A BILL

To enhance the transparency, improve the coordination, and intensify the impact of assistance to support access to primary and secondary education for displaced children and persons, including women and girls, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
 2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Protecting Girls’ Ac-
 5 cess to Education in Vulnerable Settings Act”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

8 (1) At the start of 2017, more than 65,000,000
 9 people have been displaced by disasters and conflicts
 10 around the world, the highest number recorded since
 11 the end of World War II, of which more than
 12 21,000,000 people are refugees.

13 (2) More than half of the population of dis-
 14 placed people are children and, according to the
 15 United Nations High Commissioner for Refugees,
 16 nearly 4,000,000 school-aged displaced children lack
 17 access to primary education.

18 (3) Education offers socioeconomic opportuni-
 19 ties, psychological stability, and physical protection
 20 for displaced people, particularly for women and
 21 girls, who might otherwise be vulnerable to severe
 22 forms of trafficking in persons (as such term is de-
 23 fined in section 103(9) of the Trafficking Victims
 24 Protection Act of 2000 (22 U.S.C. 7102(9))), child
 25 marriage, sexual exploitation, or economic disenfran-

1 chisement, and contributes to long-term recovery
 2 and economic opportunities for displaced people and
 3 for the communities hosting them.

4 (4) Displaced children face considerable bar-
 5 riers to accessing educational services and, because
 6 the duration of such displacement is, on average, 20
 7 years, such children may spend the entirety of their
 8 childhood without access to such services.

9 (5) Despite the rising need for such services,
 10 less than two percent of global emergency aid was
 11 directed toward educational services in 2016.

12 **SEC. 3. SENSE OF CONGRESS.**

13 It is the sense of Congress that—

14 (1) it is critical to ensure that children, particu-
 15 larly girls, displaced by conflicts overseas are able to
 16 access educational services because such access can
 17 combat extremism and reduce exploitation and pov-
 18 erty; and

19 (2) the educational needs of vulnerable women
 20 and girls should be considered in the design, imple-
 21 mentation, and evaluation of related United States
 22 foreign assistance policies and programs.

23 **SEC. 4. STATEMENT OF POLICY.**

24 It is the policy of the United States to—

1 (1) partner with and encourage other countries;
2 public and private multilateral institutions; and non-
3 governmental and civil society organizations, includ-
4 ing faith-based organizations and organizations rep-
5 resenting parents and children; to support efforts to
6 ensure that displaced children have access to safe
7 primary and secondary education;

8 (2) work with donors to enhance training and
9 capacity-building for the governments of countries
10 hosting significant numbers of displaced people to
11 design, implement, and monitor programs to effec-
12 tively address barriers to such education;

13 (3) incorporate into the design and implementa-
14 tion of such programs measures to evaluate the im-
15 pact of the programs on girls; with respect to the re-
16 duction of child marriage, gender-based violence; and
17 severe forms of trafficking in persons (as such term
18 is defined in section 103(9) of the Trafficking Vie-
19 tims Protection Act of 2000 (22 U.S.C. 7102(9)));
20 and

21 (4) coordinate with the governments of coun-
22 tries hosting significant numbers of displaced people
23 to—

1 (A) promote the inclusion of displaced chil-
 2 dren into the educational systems of such coun-
 3 tries; and

4 (B) develop innovative approaches to pro-
 5 viding safe primary and secondary educational
 6 opportunities in circumstances in which such in-
 7 clusion is not possible or appropriate, such as
 8 schools that permit more children to be edu-
 9 cated by extending the hours of schooling and
 10 expanding the number of teachers.

11 **SEC. 5. UNITED STATES ASSISTANCE TO SUPPORT EDU-**
 12 **CATIONAL SERVICES FOR DISPLACED CHIL-**
 13 **DREN.**

14 (a) **IN GENERAL.**—The Secretary of State and the
 15 Administrator of the United States Agency for Inter-
 16 national Development are authorized to prioritize and ad-
 17 vance ongoing efforts to support programs that—

18 (1) provide safe primary and secondary edu-
 19 cation for displaced children;

20 (2) build the capacity of institutions in coun-
 21 tries hosting displaced people to prevent discrimina-
 22 tion against displaced children, especially displaced
 23 girls, who seek access to such education; and

24 (3) help increase the access of displaced chil-
 25 dren, especially displaced girls, to educational, eco-

1 nomic, and entrepreneurial opportunities, including
 2 through the governmental authorities responsible for
 3 educational or youth services in such host countries.

4 (b) COORDINATION WITH MULTILATERAL ORGANI-
 5 ZATIONS.—The Secretary and the Administrator are au-
 6 thorized to coordinate with the World Bank, appropriate
 7 agencies of the United Nations, and other relevant multi-
 8 lateral organizations to work with governments in other
 9 countries to collect relevant data, disaggregated by age
 10 and gender, on the ability of displaced people to access
 11 education and participate in economic activity, in order
 12 to improve the targeting, monitoring, and evaluation of re-
 13 lated assistance efforts.

14 (c) COORDINATION WITH PRIVATE SECTOR AND
 15 CIVIL SOCIETY ORGANIZATIONS.—The Secretary and the
 16 Administrator are authorized to work with private sector
 17 and civil society organizations to promote safe primary
 18 and secondary education for displaced children.

19 **SEC. 6. REPORT.**

 21 the enactment of this Act, the Secretary and the Adminis-
 22 trator shall include in any report or evaluation submitted
 23 to Congress relating to a foreign assistance program for
 24 natural or manmade disaster relief or response the fol-

1 lowing information (to the extent practicable and appro-
 2 priate):

3 ~~(1) A breakdown of the beneficiaries of such~~
