BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 5123.19 and 5123.99 be amended
and sections 5123.199, 5123.1910, 5123.1911, 5123.1912,
5123.1913, 5123.1914, 5123.1915, and 5123.1916 of the Revised
Code be enacted to read as follows:

Sec. 5123.19. (A) As used in sections 5123.19 to 5123.20
of the Revised Code:

(1) "Electronic monitoring device" means a surveillance
instrument with a fixed position video camera or an audio
recording device, or a combination thereof, that is installed in
a resident's room and broadcasts or records activities or sounds
occurring in the room.

(2) "Independent living arrangement" means an arrangement

in which an individual with a developmental disability resides 19
in an individualized setting chosen by the individual or the 20
individual's guardian, which is not dedicated principally to the 21
provision of residential services for individuals with 22
developmental disabilities, and for which no financial support 23
is received for rendering such service from any governmental 24
agency by a provider of residential services. 25

~~(2)~~ (3) "Licensee" means the person or government agency 26
that has applied for a license to operate a residential facility 27
and to which the license was issued under this section. 28

~~(3)~~ (4) "Political subdivision" means a municipal 29
corporation, county, or township. 30

~~(4)~~ (5) "Related party" has the same meaning as in section 31
5123.16 of the Revised Code except that "provider" as used in 32
the definition of "related party" means a person or government 33
entity that held or applied for a license to operate a 34
residential facility, rather than a person or government entity 35
certified to provide supported living. 36

~~(5) (a)~~ (6) (a) Except as provided in division ~~(A) (5) (b)~~ (A) 37
(6) (b) of this section, "residential facility" means a home or 38
facility, including an ICF/IID, in which an individual with a 39
developmental disability resides. 40

(b) "Residential facility" does not mean any of the 41
following: 42

(i) The home of a relative or legal guardian in which an 43
individual with a developmental disability resides; 44

(ii) A respite care home certified under section 5126.05 45
of the Revised Code; 46

(iii) A county home or district home operated pursuant to 47
Chapter 5155. of the Revised Code; 48

(iv) A dwelling in which the only residents with 49
developmental disabilities are in independent living 50
arrangements or are being provided supported living. 51

(B) Every person or government agency desiring to operate 52
a residential facility shall apply for licensure of the facility 53
to the director of developmental disabilities unless the 54
residential facility is subject to section 3721.02, 5103.03, 55
5119.33, or division (B)(1)(b) of section 5119.34 of the Revised 56
Code. 57

(C) Subject to section 5123.196 of the Revised Code, the 58
director of developmental disabilities shall license the 59
operation of residential facilities. An initial license shall be 60
issued for a period that does not exceed one year, unless the 61
director denies the license under division (D) of this section. 62
A license shall be renewed for a period that does not exceed 63
three years, unless the director refuses to renew the license 64
under division (D) of this section. The director, when issuing 65
or renewing a license, shall specify the period for which the 66
license is being issued or renewed. A license remains valid for 67
the length of the licensing period specified by the director, 68
unless the license is terminated, revoked, or voluntarily 69
surrendered. 70

(D) If it is determined that an applicant or licensee is 71
not in compliance with a provision of this chapter that applies 72
to residential facilities or the rules adopted under such a 73
provision, the director may deny issuance of a license, refuse 74
to renew a license, terminate a license, revoke a license, issue 75
an order for the suspension of admissions to a facility, issue 76

an order for the placement of a monitor at a facility, issue an 77
order for the immediate removal of residents, or take any other 78
action the director considers necessary consistent with the 79
director's authority under this chapter regarding residential 80
facilities. In the director's selection and administration of 81
the sanction to be imposed, all of the following apply: 82

(1) The director may deny, refuse to renew, or revoke a 83
license, if the director determines that the applicant or 84
licensee has demonstrated a pattern of serious noncompliance or 85
that a violation creates a substantial risk to the health and 86
safety of residents of a residential facility. 87

(2) The director may terminate a license if more than 88
twelve consecutive months have elapsed since the residential 89
facility was last occupied by a resident or a notice required by 90
division (J) of this section is not given. 91

(3) The director may issue an order for the suspension of 92
admissions to a facility for any violation that may result in 93
sanctions under division (D) (1) of this section and for any 94
other violation specified in rules adopted under division (G) (2) 95
of this section. If the suspension of admissions is imposed for 96
a violation that may result in sanctions under division (D) (1) 97
of this section, the director may impose the suspension before 98
providing an opportunity for an adjudication under Chapter 119. 99
of the Revised Code. The director shall lift an order for the 100
suspension of admissions when the director determines that the 101
violation that formed the basis for the order has been 102
corrected. 103

(4) The director may order the placement of a monitor at a 104
residential facility for any violation specified in rules 105
adopted under division (G) (2) of this section. The director 106

shall lift the order when the director determines that the 107
violation that formed the basis for the order has been 108
corrected. 109

(5) When the director initiates license revocation 110
proceedings, no opportunity for submitting a plan of correction 111
shall be given. The director shall notify the licensee by letter 112
of the initiation of the proceedings. The letter shall list the 113
deficiencies of the residential facility and inform the licensee 114
that no plan of correction will be accepted. The director shall 115
also send a copy of the letter to the county board of 116
developmental disabilities. Except in the case of a licensee 117
that is an ICF/IID, the county board shall send a copy of the 118
letter to each of the following: 119

(a) Each resident who receives services from the licensee; 120

(b) The guardian of each resident who receives services 121
from the licensee if the resident has a guardian; 122

(c) The parent or guardian of each resident who receives 123
services from the licensee if the resident is a minor. 124

(6) Pursuant to rules which shall be adopted in accordance 125
with Chapter 119. of the Revised Code, the director may order 126
the immediate removal of residents from a residential facility 127
whenever conditions at the facility present an immediate danger 128
of physical or psychological harm to the residents. 129

(7) In determining whether a residential facility is being 130
operated in compliance with a provision of this chapter that 131
applies to residential facilities or the rules adopted under 132
such a provision, or whether conditions at a residential 133
facility present an immediate danger of physical or 134
psychological harm to the residents, the director may rely on 135

information obtained by a county board of developmental 136
disabilities or other governmental agencies. 137

(8) In proceedings initiated to deny, refuse to renew, or 138
revoke licenses, the director may deny, refuse to renew, or 139
revoke a license regardless of whether some or all of the 140
deficiencies that prompted the proceedings have been corrected 141
at the time of the hearing. 142

(E) (1) Except as provided in division (E) (2) of this 143
section, appeals from proceedings initiated to impose a sanction 144
under division (D) of this section shall be conducted in 145
accordance with Chapter 119. of the Revised Code. 146

(2) Appeals from proceedings initiated to order the 147
suspension of admissions to a facility shall be conducted in 148
accordance with Chapter 119. of the Revised Code, unless the 149
order was issued before providing an opportunity for an 150
adjudication, in which case all of the following apply: 151

(a) The licensee may request a hearing not later than ten 152
days after receiving the notice specified in section 119.07 of 153
the Revised Code. 154

(b) If a timely request for a hearing that includes the 155
licensee's current address is made, the hearing shall commence 156
not later than thirty days after the department receives the 157
request. 158

(c) After commencing, the hearing shall continue 159
uninterrupted, except for Saturdays, Sundays, and legal 160
holidays, unless other interruptions are agreed to by the 161
licensee and the director. 162

(d) If the hearing is conducted by a hearing examiner, the 163
hearing examiner shall file a report and recommendations not 164

later than ten days after the last of the following: 165

(i) The close of the hearing; 166

(ii) If a transcript of the proceedings is ordered, the 167
hearing examiner receives the transcript; 168

(iii) If post-hearing briefs are timely filed, the hearing 169
examiner receives the briefs. 170

(e) A copy of the written report and recommendation of the 171
hearing examiner shall be sent, by certified mail, to the 172
licensee and the licensee's attorney, if applicable, not later 173
than five days after the report is filed. 174

(f) Not later than five days after the hearing examiner 175
files the report and recommendations, the licensee may file 176
objections to the report and recommendations. 177

(g) Not later than fifteen days after the hearing examiner 178
files the report and recommendations, the director shall issue 179
an order approving, modifying, or disapproving the report and 180
recommendations. 181

(h) Notwithstanding the pendency of the hearing, the 182
director shall lift the order for the suspension of admissions 183
when the director determines that the violation that formed the 184
basis for the order has been corrected. 185

(F) Neither a person or government agency whose 186
application for a license to operate a residential facility is 187
denied nor a related party of the person or government agency 188
may apply for a license to operate a residential facility before 189
the date that is five years after the date of the denial. 190
Neither a licensee whose residential facility license is revoked 191
nor a related party of the licensee may apply for a residential 192

facility license before the date that is five years after the 193
date of the revocation. 194

(G) In accordance with Chapter 119. of the Revised Code, 195
the director shall adopt and may amend and rescind rules for 196
licensing and regulating the operation of residential 197
facilities. The rules for residential facilities that are 198
ICFs/IID may differ from those for other residential facilities. 199
The rules shall establish and specify the following: 200

(1) Procedures and criteria for issuing and renewing 201
licenses, including procedures and criteria for determining the 202
length of the licensing period that the director must specify 203
for each license when it is issued or renewed; 204

(2) Procedures and criteria for denying, refusing to 205
renew, terminating, and revoking licenses and for ordering the 206
suspension of admissions to a facility, placement of a monitor 207
at a facility, and the immediate removal of residents from a 208
facility; 209

(3) Fees for issuing and renewing licenses, which shall be 210
deposited into the program fee fund created under section 211
5123.033 of the Revised Code; 212

(4) Procedures for surveying residential facilities; 213

(5) Classifications for the various types of residential 214
facilities; 215

(6) The maximum number of individuals who may be served in 216
a particular type of residential facility; 217

(7) Uniform procedures for admission of individuals to and 218
transfers and discharges of individuals from residential 219
facilities; 220

(8) Other standards for the operation of residential facilities and the services provided at residential facilities; (221-222)

(9) Procedures for waiving any provision of any rule adopted under this section. (223-224)

(H) (1) Before issuing a license, the director shall conduct a survey of the residential facility for which application is made. The director shall conduct a survey of each licensed residential facility at least once during the period the license is valid and may conduct additional inspections as needed. A survey includes but is not limited to an on-site examination and evaluation of the residential facility, its personnel, and the services provided there. The director may assign to a county board of developmental disabilities or the department of health the responsibility to conduct any survey or inspection under this section. (225-235)

(2) In conducting surveys, the director shall be given access to the residential facility; all records, accounts, and any other documents related to the operation of the facility; the licensee; the residents of the facility; and all persons acting on behalf of, under the control of, or in connection with the licensee. The licensee and all persons on behalf of, under the control of, or in connection with the licensee shall cooperate with the director in conducting the survey. (236-243)

(3) Following each survey, the director shall provide the licensee with a report listing the date of the survey, any citations issued as a result of the survey, and the statutes or rules that purportedly have been violated and are the bases of the citations. The director shall also do both of the following: (244-248)

(a) Specify a date by which the licensee may appeal any of (249)

the citations; 250

(b) When appropriate, specify a timetable within which the 251
licensee must submit a plan of correction describing how the 252
problems specified in the citations will be corrected and, the 253
date by which the licensee anticipates the problems will be 254
corrected. 255

(4) If the director initiates a proceeding to revoke a 256
license, the director shall include the report required by 257
division (H) (3) of this section with the notice of the proposed 258
revocation the director sends to the licensee. In this 259
circumstance, the licensee may not submit a plan of correction. 260

(5) After a plan of correction is submitted, the director 261
shall approve or disapprove the plan. If the plan of correction 262
is approved, a copy of the approved plan shall be provided, not 263
later than five business days after it is approved, to any 264
person or government entity who requests it and made available 265
on the internet web site maintained by the department of 266
developmental disabilities. If the plan of correction is not 267
approved and the director initiates a proceeding to revoke the 268
license, a copy of the survey report shall be provided to any 269
person or government entity that requests it and shall be made 270
available on the internet web site maintained by the department. 271

(6) The director shall initiate disciplinary action 272
against any department employee who notifies or causes the 273
notification to any unauthorized person of an unannounced survey 274
of a residential facility by an authorized representative of the 275
department. 276

(I) In addition to any other information which may be 277
required of applicants for a license pursuant to this section, 278

the director shall require each applicant to provide a copy of 279
an approved plan for a proposed residential facility pursuant to 280
section 5123.042 of the Revised Code. This division does not 281
apply to renewal of a license or to an applicant for an initial 282
or modified license who meets the requirements of section 283
5123.197 of the Revised Code. 284

(J) (1) A licensee shall notify the owner of the building 285
in which the licensee's residential facility is located of any 286
significant change in the identity of the licensee or management 287
contractor before the effective date of the change if the 288
licensee is not the owner of the building. 289

(2) Pursuant to rules, which shall be adopted in 290
accordance with Chapter 119. of the Revised Code, the director 291
may require notification to the department of any significant 292
change in the ownership of a residential facility or in the 293
identity of the licensee or management contractor. If the 294
director determines that a significant change of ownership is 295
proposed, the director shall consider the proposed change to be 296
an application for development by a new operator pursuant to 297
section 5123.042 of the Revised Code and shall advise the 298
applicant within sixty days of the notification that the current 299
license shall continue in effect or a new license will be 300
required pursuant to this section. If the director requires a 301
new license, the director shall permit the facility to continue 302
to operate under the current license until the new license is 303
issued, unless the current license is revoked, refused to be 304
renewed, or terminated in accordance with Chapter 119. of the 305
Revised Code. 306

(3) A licensee shall transfer to the new licensee or 307
management contractor all records related to the residents of 308

the facility following any significant change in the identity of 309
the licensee or management contractor. 310

(K) A county board of developmental disabilities and any 311
interested person may file complaints alleging violations of 312
statute or department rule relating to residential facilities 313
with the department. All complaints shall state the facts 314
constituting the basis of the allegation. The department shall 315
not reveal the source of any complaint unless the complainant 316
agrees in writing to waive the right to confidentiality or until 317
so ordered by a court of competent jurisdiction. 318

The department shall adopt rules in accordance with 319
Chapter 119. of the Revised Code establishing procedures for the 320
receipt, referral, investigation, and disposition of complaints 321
filed with the department under this division. 322

(L) Before issuing a license under this section to a 323
residential facility that will accommodate at any time more than 324
one individual with a developmental disability, the director 325
shall, by first class mail, notify the following: 326

(1) If the facility will be located in a municipal 327
corporation, the clerk of the legislative authority of the 328
municipal corporation; 329

(2) If the facility will be located in unincorporated 330
territory, the clerk of the appropriate board of county 331
commissioners and the fiscal officer of the appropriate board of 332
township trustees. 333

The director shall not issue the license for ten days 334
after mailing the notice, excluding Saturdays, Sundays, and 335
legal holidays, in order to give the notified local officials 336
time in which to comment on the proposed issuance. 337

Any legislative authority of a municipal corporation, 338
board of county commissioners, or board of township trustees 339
that receives notice under this division of the proposed 340
issuance of a license for a residential facility may comment on 341
it in writing to the director within ten days after the director 342
mailed the notice, excluding Saturdays, Sundays, and legal 343
holidays. If the director receives written comments from any 344
notified officials within the specified time, the director shall 345
make written findings concerning the comments and the director's 346
decision on the issuance of the license. If the director does 347
not receive written comments from any notified local officials 348
within the specified time, the director shall continue the 349
process for issuance of the license. 350

(M) Any person may operate a licensed residential facility 351
that provides room and board, personal care, habilitation 352
services, and supervision in a family setting for at least six 353
but not more than eight individuals with developmental 354
disabilities as a permitted use in any residential district or 355
zone, including any single-family residential district or zone, 356
of any political subdivision. These residential facilities may 357
be required to comply with area, height, yard, and architectural 358
compatibility requirements that are uniformly imposed upon all 359
single-family residences within the district or zone. 360

(N) Any person may operate a licensed residential facility 361
that provides room and board, personal care, habilitation 362
services, and supervision in a family setting for at least nine 363
but not more than sixteen individuals with developmental 364
disabilities as a permitted use in any multiple-family 365
residential district or zone of any political subdivision, 366
except that a political subdivision that has enacted a zoning 367
ordinance or resolution establishing planned unit development 368

districts may exclude these residential facilities from those 369
districts, and a political subdivision that has enacted a zoning 370
ordinance or resolution may regulate these residential 371
facilities in multiple-family residential districts or zones as 372
a conditionally permitted use or special exception, in either 373
case, under reasonable and specific standards and conditions set 374
out in the zoning ordinance or resolution to: 375

(1) Require the architectural design and site layout of 376
the residential facility and the location, nature, and height of 377
any walls, screens, and fences to be compatible with adjoining 378
land uses and the residential character of the neighborhood; 379

(2) Require compliance with yard, parking, and sign 380
regulation; 381

(3) Limit excessive concentration of these residential 382
facilities. 383

(O) This section does not prohibit a political subdivision 384
from applying to residential facilities nondiscriminatory 385
regulations requiring compliance with health, fire, and safety 386
regulations and building standards and regulations. 387

(P) Divisions (M) and (N) of this section are not 388
applicable to municipal corporations that had in effect on June 389
15, 1977, an ordinance specifically permitting in residential 390
zones licensed residential facilities by means of permitted 391
uses, conditional uses, or special exception, so long as such 392
ordinance remains in effect without any substantive 393
modification. 394

(Q) (1) The director may issue an interim license to 395
operate a residential facility to an applicant for a license 396
under this section if either of the following is the case: 397

(a) The director determines that an emergency exists 398
requiring immediate placement of individuals in a residential 399
facility, that insufficient licensed beds are available, and 400
that the residential facility is likely to receive a permanent 401
license under this section within thirty days after issuance of 402
the interim license. 403

(b) The director determines that the issuance of an 404
interim license is necessary to meet a temporary need for a 405
residential facility. 406

(2) To be eligible to receive an interim license, an 407
applicant must meet the same criteria that must be met to 408
receive a permanent license under this section, except for any 409
differing procedures and time frames that may apply to issuance 410
of a permanent license. 411

(3) An interim license shall be valid for thirty days and 412
may be renewed by the director for a period not to exceed one 413
hundred eighty days. 414

(4) The director shall adopt rules in accordance with 415
Chapter 119. of the Revised Code as the director considers 416
necessary to administer the issuance of interim licenses. 417

(R) Notwithstanding rules adopted pursuant to this section 418
establishing the maximum number of individuals who may be served 419
in a particular type of residential facility, a residential 420
facility shall be permitted to serve the same number of 421
individuals being served by the facility on the effective date 422
of the rules or the number of individuals for which the facility 423
is authorized pursuant to a current application for a 424
certificate of need with a letter of support from the department 425
of developmental disabilities and which is in the review process 426

prior to April 4, 1986.

This division does not preclude the department from
suspending new admissions to a residential facility pursuant to
a written order issued under section 5124.70 of the Revised
Code.

(S) The director may enter at any time, for purposes of
investigation, any home, facility, or other structure that has
been reported to the director or that the director has
reasonable cause to believe is being operated as a residential
facility without a license issued under this section.

The director may petition the court of common pleas of the
county in which an unlicensed residential facility is located
for an order enjoining the person or governmental agency
operating the facility from continuing to operate without a
license. The court may grant the injunction on a showing that
the person or governmental agency named in the petition is
operating a residential facility without a license. The court
may grant the injunction, regardless of whether the residential
facility meets the requirements for receiving a license under
this section.

Sec. 5123.199. (A) As used in this section, "multifactor
authentication" has the same meaning as in section 3965.01 of
the Revised Code.

(B) Subject to section 5123.1910 of the Revised Code, a
resident or resident's guardian may authorize the installation
and use of an electronic monitoring device in the resident's
room in a residential facility.

(C) The installation and use of an electronic monitoring
device may be authorized only if the following conditions are

met: 456

(1) The resident or the resident's guardian completes the 457
form described in section 5123.1911 of the Revised Code and 458
submits it to the residential facility. 459

(2) The cost of the device and the cost of installing, 460
maintaining, and removing the device, other than the cost of 461
electricity for the device, is paid for by the resident or 462
resident's guardian. 463

(3) The device utilizes multifactor authentication to 464
prevent an individual who has not authorized the installation 465
and use of the device from tampering with the device. 466

(D) A resident who has authorized the installation and use 467
of an electronic monitoring device may withdraw that 468
authorization at any time. 469

Sec. 5123.1910. (A) If a resident wishing to conduct 470
authorized electronic monitoring of the resident's room lives 471
with another resident in a residential facility, the consent of 472
the other resident or other resident's guardian to the 473
installation and use of an electronic monitoring device in the 474
room is required before any installation or use of such a device 475
may occur. The other resident or other resident's guardian shall 476
consent by completing the relevant part of the form described in 477
section 5123.1911 of the Revised Code. 478

(B) (1) If a resident living in a room with another 479
resident wishes to conduct authorized electronic monitoring of 480
the resident's room, but the other resident or other resident's 481
guardian refuses to consent to the installation and use of an 482
electronic monitoring device, the residential facility shall 483
make a reasonable attempt to accommodate the resident wishing to 484

conduct authorized electronic monitoring by moving either 485
resident to another available room. 486

(2) In the case of a resident living in a room with 487
another resident, the other resident or other resident's 488
guardian may place conditions on any consent to the installation 489
and use of an electronic monitoring device, including conditions 490
such as pointing the device away from the other resident or 491
limiting or prohibiting the use of certain devices. If 492
conditions are placed on consent, the device shall be installed 493
and used according to those conditions. 494

(C) A resident whose consent is required under this 495
section may withdraw that consent at any time. 496

Sec. 5123.1911. The director of developmental disabilities 497
shall prescribe a form for use by a resident or resident's 498
guardian seeking to authorize the installation and use of an 499
electronic monitoring device in the resident's room in a 500
residential facility. The form shall include all of the 501
