;

(c) a radiology report;

(d) a lab report; or

(e) a pathology report.

[2] (5) "Patient" means the individual whose information is being requested.

[3] (6) "Personal representative" means an individual described in 45 C.F.R. Sec. 164.502(g).

Section 3. Section 26-70-103 is enacted to read:

26-70-103. Patient information access by a health care provider.

(1) ~~From July 1, 2025, each hospital system, collectively, shall ensure that a patient's medical information that is created when the patient receives care from the hospital system is accessible to a physician designated by the patient, preferably through the use of single login.~~ **Beginning July 1, 2025, each hospital system shall ensure for a patient receiving care in their hospital that the patient's medical information maintained by all of the hospital systems is accessible to a physician designated by the patient, preferably through the use of single login.**

(2) The department shall facilitate discussions with each hospital system and the One Utah Health Collaborative as to how to best achieve the requirement described in Subsection (1).

(3) The liability protections of Subsection 26-1-37(5) a hospital system's compliance with Subsection (1).

(4) To better improve patient access to the patient's medical information, the department shall communicate with each hospital system and with the One Utah Health Collaborative to determine whether each hospital system, collectively, will create and adopt the

88 same policies regarding one or all of the following:

89 (a) the creation of a published provider directory that contains identifying information
90 of the providers to facilitate interfaces between systems;

91 (b) the establishment of technical specifications that would enable identity verification
92 and authentication both for a patient and a health care provider; and

93 (c) the creation of a consensus data sharing agreement for health care providers and
94 hospitals that is consistent with applicable federal and state laws.

95 (5) The department shall report to the Health and Human Services Interim Committee
96 before November 1, 2023, and again between June 1, 2024, and November 1, 2024, regarding:

97 (a) any progress towards the hospital systems complying with Subsection (1); and

98 (b) whether a consensus has been achieved on any of the items listed in Subsection (4).

99 (6) To better improve a patient's access and control of the patient's own medical
100 information when a patient receives care from more than one hospital system, the department
101 shall communicate with each hospital system and with the One Utah Health Collaborative to
102 determine which policies or projects would best improve:

103 (a) the accuracy of any information that the patient requests to have shared;

104 (b) the completeness of any information that the patient requests to have shared;

105 (c) the security of any information that the patient requests to have shared;

106 (d) the timeliness of any information that the patient requests to have shared;

107 (e) the ability of the patient to block any of the patient's data from being shared; or

108 (f) the ability of the patient to block the patient's data from any individual source from
109 being shared.
