Whereas, in April 2018, a Facebook commenter asked “Now do we get to hang them?? Meaning H & O???” referring

to former Secretary of State Hillary Clinton and former President Barack Obama;

Whereas Representative Marjorie Taylor Greene replied to the Facebook comment, “Stage is being set. Players are being put in place. We must be patient. This must be done perfectly or liberal judges would let them off”;

Whereas Representative Marjorie Taylor Greene liked a Facebook comment in January 2019 that stated, “a bullet to the head would be quicker” in reference to the removal of the Speaker of the House of Representatives Nancy Pelosi;

Whereas Representative Marjorie Taylor Greene also said that Speaker Pelosi, “took an oath to protect American citizens and uphold our laws. And she gives aid and comfort to our enemies who illegally invade our land. That’s what treason is. And by our law representatives and senators can be kicked out and no longer serve in our government. And it’s, uh, it’s a crime punishable by death is what treason is. Nancy Pelosi is guilty of treason”;

Whereas Representative Marjorie Taylor Greene has also liked comments that stated, “Trump already said there were some great ones working with FBI but some have fallen and quite frankly need to be hung for TREASON!” and “These Traitors need to be put to death as

an example of what will no longer be tolerated in our country!!!”;

Whereas Representative Marjorie Taylor Greene has continued efforts to cast doubt upon the results of the 2020 Presidential election by espousing conspiracy theories and by threatening and inciting violence, which has the potential to lead to tragic consequences, causing irreparable damage toward the people’s faith in our democratic process; and
