2 viders by ensuring the confidentiality and exclu-
3 sive statistical use of their responses

5 DURES.—Each statistical agency or unit shall adopt
6 policies, best practices, and appropriate procedures

8 graph (1).

10 of each agency shall enable, support, and facilitate statis-
11 tical agencies or units in carrying out the responsibilities
12 described in subsection (a)(1).

14 regulations to carry out this section.

15 “(d) DEFINITIONS.—In this section:

16 “(1) ACCURATE.—The term ‘accurate’, when
17 used with respect to statistical activities, means sta-
18 tistics that consistently match the events and trends
19 being measured.

20 “(2) CONFIDENTIALITY.—The term ‘confiden-
21 tiality’ means a quality or condition accorded to in-
22 formation as an obligation not to disclose that infor-
23 mation to an unauthorized party.

1 “(3) OBJECTIVE.—The term ‘objective’, when

8 **“§ 3564. Effect on other laws**

9 “(a) TITLE 44, UNITED STATES CODE.—This sub-
10 chapter does not diminish the authority under section

12 disclosures that are not inconsistent with any applicable
13 law.

14 “(b) TITLE 13 AND TITLE 44, UNITED STATES
15 CODE.—This subchapter does not diminish the authority
16 of the Bureau of the Census to provide information in ac-
17 cordance with sections 8, 16, 301, and 401 of title 13 and
18 section 2108 of this title.

19 “(c) TITLE 13, UNITED STATES CODE.—This sub-
20 chapter shall not be construed as authorizing the dislo-
21 sure for nonstatistical purposes of demographic data or
22 information collected by the Bureau of the Census pursu-
23 ant to section 9 of title 13.

24 “(d) VARIOUS ENERGY STATUTES.—Data or infor-
25 mation acquired by the Energy Information Administra-

1 tion under a pledge of confidentiality and designated by
2 the Energy Information Administration to be used for ex-
3 clusively statistical purposes shall not be disclosed in iden-
4 tifiable form for nonstatistical purposes under—

5 “(1) section 12, 20, or 59 of the Federal En-
6 ergy Administration Act of 1974 (15 U.S.C. 771,
7 779, 790h);

8 “(2) section 11 of the Energy Supply and Envi-
9 ronmental Coordination Act of 1974 (15 U.S.C.
10 796); or

11 “(3) section 205 or 407 of the Department of
12 Energy Organization Act (42 U.S.C. 7135, 7177).

13 “(e) SECTION 201 OF CONGRESSIONAL BUDGET ACT
14 OF 1974.—This subchapter shall not be construed to limit
15 any authorities of the Congressional Budget Office to
16 work (consistent with laws governing the confidentiality
17 of information the disclosure of which would be a violation
18 of law) with databases of Designated Statistical Agencies
19 (as defined in section 3576(e)), either separately or, for
20 data that may be shared pursuant to section 3576(c) or
21 other authority, jointly in order to improve the general
22 utility of these databases for the statistical purpose of ana-
23 lyzing pension and health care financing issues.

1 “(f) PREEMPTION OF STATE LAW.—Nothing in this
2 subchapter shall preempt applicable State law regarding
3 the confidentiality of data collected by the States.

4 “(g) STATUTES REGARDING FALSE STATEMENTS.—
5 Notwithstanding section 3572, information collected by an
6 agency for exclusively statistical purposes under a pledge
7 of confidentiality may be provided by the collecting agency
8 to a law enforcement agency for the prosecution of submis-
9 sions to the collecting agency of false statistical informa-
10 tion under statutes that authorize criminal penalties (such
11 as section 221 of title 13) or civil penalties for the provi-
12 sion of false statistical information, unless such disclosure
13 or use would otherwise be prohibited under Federal law.

14 “(h) CONSTRUCTION.—Nothing in this subchapter
15 shall be construed as restricting or diminishing any con-
16 fidentiality protections or penalties for unauthorized dis-
17 closure that otherwise apply to data or information col-
18 lected for statistical purposes or nonstatistical purposes,
19 including, but not limited to, section 6103 of the Internal
20 Revenue Code of 1986.

21 “(i) AUTHORITY OF CONGRESS.—Nothing in this
22 subchapter shall be construed to affect the authority of
23 the Congress, including its committees, members, or
24 agents, to obtain data or information for a statistical pur-

1 pose, including for oversight of an agency’s statistical ac-
2 tivities.

3 **“PART B—CONFIDENTIAL INFORMATION**
4 **PROTECTION**

5 **“§ 3571. Findings**

6 “The Congress finds the following:

7 “(1) Individuals, businesses, and other organi-
8 zations have varying degrees of legal protection
9 when providing information to the agencies for
10 strictly statistical purposes.

11 “(2) Pledges of confidentiality by agencies pro-
12 vide assurances to the public that information about
13 individuals or organizations or provided by individ-
14 uals or organizations for exclusively statistical pur-
15 poses will be held in confidence and will not be used
16 against such individuals or organizations in any
17 agency action.

18 “(3) Protecting the confidentiality interests of
19 individuals or organizations who provide information
20 under a pledge of confidentiality for Federal statis-
21 tical programs serves both the interests of the public
22 and the needs of society.

23 “(4) Declining trust of the public in the protec-
24 tion of information provided under a pledge of con-

1 confidentiality to the agencies adversely affects both the
2 accuracy and completeness of statistical analyses.

3 “(5) Ensuring that information provided under
4 a pledge of confidentiality for statistical purposes re-
5 ceives protection is essential in continuing public co-
6 operation in statistical programs.

7 **“§ 3572. Confidential information protection**

8 “(a) PURPOSES.—The purposes of this section are
9 the following:

10 “(1) To ensure that information supplied by in-
11 dividuals or organizations to an agency for statistical
12 purposes under a pledge of confidentiality is used ex-
13 clusively for statistical purposes.

14 “(2) To ensure that individuals or organizations
15 who supply information under a pledge of confiden-
16 tiality to agencies for statistical purposes will neither
17 have that information disclosed in identifiable form
18 to anyone not authorized by this subchapter nor
19 have that information used for any purpose other
20 than a statistical purpose.

21 “(3) To safeguard the confidentiality of individ-
22 ually identifiable information acquired under a
23 pledge of confidentiality for statistical purposes by
24 controlling access to, and uses made of, such infor-
25 mation.

1 “(b) USE OF STATISTICAL DATA OR INFORMA-
2 TION.—Data or information acquired by an agency under
3 a pledge of confidentiality and for exclusively statistical
4 purposes shall be used by officers, employees, or agents
5 of the agency exclusively for statistical purposes and pro-
6 tected in accordance with such pledge.

7 “(c) DISCLOSURE OF STATISTICAL DATA OR INFOR-
8 MATION.—

9 “(1) Data or information acquired by an agency
10 under a pledge of confidentiality for exclusively sta-
11 tistical purposes shall not be disclosed by an agency
12 in identifiable form, for any use other than an exclu-
13 sively statistical purpose, except with the informed
14 consent of the respondent.

15 “(2) A disclosure pursuant to paragraph (1) is
16 authorized only when the head of the agency ap-
17 proves such disclosure and the disclosure is not pro-
18 hibited by any other law.

19 “(3) This section does not restrict or diminish
20 any confidentiality protections in law that otherwise
21 apply to data or information acquired by an agency
22 under a pledge of confidentiality for exclusively sta-
23 tistical purposes.

24 “(d) RULE FOR USE OF DATA OR INFORMATION FOR
25 NONSTATISTICAL PURPOSES.—A statistical agency or

1 unit shall clearly distinguish any data or information it
2 collects for nonstatistical purposes (as authorized by law)
3 and provide notice to the public, before the data or infor-
4 mation is collected, that the data or information could be
5 used for nonstatistical purposes.

6 “(e) DESIGNATION OF AGENTS.—A statistical agency
7 or unit may designate agents, by contract or by entering
8 into a special agreement containing the provisions re-
9 quired under section 3561(2) for treatment as an agent
10 under that section, who may perform exclusively statistical
11 activities, subject to the limitations and penalties de-
12 scribed in this subchapter.

13 “(f) FINES AND PENALTIES.—Whoever, being an of-
14 ficer, employee, or agent of an agency acquiring informa-
15 tion for exclusively statistical purposes, having taken and
16 subscribed the oath of office, or having sworn to observe
17 the limitations imposed by this section, comes into posses-
18 sion of such information by reason of his or her being an
19 officer, employee, or agent and, knowing that the disclo-
20 sure of the specific information is prohibited under the
21 provisions of this subchapter, willfully discloses the infor-
22 mation in any manner to a person or agency not entitled
23 to receive it, shall be guilty of a class E felony and impris-
24 oned for not more than five years, or fined not more than
25 \$250,000, or both.

1 **“PART C—STATISTICAL EFFICIENCY**

2 **“§ 3575. Findings**

3 “The Congress finds the following:

4 “(1) Federal statistics are an important source
5 of information for public and private decision-mak-
6 ers such as policymakers, consumers, businesses, in-
7 vestors, and workers.

8 “(2) Federal statistical agencies should continu-
9 ously seek to improve their efficiency. Statutory con-
10 straints limit the ability of these agencies to share
11 data and thus to achieve higher efficiency for Fed-
12 eral statistical programs.

13 “(3) The quality of Federal statistics depends
14 on the willingness of businesses to respond to statis-
15 tical surveys. Reducing reporting burdens will in-
16 crease response rates, and therefore lead to more ac-
17 curate characterizations of the economy.

18 “(4) Enhanced sharing of business data among
19 the Bureau of the Census, the Bureau of Economic
20 Analysis, and the Bureau of Labor Statistics for ex-
21 clusively statistical purposes will improve their abil-
22 ity to track more accurately the large and rapidly
23 changing nature of United States business. In par-
24 ticular, the statistical agencies will be able to better
25 ensure that businesses are consistently classified in
26 appropriate industries, resolve data anomalies,

1 produce statistical samples that are consistently ad-
2 justed for the entry and exit of new businesses in a
3 timely manner, and correct faulty reporting errors
4 quickly and efficiently.

5 “(5) Congress enacted the International Invest-
6 ment and Trade in Services Survey Act (Public Law
7 94–472), which allowed the Bureau of the Census,
8 the Bureau of Economic Analysis, and the Bureau
9 of Labor Statistics to share data on foreign-owned
10 companies. The Act not only expanded detailed in-
11 dustry coverage from 135 industries to over 800 in-
12 dustries with no increase in the data collected from
13 respondents but also demonstrated how data sharing
14 can result in the creation of valuable data products.

15 “(6) With part B of this subchapter, the shar-
16 ing of business data among the Bureau of the Cen-
17 sus, the Bureau of Economic Analysis, and the Bu-
18 reau of Labor Statistics continues to ensure the
19 highest level of confidentiality for respondents to
20 statistical surveys.

21 **“§ 3576. Designated Statistical Agencies**

22 “(a) PURPOSES.—The purposes of this section are
23 the following:

24 “(1) To authorize the sharing of business data
25 among the Bureau of the Census, the Bureau of

1 Economic Analysis, and the Bureau of Labor Statis-
2 tics for exclusively statistical purposes.

3 “(2) To reduce the paperwork burdens imposed
4 on businesses that provide requested information to
5 the Federal Government.

6 “(3) To improve the comparability and accu-
7 racy of Federal economic statistics by allowing the
8 Bureau of the Census, the Bureau of Economic
9 Analysis, and the Bureau of Labor Statistics to up-
10 date sample frames, develop consistent classifica-
11 tions of establishments and companies into indus-
12 tries, improve coverage, and reconcile significant dif-
13 ferences in data produced by the three agencies.

14 “(4) To increase understanding of the United
15 States economy, especially for key industry and re-
16 gional statistics, to develop more accurate measures
17 of the impact of technology on productivity growth,
18 and to enhance the reliability of the Nation’s most
19 important economic indicators, such as the National
20 Income and Product Accounts.

21 “(b) RESPONSIBILITIES OF DESIGNATED STATIS-
22 TICAL AGENCIES.—The head of each of the Designated
23 Statistical Agencies shall—

24 “(1) identify opportunities to eliminate duplica-
25 tion and otherwise reduce reporting burden and cost

1 imposed on the public in providing information for
2 statistical purposes;

3 “(2) enter into joint statistical projects to im-
4 prove the quality and reduce the cost of statistical
5 programs; and

6 “(3) protect the confidentiality of individually
7 identifiable information acquired for statistical pur-
8 poses by adhering to safeguard principles, includ-
9 ing—

10 “(A) emphasizing to their officers, employ-
11 ees, and agents the importance of protecting
12 the confidentiality of information in cases where
13 the identity of individual respondents can rea-
14 sonably be inferred by either direct or indirect
15 means;

16 “(B) training their officers, employees, and
17 agents in their legal obligations to protect the
18 confidentiality of individually identifiable infor-
19 mation and in the procedures that must be fol-
20 lowed to provide access to such information;

21 “(C) implementing appropriate measures
22 to assure the physical and electronic security of
23 confidential data;

24 “(D) establishing a system of records that
25 identifies individuals accessing confidential data

1 and the project for which the data were re-
2 quired; and

3 “(E) being prepared to document their
4 compliance with safeguard principles to other
5 agencies authorized by law to monitor such
6 compliance.

7 “(c) SHARING OF BUSINESS DATA AMONG DES-
8 IGNATED STATISTICAL AGENCIES.—

9 “(1) IN GENERAL.—A Designated Statistical
10 Agency may provide business data in an identifiable
11 form to another Designated Statistical Agency under
12 the terms of a written agreement among the agen-
13 cies sharing the business data that specifies—

14 “(A) the business data to be shared;

15 “(B) the statistical purposes for which the
16 business data are to be used;

17 “(C) the officers, employees, and agents
18 authorized to examine the business data to be
19 shared; and

20 “(D) appropriate security procedures to
21 safeguard the confidentiality of the business
22 data.

23 “(2) RESPONSIBILITIES OF AGENCIES UNDER
24 OTHER LAWS.—The provision of business data by an
25 agency to a Designated Statistical Agency under this

1 section shall in no way alter the responsibility of the
2 agency providing the data under other statutes (in-
3 cluding sections 552 and 552b of title 5) with re-
4 spect to the provision or withholding of such infor-
5 mation by the agency providing the data.

6 “(3) RESPONSIBILITIES OF OFFICERS, EMPLOY-
7 EES, AND AGENTS.—Examination of business data
8 in identifiable form shall be limited to the officers,
9 employees, and agents authorized to examine the in-
10 dividual reports in accordance with written agree-
11 ments pursuant to this section. Officers, employees,
12 and agents of a Designated Statistical Agency who
13 receive data pursuant to this section shall be subject
14 to all provisions of law, including penalties, that re-
15 late—

16 “(A) to the unlawful provision of the busi-
17 ness data that would apply to the officers, em-
18 ployees, and agents of the agency that originally
19 obtained the information; and

20 “(B) to the unlawful disclosure of the busi-
21 ness data that would apply to officers, employ-
22 ees, and agents of the agency that originally ob-
23 tained the information.

24 “(4) NOTICE.—Whenever a written agreement
25 concerns data that respondents were required by law

1 to report and the respondents were not informed
2 that the data could be shared among the Designated
3 Statistical Agencies, for exclusively statistical pur-
4 poses, the terms of such agreement shall be de-
5 scribed in a public notice issued by the agency that
6 intends to provide the data. Such notice shall allow
7 a minimum of 60 days for public comment.

8 “(d) LIMITATIONS ON USE OF BUSINESS DATA PRO-
9 VIDED BY DESIGNATED STATISTICAL AGENCIES.—

10 “(1) GENERAL USE.—Business data provided
11 by a Designated Statistical Agency pursuant to this
12 section shall be used exclusively for statistical pur-
13 poses.

14 “(2) PUBLICATION.—Publication of business
15 data acquired by a Designated Statistical Agency
16 shall occur in a manner whereby the data furnished
17 by any particular respondent are not in identifiable
18 form.

19 “(e) DESIGNATED STATISTICAL AGENCY DE-
20 FINED.—In this section, the term ‘Designated Statistical
21 Agency’ means each of the following:

22 “(1) The Census Bureau of the Department of
23 Commerce.

24 “(2) The Bureau of Economic Analysis of the
25 Department of Commerce.

1 “(3) The Bureau of Labor Statistics of the De-
2 partment of Labor.”.

3 (b) CLERICAL AMENDMENT.—The table of sections
4 at the beginning of chapter 35 of title 44, United States
5 Code, as amended by section 202(g), is further amended
6 by adding at the end the following:

“SUBCHAPTER III—CONFIDENTIAL INFORMATION PROTECTION AND
STATISTICAL EFFICIENCY

3 (3) TITLE 49, UNITED STATES CODE.—Title
4 49, United States Code, is amended as follows:

5 (A) In section 6302(d)(4), strike “the Con-

5 (d) TRANSITIONAL AND SAVINGS PROVISIONS.—

6 (1) CUTOFF DATE.—This title replaces certain
7 provisions of law enacted on December 17, 2002. If
8 a law enacted after that date amends or repeals a
9 provision replaced by this title, that law is deemed
10 to amend or repeal, as the case may be, the cor-
11 responding provision enacted by this title. If a law
12 enacted after that date is otherwise inconsistent with
13 this title, it supersedes this title to the extent of the
14 inconsistency.

15 (2) ORIGINAL DATE OF ENACTMENT UN-
16 CHANGED.—For purposes of determining whether

12 **SEC. 303. INCREASING ACCESS TO DATA FOR EVIDENCE.**

13 (a) IN GENERAL.—Subchapter III of chapter 35 of
 14 title 44, United States Code, as added by section 302, is
 15 amended by adding at the end the following new part:

16 **“PART D—ACCESS TO DATA FOR EVIDENCE**

17 **“§ 3581. Presumption of accessibility for statistical**
 18 **agencies and units**

19 “(a) ACCESSIBILITY OF DATA ASSETS.—The head of
 20 an agency shall, to the extent practicable, make any data
 21 asset maintained by the agency available, upon request,
 22 to any statistical agency or unit for purposes of developing
 23 evidence.

24 “(b) LIMITATIONS.—Subsection (a) does not apply to
 25 any data asset that is subject to a statute that—

1 “(1) prohibits the sharing or intended use of
2 such asset in a manner as to leave no discretion on
3 the issue; or

4 “(2) if enacted after the date of the enactment
5 of this section, specifically cites to this paragraph.

6 “(c) REGULATIONS.—The Director shall prescribe
7 regulations for agencies to carry out this section. Such
8 regulations shall—

9 “(1) require the timely provision of data assets
10 under subsection (a);

11 “(2) provide a list of statutes that exempt agen-
12 cies from the requirement under subsection (a) pur-
13 suant to subsection (b)(1); and

16 agencies and for agencies to respond to such re-
17 quests.

18 **“§ 3582. Expanding secure access to CIPSEA data as-**
19 **sets**

20 “(a) STATISTICAL AGENCY RESPONSIBILITIES.—To
21 the extent practicable, each statistical agency or unit shall
22 expand access to data assets of such agency or unit ac-
23 quired or accessed under this subchapter to develop evi-
24 dence while protecting such assets from inappropriate ac-

1 cess and use, in accordance with the regulations promul-
2 gated under subsection (b).

3 “(b) REGULATIONS FOR ACCESSIBILITY OF NON-
4 PUBLIC DATA ASSETS.—The Director shall promulgate
5 regulations, in accordance with applicable law, for statis-
6 tical agencies and units to carry out the requirement
7 under subsection (a). Such regulations shall include the
8 following:

9 “(1) Standards for each statistical agency or
10 unit to assess each data asset owned or accessed by
11 the statistical agency or unit for purposes of catego-
12 rizing the sensitivity level of each such asset and
13 identifying the corresponding level of accessibility to
14 each such asset. Such standards shall include—

15 “(A) common sensitivity levels and cor-
16 responding levels of accessibility that may be
17 assigned to a data asset, including a requisite
18 minimum and maximum number of sensitivity
19 levels for each statistical agency or unit to use;

23 “(C) criteria for determining whether a
24 less sensitive and more accessible version of a
25 data asset can be produced.

1 “(2) Standards for each statistical agency or
2 unit to improve access to a data asset pursuant to
3 paragraph (1) or (3) by removing or obscuring infor-
4 mation in such a manner that the identity of the
5 data subject is less likely to be reasonably inferred
6 by either direct or indirect means.

7 “(3) A requirement for each statistical agency
8 or unit to conduct a comprehensive risk assessment
9 of any data asset acquired or accessed under this
10 subchapter prior to any public release of such asset,
11 including standards for such comprehensive risk as-
12 sessment and criteria for making a determination of
13 whether to release the data.

14 “(4) Requirements for each statistical agency or
15 unit to make any process or assessment established,
16 produced, or conducted pursuant to this section
17 transparent and easy to understand, including the
18 following:

19 “(A) A requirement to make information
20 on the assessment of the sensitivity level of
21 each data asset conducted pursuant to para-
22 graph (1) available on the Federal data cata-
23 logue established under section 3511(c)(1).

24 “(B) A requirement to make any com-
25 prehensive risk assessment, and associated de-

1 terminations, conducted under paragraph (3)
2 available on the Federal data catalogue estab-
3 lished under section 3511(c)(1).

4 “(C) A requirement to make any standard
5 or policy established by the statistical agency or
6 unit to carry out this section and any assess-
7 ment conducted under this section easily acces-
8 sible on the public website of such agency or
9 unit.

10 “(c) RESPONSIBILITIES OF THE DIRECTOR.—The
11 Director shall—

12 “(1) make public all standards and policies es-
13 tablished under this section; and

14 “(2) ensure that statistical agencies and units
15 have the ability to make information public on the
16 Federal data catalogue established under section
