PART II. PHYSICIAN ASSISTANT LICENSURE COMPACT

SECTION 2.1.(a) Chapter 90 of the General Statutes is amended by adding a new Article to read:

"Article 18J.

"PA Licensure Compact.

"§ 90-270.200. Purpose.

In order to strengthen access to Medical Services, and in recognition of the advances in the delivery of Medical Services, the Participating States of the PA Licensure Compact have allied in common purpose to develop a comprehensive process that complements the existing authority of State Licensing Boards to license and discipline PAs and seeks to enhance the portability of License to practice as a PA while safeguarding the safety of patients. This Compact allows Medical Services to be provided by PAs, via the mutual recognition of the Licensee's Qualifying License by other Compact Participating States. This Compact also adopts the prevailing standard for PA licensure and affirms that the practice and delivery of Medical Services by the PA occurs where the patient is located at the time of the patient encounter, and therefore requires the PA to be under the jurisdiction of the State Licensing Board where the patient is located. State Licensing Boards that participate in this Compact retain the jurisdiction to impose Adverse Action against a Compact Privilege in that State issued to a PA through the procedures of this Compact. The PA Licensure Compact will alleviate burdens for military families by allowing active duty military personnel and their spouses to obtain a Compact Privilege based on having an unrestricted License in good standing from a Participating State.

- (g) Qualified Immunity, Defense, and Indemnification:
- (1) The members, officers, executive director, employees, and representatives of the Commission shall be immune from suit and liability, both personally and in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error, or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities; provided that nothing in this paragraph shall be construed to protect any such person from suit or liability for any damage, loss, injury, or liability caused by the intentional or willful or wanton misconduct of that person. The procurement of insurance of any type by the Commission shall not in any way compromise or limit the immunity granted hereunder.
 - (2) The Commission shall defend any member, officer, executive director, employee, and representative of the Commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of Commission employment, duties, or responsibilities, or as determined by the Commission that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities; provided that nothing herein shall be construed to prohibit that person from retaining their own counsel at their own expense; and provided further, that the actual

or alleged act, error, or omission did not result from that person's intentional or willful or wanton misconduct.

(3) The Commission shall indemnify and hold harmless any member, officer, executive director, employee, and representative of the Commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error, or omission that occurred within the scope of Commission employment, duties, or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from the intentional or willful or wanton misconduct of that person.

(4) Venue is proper and judicial proceedings by or against the Commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the Commission is located. The Commission may waive venue and jurisdictional defenses in any proceedings as authorized by Commission Rules.

(5) Nothing herein shall be construed as a limitation on the liability of any Licensee for professional malpractice or misconduct, which shall be governed solely by any other applicable State laws.

(6) Nothing herein shall be construed to designate the venue or jurisdiction to bring actions for alleged acts of malpractice, professional misconduct, negligence, or other such civil action pertaining to the practice of a PA. All such matters shall be determined exclusively by State law other than this Compact.

(7) Nothing in this Compact shall be interpreted to waive or otherwise abrogate a Participating State's state action immunity or state action affirmative defense with respect to antitrust claims under the Sherman Act, Clayton Act, or any other State or federal antitrust or anticompetitive law or regulation.

(8) Nothing in this Compact shall be construed to be a waiver of sovereign immunity by the Participating States or by the Commission.

"§ 90-270.207. Data System.

(a) The Commission shall provide for the development, maintenance, operation, and utilization of a coordinated data and reporting system containing licensure, Adverse Action, and the reporting of the existence of Significant Investigative Information on all licensed PAs and applicants denied a License in Participating States.

(b) Notwithstanding any other State law to the contrary, a Participating State shall submit a uniform data set to the Data System on all PAs to whom this Compact is applicable (utilizing a unique identifier) as required by the Rules of the Commission, including:

(1) Identifying information;

(2) Licensure data;

(3) Adverse Actions against a License or Compact Privilege;

(4) Any denial of application for licensure, and the reason(s) for such denial (excluding the reporting of any criminal history record information where prohibited by law);

(5) The existence of Significant Investigative Information; and

(6) Other information that may facilitate the administration of this Compact, as determined by the Rules of the Commission.

(c) Significant Investigative Information pertaining to a Licensee in any Participating State shall only be available to other Participating States.

(d) The Commission shall promptly notify all Participating States of any Adverse Action taken against a Licensee or an individual applying for a License that has been reported to it. This Adverse Action information shall be available to any other Participating State.

(e) Participating States contributing information to the Data System may, in accordance with State or federal law, designate information that may not be shared with the public without the express permission of the contributing State. Notwithstanding any such designation, such information shall be reported to the Commission through the Data System.

(f) Any information submitted to the Data System that is subsequently expunged pursuant to federal law or the laws of the Participating State contributing the information shall be removed from the Data System upon reporting of such by the Participating State to the Commission.

(g) The records and information provided to a Participating State pursuant to this Compact or through the Data System, when certified by the Commission or an agent thereof, shall constitute the authenticated business records of the Commission and shall be entitled to any associated hearsay exception in any relevant judicial, quasi-judicial, or administrative proceedings in a Participating State.

"§ 90-270.208. Rulemaking.

(a) The Commission shall exercise its Rulemaking powers pursuant to the criteria set forth in this section and the Rules adopted thereunder. Commission Rules shall become binding as of the date specified by the Commission for each Rule.

(b) The Commission shall promulgate reasonable Rules in order to effectively and efficiently implement and administer this Compact and achieve its purposes. A Commission Rule shall be invalid and have not force or effect only if a court of competent jurisdiction holds that the Rule is invalid because the Commission exercised its rulemaking authority in a manner that is beyond the scope of the purposes of this Compact, or the powers granted hereunder, or based upon another applicable standard of review.

(c) The Rules of the Commission shall have the force of law in each Participating State, provided, however, that where the Rules of the Commission conflict with the laws of the Participating State that establish the Medical Services a PA may perform in the Participating State, as held by a court of competent jurisdiction, the Rules of the Commission shall be ineffective in that State to the extent of the conflict. The Rules of the Commission shall not modify or expand, in any way, the scope of practice of a PA as established by the laws of the Participating State.

(d) If a majority of the legislatures of the Participating States rejects a Commission Rule, by enactment of a statute or resolution in the same manner used to adopt this Compact within four years of the date of adoption of the Rule, then such Rule shall have no further force and effect in any Participating State or to any State applying to participate in the Compact.

(e) Commission Rules shall be adopted at a regular or special meeting of the Commission.

(f) Prior to promulgation and adoption of a final Rule or Rules by the Commission, and at least 30 days in advance of the meeting at which the Rule will be considered and voted upon, the Commission shall file a Notice of Proposed Rulemaking:

(1) On the website of the Commission or other publicly accessible platform;

(2) To persons who have requested notice of the Commission's notices of proposed rulemaking; and

(3) In such other way(s) as the Commission may by Rule specify.

(g) The Notice of Proposed Rulemaking shall include:

(1) The time, date, and location of the public hearing on the proposed Rule and the proposed time, date, and location of the meeting in which the proposed Rule will be considered and voted upon;

(2) The text of the proposed Rule and the reason for the proposed Rule;

- (3) A request for comments on the proposed Rule from any interested person and the date by which written comments must be received; and
- (4) The manner in which interested persons may submit notice to the Commission of their intention to attend the public hearing or provide any written comments.
- (h) Prior to adoption of a proposed Rule, the Commission shall allow persons to submit written data, facts, opinions, and arguments, which shall be made available to the public.
- (i) If the hearing is to be held via electronic means, the Commission shall publish the mechanism for access to the electronic hearing.
- (1) All persons wishing to be heard at the hearing shall as directed in the Notice of Proposed Rulemaking, not less than five business days before the scheduled date of the hearing, notify the Commission of their desire to appear and testify at the hearing.
- (2) Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.
- (3) All hearings shall be recorded. A copy of the recording and the written comments, data, facts, opinions, and arguments received in response to the proposed rulemaking shall be made available to a person upon request.
- (4) Nothing in this section shall be construed as requiring a separate hearing on each proposed Rule. Proposed Rules may be grouped for the convenience of the Commission at hearings required by this section.
- (j) Following the public hearing, the Commission shall consider all written and oral comments timely received.
- (k) The Commission shall, by majority vote of all delegates, take final action on the proposed Rule and shall determine the effective date of the Rule, if adopted, based on the Rulemaking record and the full text of the Rule.
- (1) If adopted, the Rule shall be posted on the Commission's website.
- (2) The Commission may adopt changes to the proposed Rule provided the changes do not enlarge the original purpose of the proposed Rule.
- (3) The Commission shall provide on its website an explanation of the reasons for substantive changes made to the proposed Rule as well as reasons for substantive changes not made that were recommended by commenters.
- (4) The Commission shall determine a reasonable effective date for the Rule. Except for an emergency as provided in subsection (l) of this section, the effective date of the Rule shall be no sooner than 30 days after the Commission issued the notice that it adopted the Rule.
- (l) Upon determination that an emergency exists, the Commission may consider and adopt an emergency Rule with 24 hours' prior notice, without the opportunity for comment, or hearing, provided that the usual Rulemaking procedures provided in this Compact and in this section shall be retroactively applied to the Rule as soon as reasonably possible, in no event later than 90 days after the effective date of the Rule. For the purposes of this provision, an emergency Rule is one that must be adopted immediately by the Commission in order to:
- (1) Meet an imminent threat to public health, safety, or welfare;
- (2) Prevent a loss of Commission or Participating State funds;
- (3) Meet a deadline for the promulgation of a Commission Rule that is established by federal law or Rule; or
- (4) Protect public health and safety.
- (m) The Commission or an authorized committee of the Commission may direct revisions to a previously adopted Commission Rule for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the Commission. The revision shall be subject to challenge by any

person for a period of 30 days after posting. The revision may be challenged only on grounds that the revision results in a material change to a Rule. A challenge shall be made as set forth in the notice of revisions and delivered to the Commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the Commission.

(n) No Participating State's rulemaking requirements shall apply under this Compact.

"§ 90-270.209. Oversight, dispute resolution, and enforcement.

(a) Oversight:

(1) The executive and judicial branches of State government in each Participating State shall enforce this Compact and take all actions necessary and appropriate to implement the Compact.

(2) Venue is proper and judicial proceedings by or against the Commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the Commission is located. The Commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings. Nothing herein shall affect or limit the selection or propriety of venue in any action against a Licensee for professional malpractice, misconduct, or any such similar matter.

(3) The Commission shall be entitled to receive service of process in any proceeding regarding the enforcement or interpretation of the Compact or the Commission's Rules and shall have standing to intervene in such a proceeding for all purposes. Failure to provide the Commission with service of process shall render a judgment or order in such proceeding void as to the Commission, this Compact, or Commission Rules.

(b) Default, Technical Assistance, and Termination:

(1) If the Commission determines that a Participating State has defaulted in the performance of its obligations or responsibilities under this Compact or the Commission Rules, the Commission shall provide written notice to the defaulting State and other Participating States. The notice shall describe the default, the proposed means of curing the default, and any other action that the Commission may take and shall offer remedial training and specific technical assistance regarding the default.

(2) If a State in default fails to cure the default, the defaulting State may be terminated from this Compact upon an affirmative vote of a majority of the delegates of the Participating States, and all rights, privileges, and benefits conferred by this Compact upon such State may be terminated on the effective date of termination. A cure of the default does not relieve the offending State of obligations or liabilities incurred during the period of default.

(3) Termination of participation in this Compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the Commission to the governor, the majority and minority leaders of the defaulting State's legislature, and to the Licensing Board(s) of each of the Participating States.

(4) A State that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

(5) The Commission shall not bear any costs related to a State that is found to be in default or that has been terminated from this Compact, unless agreed upon in writing between the Commission and the defaulting State.

(6) The defaulting State may appeal its termination from the Compact by the Commission by petitioning the United States District Court for the District of

- 1 Columbia or the federal district where the Commission has its principal
2 offices. The prevailing member shall be awarded all costs of such litigation,
3 including reasonable attorneys' fees.
- 4 (7) Upon the termination of a State's participation in the Compact, the State shall
5 immediately provide notice to all Licensees within that State of such
6 termination:
- 7 a. Licensees who have been granted a Compact Privilege in that State
8 shall retain the Compact Privilege for 180 days following the effective
9 date of such termination.
- 10 b. Licensees who are licensed in that State who have been granted a
11 Compact Privilege in a Participating State shall retain the Compact
12 Privilege for 180 days unless the Licensee also has a Qualifying
13 License in a Participating State or obtains a Qualifying License in a
14 Participating State before the 180-day period ends, in which case the
15 Compact Privilege shall continue.
- 16 (c) Dispute Resolution:
- 17 (1) Upon request by a Participating State, the Commission shall attempt to resolve
18 disputes related to this Compact that arise among Participating States and
19 between Participating and non-Participating States.
- 20 (2) The Commission shall promulgate a Rule providing for both mediation and
21 binding dispute resolution for disputes as appropriate.
- 22 (d) Enforcement:
- 23 (1) The Commission, in the reasonable exercise of its discretion, shall enforce the
24 provisions of this Compact and Rules of the Commission.
- 25 (2) If compliance is not secured after all means to secure compliance have been
26 exhausted, by majority vote, the Commission may initiate legal action in the
27 United States District Court for the District of Columbia or the federal district
28 where the Commission has its principal offices, against a Participating State
29 in default to enforce compliance with the provisions of this Compact and the
30 Commission's promulgated Rules and bylaws. The relief sought may include
31 both injunctive relief and damages. In the event judicial enforcement is
32 necessary, the prevailing party shall be awarded all costs of such litigation,
33 including reasonable attorneys' fees.
- 34 (3) The remedies herein shall not be the exclusive remedies of the Commission.
35 The Commission may pursue any other remedies available under federal or
36 State law.
- 37 (e) Legal Action Against the Commission:
- 38 (1) A Participating State may initiate legal action against the Commission in the
39 United States District Court for the District of Columbia or the federal district
40 where the Commission has its principal offices to enforce compliance with the
41 provisions of the Compact and its Rules. The relief sought may include both
42 injunctive relief and damages. In the event judicial enforcement is necessary,
43 the prevailing party shall be awarded all costs of such litigation, including
44 reasonable attorneys' fees.
- 45 (2) No person other than a Participating State shall enforce this Compact against
46 the Commission.
- 47 **"§ 90-270.210. Date of implementation of the PA Licensure Compact Commission.**
- 48 (a) This Compact shall come into effect on the date on which this Compact statute is
49 enacted into law in the seventh Participating State.
- 50 (1) On or after the effective date of the Compact, the Commission shall convene
51 and review the enactment of each of the States that enacted the Compact prior

1 to the Commission convening ("Charter Participating States") to determine if
2 the statute enacted by each such Charter Participating State is materially
3 different than the Model Compact.

4 a. A Charter Participating State whose enactment is found to be
5 materially different from the Model Compact shall be entitled to the
6 default process set forth in G.S. 90-270.209(b).

7 b. If any Participating State later withdraws from the Compact or its
8 participation is terminated, the Commission shall remain in existence
9 and the Compact shall remain in effect even if the number of
10 Participating States should be less than seven. Participating States
11 enacting the Compact subsequent to the Commission convening shall
12 be subject to the process set forth in G.S. 90-270.206(c)(21) to
13 determine if their enactments are materially different from the Model
14 Compact and whether they qualify for participation in the Compact.

15 (2) Participating States enacting the Compact subsequent to the seven initial
16 Charter Participating States shall be subject to the process set forth in
17 G.S. 90-270.206(c)(21) to determine if their enactments are materially
18 different from the Model Compact and whether they qualify for participation
19 in the Compact.

20 (3) All actions taken for the benefit of the Commission or in furtherance of the
21 purposes of the administration of the Compact prior to the effective date of
22 the Compact or the Commission coming into existence shall be considered to
23 be actions of the Commission unless specifically repudiated by the
24 Commission.

25 (b) Any State that joins this Compact shall be subject to the Commission's Rules and
26 bylaws as they exist on the date on which this Compact becomes law in that State. Any Rule that
27 has been previously adopted by the Commission shall have the full force and effect of law on the
28 day this Compact becomes law in that State.

29 (c) Any Participating State may withdraw from this Compact by enacting a statute
30 repealing the same.

31 (1) A Participating State's withdrawal shall not take effect until 180 days after
32 enactment of the repealing statute. During this 180-day period, all Compact
33 Privileges that were in effect in the withdrawing State and were granted to
34 Licensees licensed in the withdrawing State shall remain in effect. If any
35 Licensee licensed in the withdrawing State is also licensed in another
36 Participating State or obtains a license in another Participating State within
37 the 180 days, the Licensee's Compact Privileges in other Participating States
38 shall not be affected by the passage of the 180 days.

39 (2) Withdrawal shall not affect the continuing requirement of the State Licensing
40 Board(s) of the withdrawing State to comply with the investigative and
41 Adverse Action reporting requirements of this Compact prior to the effective
42 date of withdrawal.

43 (3) Upon the enactment of a statute withdrawing a State from this Compact, the
44 State shall immediately provide notice of such withdrawal to all Licensees
45 within that State. Such withdrawing State shall continue to recognize all
46 Licenses granted pursuant to this Compact for a minimum of 180 days after
47 the date of such notice of withdrawal.

48 (d) Nothing contained in this Compact shall be construed to invalidate or prevent any PA
49 licensure agreement or other cooperative arrangement between Participating States and between
50 a Participating State and non-Participating State that does not conflict with the provisions of this
51 Compact.

(e) This Compact may be amended by the Participating States. No amendment to this Compact shall become effective and binding upon any Participating State until it is enacted materially in the same manner into the laws of all Participating States as determined by the Commission.

"§ 90-270.211. Construction and severability.

(a) This Compact and the Commission's rulemaking authority shall be liberally construed so as to effectuate the purposes and the implementation and administration of the Compact. Provisions of the Compact expressly authorizing or requiring the promulgation of Rules shall not be construed to limit the Commission's rulemaking authority solely for those purposes.

(b) The provisions of this Compact shall be severable and if any phrase, clause, sentence, or provision of this Compact is held by a court of competent jurisdiction to be contrary to the constitution of any Participating State, a State seeking participation in the Compact, or of the United States, or the applicability thereof to any government, agency, person, or circumstance is held to be unconstitutional by a court of competent jurisdiction, the validity of the remainder of this Compact and the applicability thereof to any other government, agency, person, or circumstance shall not be affected thereby.

(c) Notwithstanding subsection (b) of this section, the Commission may deny a State's participation in the Compact or, in accordance with the requirements of G.S. 90-270.209(b), terminate a Participating State's participation in the Compact, if it determines that a constitutional requirement of a Participating State is, or would be with respect to a State seeking to participate in the Compact, a material departure from the Compact. Otherwise, if this Compact shall be held to be contrary to the constitution of any Participating State, the Compact shall remain in full force and effect as to the remaining Participating States and in full force and effect as to the Participating State affected as to all severable matters.

"§ 90-270.212. Binding effect of Compact.

(a) Nothing herein prevents the enforcement of any other law of a Participating State that is not inconsistent with this Compact.
