

1 AN ACT relating to veterans.

2 ***Be it enacted by the General Assembly of the Commonwealth of Kentucky:***

3 ➔Section 1. KRS 154.12-330 is amended to read as follows:

4 (1) The Kentucky Economic Development Finance Authority is hereby authorized to  
5 develop and fund a small business loan program to assist new or existing small  
6 businesses operating in the Commonwealth. The authority may lend up to one  
7 hundred thousand dollars (\$100,000) to any eligible small business for acquisition,  
8 construction, expansion, working capital, or any other business expense the  
9 authority deems reasonable to approve.

10 (2) The authority shall determine the terms, conditions, and requirements for loans  
11 issued under this section, including collateral requirements when deemed  
12 reasonable and appropriate. Recognizing that small businesses, while essential for  
13 the economic vitality of the Commonwealth, may have difficulty obtaining  
14 conventional loans, the authority may provide terms that are more lenient, high-risk,  
15 less secure, or otherwise less stringent than industry standards.

16 (3) To be eligible for a loan under this section, a small business shall be engaged in  
17 manufacturing, agribusiness, or service or technology, shall not be engaged  
18 primarily in retail, and shall commit to creating and maintaining at least one (1)  
19 new full-time job above the number existing on the date of application.

20 **(4) The authority shall develop criteria to evaluate loan applications that give**  
21 **investment preference to businesses that:**

22 **(a) Employ veterans at a rate of no less than twenty-five percent (25%) of the**  
23 **business's total number of employees; or**

24 **(b) Are veteran-owned businesses, as defined in KRS 14A.1-070.**

25 **The authority shall use these criteria to make all reasonable efforts to direct at**  
26 **least seven percent (7%) of loaned funds each year to these businesses, provided**  
27 **that the authority receives qualified applications from these businesses that**

1 request at least seven percent (7%) of the total funds budgeted to be loaned each  
2 year.

3 ➔SECTION 2. A NEW SECTION OF KRS CHAPTER 151B IS CREATED TO  
4 READ AS FOLLOWS:

5 (1) The Office of the Kentucky Center for Statistics shall produce a monthly  
6 electronic report that shall:

7 (a) Include workforce need projections which are organized by industry, major  
8 occupational group, geographic region, and necessary credentials or  
9 training;

10 (b) Compare those workforce need projections with existing and projected  
11 workforce availability as well as the availability of necessary credentials in  
12 the Commonwealth;

13 (c) Highlight in-demand industries, occupational groups, and credentials by  
14 geographic region; and

15 (d) Include a list of which in-demand jobs and credentials would leverage the  
16 skills, experience, and credentials possessed by veterans.

17 (2) The office shall, at least once per month, forward this report, underlying data,  
18 and any additional relevant information to:

19 (a) The Kentucky Commission on Military Affairs;

20 (b) Military outplacement offices;

21 (c) Vocational education centers; and

22 (d) Nonprofit programs which connect veterans to jobs.

23 ➔SECTION 3. A NEW SECTION OF SUBCHAPTER 12 OF KRS CHAPTER  
24 154 IS CREATED TO READ AS FOLLOWS:

25 (1) The Kentucky Commission on Military Affairs shall annually review  
26 apprenticeship, training, and other in-state vocational programs focused on  
27 providing job training and placement to returning veterans. This annual review

1       shall compare the costs and outcomes of the reviewed programs.

2       (2) The commission shall use the results of the annual review to develop a series of  
3       recommendations on how to utilize state funding to expand those programs which  
4       receive the most favorable evaluations. The commission shall include an  
5       estimation of the future returns and improved outcomes from proposed program  
6       expansions to the Commonwealth.

7       (3) The commission shall provide an annual report describing its recommendations  
8       from subsection (2) of this section to the Legislative Research Commission for  
9       referral to the Interim Joint Committee on Veterans, Military Affairs, and Public  
10       Protection, the Interim Joint Committee on Licensing, Occupations, and  
11       Administrative Regulations, and the Interim Joint Committee on Economic  
12       Development and Workforce Investment, and to the Office of the Governor to  
13       assist those entities in making annual budget decisions prior to November 1 of  
14       each year for five (5) years after the effective date of this Act.

15       ➔SECTION 4. A NEW SECTION OF SUBCHAPTER 12 OF KRS CHAPTER  
16       154 IS CREATED TO READ AS FOLLOWS:

17       (1) The Kentucky Commission on Military Affairs is directed to review all state  
18       occupational licenses for which military members may have relevant training or  
19       experience and to produce a report recommending steps that can be taken to  
20       increase the recognition of military training and experience towards in-state  
21       licensing within one (1) year from the effective date of this Act.

22       (2) The commission shall thereafter:

23       (a) Take any steps identified in the report that can be taken without further  
24       legislation as soon as practicable and not later than one (1) year after  
25       issuance of the report; and

26       (b) Report to the Legislative Research Commission for referral to the Interim  
27       Joint Committee on Licensing, Occupations, and Administrative

1           Regulations and the Interim Joint Committee on Veterans, Military Affairs,  
2           and Public Protection annually to request that those entities consider any  
3           necessary legislation.

4           ➔SECTION 5. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO  
5 READ AS FOLLOWS:

6       (1) The Kentucky Board of Medical Licensure shall review all licensing practices  
7       and take all necessary and appropriate steps to increase recognition of military  
8       training and experience toward in-state licensing of nurses and physician  
9       assistants through the promulgation of administrative regulations.

10      (2) The board shall report to the Legislative Research Commission for referral to the  
11      Interim Joint Committee on Veterans, Military Affairs, and Public Protection and  
12      the Interim Joint Committee on Licensing, Occupations, and Administrative  
13      Regulations within one (1) year of the effective date of this Act any additional  
14      steps that would require legislation and request that those entities consider any  
15      necessary legislation.

16      ➔SECTION 6. A NEW SECTION OF KRS CHAPTER 164 IS CREATED TO  
17 READ AS FOLLOWS:

18      (1) Any veteran who enrolls as a student in good standing at a public postsecondary  
19      education institution shall, upon application for academic credit, be granted  
20      academic credit towards his or her degree for the completion of courses that were  
21      part of that veteran's military training or service if the completed courses meet  
22      the standards of all appropriate discipline-specific accrediting bodies and  
23      institutional accrediting agencies as recognized by the United States Department  
24      of Education.

25      (2) No fee, tuition, or other charge shall be assessed against a veteran for academic  
26      credit granted pursuant to this section.

27      (3) The governing boards of all public postsecondary education institutions shall

1 adopt procedures necessary to fully implement the provisions of this section.

2 ➔SECTION 7. A NEW SECTION OF KRS CHAPTER 164 IS CREATED TO  
3 READ AS FOLLOWS:

4 The governing boards of all public institutions shall adopt rules and procedures to:

5 (1) Include veterans and National Guard members in any early course registration  
6 period, if the institution offers an early course registration period to any segment  
7 of the student population;

8 (2) Award full academic credit to a student who is called to active duty in the Armed  
9 Forces of the United States for a course if at the time the student is called to  
10 active duty:

11 (a) The student has completed at least eighty-five (85%) of the coursework  
12 contributing to the final grade in the course, including but not limited to  
13 exams and classroom attendance, if applicable; and

14 (b) Has a passing grade;

15 (3) Refund a portion of tuition and fees to a student who is called to active duty and  
16 does not meet the requirements of subsection (2) of this section for academic  
17 credit to be awarded, that portion being determined by taking the total amount of  
18 tuition and fees paid by the student for the current academic term and  
19 multiplying that total amount by the percentage of academic credits for which the  
20 student is enrolled in the current term for which the student is not eligible to  
21 receive academic credit under subsection (2) of this section; and

22 (4) Permit all veterans and any National Guard member who is returning from active  
23 duty to do the following without incurring late fees or other penalties:

24 (a) File an application for admission at any time prior to the first day of classes  
25 of the semester for which the applicant is seeking admission;

26 (b) Once an application has been filled but before the institution has issued a  
27 determination on admission, register for available courses and permit the

1                   applicant to attend courses provisionally; and

2                   (c) If an applicant is not registered for classes upon admission to the  
3                   institution, register for available courses prior to the registration deadline.

4                   ➔Section 8. KRS 40.317 is amended to read as follows:

5                   (1) The Kentucky Department of Veterans' Affairs shall employ ~~no more than five (5)~~  
6                   ~~veterans' benefits regional administrators and no fewer than twenty (20) veterans'~~  
7                   benefits field representatives.

8                   (a)~~(1)~~ The duties of a veterans' benefits regional administrator shall include but  
9                   not be limited to supervision of veterans' benefits field representatives in an  
10                  assigned region.

11                  (b)~~(2)~~ The duties of a veterans' benefits field representative shall include but  
12                  not be limited to providing assistance to veterans and their dependents with  
13                  initiation, preparation, documentation, and adjudication of claims to benefits  
14                  under federal, state, or local laws.

15                  (2) The department shall, whenever feasible, select and train veterans' benefits field  
16                  representatives and veterans' benefits regional administrators who have direct  
17                  knowledge of the veteran communities they serve.

18                  (3) Veterans' benefits field representatives shall help identify all federal and other  
19                  health benefits, coverage, and services available to veterans and their families.

20                  (4) Veterans' benefits field representatives shall coordinate with relevant  
21                  departments, health care providers, and health insurance programs to help  
22                  veterans and their beneficiaries apply for coverage under available programs,  
23                  including helping veterans overcome barriers within the health care system to  
24                  ensure enrollment in health plans and effective delivery and coordination of  
25                  health services.

26                  (5) Initiatives by veterans' benefits field representatives shall, whenever feasible,  
27                  leverage existing resources and structures where veterans and their families are

1       likely to be found.

2       ➔SECTION 9. A NEW SECTION OF KRS CHAPTER 40 IS CREATED TO  
3 READ AS FOLLOWS:

4       (1) The Kentucky Department of Veterans' Affairs shall examine all existing  
5       programs designed to increase access to affordable quality health care by using  
6       the veterans' benefits field representatives described in Section 8 of this Act as a  
7       source of information about the unique needs and coverage and treatment gaps  
8       faced by veterans and their families in order to evaluate if the needs of veterans  
9       and their families are met by those programs or whether further coordination  
10       with the veterans' benefits field representatives or other programs or initiatives  
11       would better meet those needs.

12       (2) The department shall, upon completing any steps identified in subsection (1) of  
13       this section, produce a report of its findings, recommendations, and any  
14       additional legislative or budgetary action it recommends and deliver the report to  
15       the Legislative Research Commission for referral to the Interim Joint Committee  
16       on Veterans, Military Affairs, and Public Protection, the Interim Joint Committee  
17       on Health Services, and the Interim Joint Committee on Families and Children,  
18       and to the Office of the Governor, and shall make the report freely available to  
19       the public.

20       (3) The department shall prepare a report showing the impacts that Medicaid  
21       expansion under 42 U.S.C. sec. 1396a and other relevant federal law has had to  
22       date for veterans and their families in Kentucky. The report shall include any  
23       recommendations for better including or serving veterans and their families in  
24       that expansion. The department shall deliver that report to the Legislative  
25       Research Commission for referral to the Interim Joint Committee on Veterans,  
26       Military Affairs, and Public Protection, the Interim Joint Committee on Families  
27       and Children, and the Interim Joint Committee on Health Services, and to the

1 Office of the Governor, and shall make the report freely available to the public.

2 ➔SECTION 10. A NEW SECTION OF KRS CHAPTER 40 IS CREATED TO  
3 READ AS FOLLOWS:

4 (1) The Kentucky Department of Veterans' Affairs shall ensure that veterans and  
5 their families have access to mental health treatment, including for post-  
6 traumatic stress disorder, depression, suicide, and suicidal ideation.

7 (a) The department shall make mental health coverage services and treatment a  
8 full focus stream of the veterans' benefits field representative program  
9 described in Section 8 of this Act, and ensure that veterans' benefit field  
10 representatives help identify all federal and other mental health benefits,  
11 coverage, and services available to veterans and their families, including for  
12 post-traumatic stress disorder, depression, and suicide prevention.

13 (b) The department shall develop and implement a strategy to reduce barriers to  
14 access to mental health services and treatment for veterans and their  
15 families in coordination with local, state, and federal governmental  
16 agencies and in consultation with nonprofits, service providers including  
17 Veterans Affairs medical centers and the United States Department of  
18 Veterans Affairs, and localities and cities that have effective prevention and  
19 treatment systems for mental health, including by:

20 1. Identifying structural and logistical barriers to accessing treatment,  
21 including perceived stigma, long travel distances to receive care, and  
22 any other barriers, and sending an annual report on such barriers  
23 available to the Legislative Research Commission for referral to the  
24 Interim Joint Committee on Veterans, Military Affairs, and Public  
25 Protection, the Interim Joint Committee on Families and Children,  
26 and the Interim Joint Committee on Health, and to the Office of the  
27 Governor, and making the report available online;

1           2. Resolving all barriers identified in the report required by  
2           subparagraph 1. of this paragraph that can be resolved without  
3           legislative or budgetary action, including through increased  
4           coordination between departments, nonprofit providers, and the  
5           federal government, application for and use of private and federal  
6           grants, and other actions; and

7           3. Reporting annually to the Legislative Research Commission, the  
8           Interim Joint Committee on Veterans, Military Affairs, and Public  
9           Protection, the Interim Joint Committee on Families and Children,  
10          and the Interim Joint Committee on Health Services, and to the Office  
11          of the Governor, and releasing to the news media any additional  
12          legislative or budgetary steps that would resolve barriers identified in  
13          subparagraph 1. of this paragraph that have not been resolved by the  
14          steps taken under subparagraph 2. of this paragraph.

15          (c) The department shall enhance and strengthen suicide prevention programs  
16          that are based on best practices identified by experts in the field of mental  
17          health care in coordination with local, state, and federal government  
18          agencies, and in consultation with nonprofits, service providers including  
19          the Veterans Affairs medical centers and the United States Department of  
20          Veterans Affairs, and localities and cities that have effective prevention and  
21          treatment systems for mental health, including by:

22               1. Identifying and applying for federal and private grants focused on  
23               veteran suicide prevention;

24               2. Coordinating local, state, federal, and nonprofit programs that include  
25               community-based approaches for at-risk veterans and veterans at  
26               large;

27               3. Providing technical assistance to communities to develop strategic

1                   plans to reduce veteran suicide, including through coordination and  
2                   participation by local leaders, faith communities, schools, workplaces,  
3                   and other stakeholders; and

4                   4. Evaluating community strategic plans within Kentucky and  
5                   disseminating learnings and best practices to optimize the impact of  
6                   efforts by all partners and stakeholders.

7                   (2) The department shall ensure that resources are available to veterans to assist in  
8                   connecting veterans to trained mental health care providers, including those  
9                   trained in veteran suicide prevention.

10                  (a) The department shall create a centralized provider database, organized by  
11                  region, identifying mental health providers with expertise and ability to  
12                  assist veterans and their families which also identifies which mental health  
13                  providers have training or expertise in the prevention of veteran suicide and  
14                  treatment of veteran suicidal ideation.

15                  (b) The department shall use existing resources and incorporate best practice  
16                  and research from the United States Department of Veterans Affairs and  
17                  state and nonprofit service providers in Kentucky to develop a continuing  
18                  education course for mental health providers in Kentucky to obtain  
19                  expertise in veteran suicide assessment, prevention, treatment, and risk  
20                  management.

21                  (c) The department shall make the veteran suicide continuing education course  
22                  described in paragraph (b) of this subsection available for free to providers  
23                  in regions of the Commonwealth identified in paragraph (a) of this  
24                  subsection which lack a sufficient number of trained providers.

25                  (d) The department shall use existing or appropriated resources to identify  
26                  evidence-based best practices to increase awareness of any veteran suicide  
27                  prevention hotline which provides services in-state and other crisis

1                   resources with proven effectiveness to reduce veteran suicide.

2           ➔SECTION 11. A NEW SECTION OF KRS CHAPTER 40 IS CREATED TO  
3 READ AS FOLLOWS:

4   The Kentucky Department of Veterans' Affairs shall create an initiative designed to  
5 end veteran homelessness.

6   (1) As used in this section, "ending veteran homelessness" has the same meaning as  
7 in the United States Interagency Council on Homelessness Criteria and  
8 Benchmarks for Achieving the Goal of Ending Veteran Homelessness.

9   (2) The department shall develop and implement a strategy to meet the goal of ending  
10 veteran homelessness within three (3) years of the effective date of this Act in  
11 coordination with local, state, and federal government agencies and nonprofits,  
12 and in consultation with states and cities that have achieved an end to veteran  
13 homelessness in accordance with the criteria described in subsection (1) of this  
14 section, including through:

15   (a) Coordinated community outreach and a common assessment tool;

16   (b) A community-wide, comprehensive list of veterans experiencing  
17 homelessness, prioritized based on vulnerability;

18   (c) Data-sharing among all relevant providers, government agencies, and  
19 Veterans Affairs Medical Centers;

20   (d) Increased coordination and streamlined processes for appropriate housing  
21 placements;

22   (e) Connecting veterans experiencing homelessness to health, mental health,  
23 employment, and training resources through the services described in this  
24 section;

25   (f) A commitment to Housing First principles, as defined by the United States  
26 Interagency Council on Homelessness; and

27   (g) Identification of and application for funding as needed.
