22	unobligated balance on June 30, 2025, of federal receipts received by the Department of			
23	Corrections through manday billings.			
24	It is the intent of the legislature the State of Alaska, through the Department of Corrections			
25	(DOC), no longer covers the full cost of unsentenced federal inmates housed in State			
26	facilities. The legislature urges the Department to coordinate with the Department of Law to			
27	either receive adequate daily funding for federal inmates housed in State facilities or to			
28	determine a method for them to be housed at a federal or private facility until court hearings.			
29	DOC and Department of Law shall then submit a joint response to the Co-chairs of the			
30	Finance committees and to the Legislative Finance Division by December 20, 2025, outlining

22	find efficiencies. The Department shall provide a report to the Co-chairs of the Finance

8	Regional and Community Jails program. Since the program's inception, public safety has			
9	changed in the state and jails are not utilized to the same extent. Therefore, the Department			
10	should renegotiate FY27 contracts by reducing the bed count by two-thirds if the individual			
11	community's unused bed rate was over sixty percent, when FY24 and FY25 are averaged, and			
12	any other corresponding costs. This realignment prevents closures and allows communities to			
13	maintain a jail with a more appropriate bed count and cost to the State. The Department shall
