26 (1) A retired member who is receiving monthly retirement payments under any of the
27 provisions of KRS 61.510 to 61.705 and 78.510 to 78.852 and who is reemployed

1 as an employee by a participating agency prior to August 1, 1998, shall have his or
2 her retirement payments suspended for the duration of reemployment. Monthly
3 payments shall not be suspended for a retired member who is reemployed if he or
4 she anticipates that he or she will receive less than the maximum permissible
5 earnings as provided by the Federal Social Security Act in compensation as a result
6 of reemployment during the calendar year. The payments shall be suspended at the
7 beginning of the month in which the reemployment occurs.

8 (2) Employer and employee contributions shall be made as provided in KRS 61.510 to
9 61.705 and 78.510 to 78.852 on the compensation paid during reemployment,
10 except where monthly payments were not suspended as provided in subsection (1)
11 of this section or would not increase the retired member's last monthly retirement
12 allowance by at least one dollar (\$1), and the member shall be credited with
13 additional service credit.

14 (3) In the month following the termination of reemployment, retirement allowance
15 payments shall be reinstated under the plan under which the member was receiving
16 payments prior to reemployment.

17 (4) (a) Notwithstanding the provisions of this section, the payments suspended in
18 accordance with subsection (1) of this section shall be paid retroactively to the
19 retired member, or his or her estate, if he or she does not receive more than
20 the maximum permissible earnings as provided by the Federal Social Security
21 Act in compensation from participating agencies during any calendar year of
22 reemployment.

23 (b) If the retired member is paid suspended payments retroactively in accordance
24 with this section, employee contributions deducted during his or her period of
25 reemployment, if any, shall be refunded to the retired employee, and no
26 service credit shall be earned for the period of reemployment.

27 (c) If the retired member is not eligible to be paid suspended payments for his or

1 her period of reemployment as an employee, his or her retirement allowance
2 shall be recomputed under the plan under which the member was receiving
3 payments prior to reemployment as follows:

- 4 1. The retired member's final compensation shall be recomputed using
5 creditable compensation for his or her period of reemployment;
6 however, the final compensation resulting from the recalculation shall
7 not be less than that of the member when his or her retirement allowance
8 was last determined;
- 9 2. If the retired member initially retired on or subsequent to his or her
10 normal retirement date, his or her retirement allowance shall be
11 recomputed by using the formula in KRS 61.595(1);
- 12 3. If the retired member initially retired prior to his or her normal
13 retirement date, his or her retirement allowance shall be recomputed
14 using the formula in KRS 61.595(2), except that the member's age used
15 in computing benefits shall be his or her age at the time of his or her
16 initial retirement increased by the number of months of service credit
17 earned for service performed during reemployment;
- 18 4. The retirement allowance payments resulting from the recomputation
19 under this subsection shall be payable in the month following the
20 termination of reemployment in lieu of payments under subparagraph 3.
21 of this paragraph. The member shall not receive less in benefits as a
22 result of the recomputation than he or she was receiving prior to
23 reemployment or would receive as determined under KRS 61.691; and
- 24 5. Any retired member who was reemployed prior to March 26, 1974, shall
25 begin making contributions to the system in accordance with the
26 provisions of this section on the first day of the month following March
27 26, 1974.

- 1 (5) A retired member, or his or her estate, shall pay to the retirement fund the total
2 amount of payments which are not suspended in accordance with subsection (1) of
3 this section if the member received more than the maximum permissible earnings as
4 provided by the Federal Social Security Act in compensation from participating
5 agencies during any calendar year of reemployment, except the retired member or
6 his or her estate may repay the lesser of the total amount of payments which were
7 not suspended or fifty cents (\$0.50) of each dollar earned over the maximum
8 permissible earnings during reemployment if under age sixty-five (65), or one
9 dollar (\$1) for every three dollars (\$3) earned if over age sixty-five (65).
- 10 (6) (a) "Reemployment" or "reinstatement" as used in this section shall not include a
11 retired member who has been ordered reinstated by the Personnel Board under
12 authority of KRS 18A.095.
- 13 (b) A retired member who has been ordered reinstated by the Personnel Board
14 under authority of KRS 18A.095 or by court order or by order of the Human

16 Kentucky Employees Retirement System or County Employees Retirement
17 System shall void his or her retirement by reimbursing the system in the full
18 amount of his or her retirement allowance payments received.
- 19 (7) (a) Effective August 1, 1998, the provisions of subsections (1) to (4) of this
20 section shall no longer apply to a retired member who is reemployed in a
21 position covered by the same retirement system from which the member
22 retired. Reemployed retired members shall be treated as new members upon
23 reemployment. Any retired member whose reemployment date preceded
24 August 1, 1998, who does not elect, within sixty (60) days of notification by
25 the retirement systems, to remain under the provisions of subsections (1) to
26 (4) of this section shall be deemed to have elected to participate under this
27 subsection.

1 (b) A retired member whose disability retirement was discontinued pursuant to
2 KRS 61.615 and who is reemployed in one (1) of the systems administered by
3 the Kentucky Retirement Systems or County Employees Retirement System
4 prior to his or her normal retirement date shall have his or her accounts
5 combined upon termination for determining eligibility for benefits. If the
6 member is eligible for retirement, the member's service and creditable
7 compensation earned as a result of his or her reemployment shall be used in
8 the calculation of benefits, except that the member's final compensation shall
9 not be less than the final compensation last used in determining his or her
10 retirement allowance. The member shall not change beneficiary or payment
11 option designations. This provision shall apply to members reemployed on or
12 after August 1, 1998.

13 (8) If a retired member accepts employment or begins serving as a volunteer with an
14 employer participating in the systems administered by Kentucky Retirement
15 Systems or County Employees Retirement System within twelve (12) months of his
16 or her retirement date, the retired member shall notify the Authority and the
17 participating employer shall submit the information required or requested by the
18 Authority to confirm the individual's employment or volunteer status. The retired
19 member shall not be required to notify the Authority regarding any employment or
20 volunteer service with a participating agency that is accepted after twelve (12)
21 months following his or her retirement date.

22 (9) If the retired member is under a contract to provide services as an independent
23 contractor or leased employee to an employer participating in the systems
24 administered by Kentucky Retirement Systems or County Employees Retirement
25 System within twelve (12) months of his or her retirement date, the member shall
26 submit a copy of that contract to the Authority, and the Authority shall determine if
27 the member is an independent contractor or leased employee for purposes of

1 retirement benefits. The retired member and the participating employer shall submit
2 the information required or requested by the Authority to confirm the individual's
3 status as an independent contractor or leased employee. The retired member shall
4 not be required to notify the Authority regarding any services entered into as an
5 independent contractor or leased employee with a participating agency that the
6 employee enters into after twelve (12) months following his or her retirement date.

7 (10) If a member is receiving a retirement allowance, or has filed the forms required for
8 a retirement allowance, and is employed within one (1) month of the member's
9 initial retirement date in a position that is required to participate in the same
10 retirement system from which the member retired, the member's retirement shall be
11 voided and the member shall repay to the retirement system all benefits received.
12 The member shall contribute to the member account established for him or her prior
13 to his or her voided retirement. The retirement allowance for which the member
14 shall be eligible upon retirement shall be determined by total service and creditable
15 compensation.

16 (11) (a) If a member of the Kentucky Employees Retirement System retires from a
17 department which participates in more than one (1) retirement system and is
18 reemployed within one (1) month of his or her initial retirement date by the
19 same department in a position participating in another retirement system, the
20 retired member's retirement allowance shall be suspended for the first month
21 of his or her retirement, and the member shall repay to the retirement system
22 all benefits received for the month.

23 (b) A retired member of the County Employees Retirement System who after
24 initial retirement is hired by the county from which the member retired shall
25 be considered to have been hired by the same employer.

26 (12) (a) If a hazardous member who retired prior to age fifty-five (55), or a
27 nonhazardous member who retired prior to age sixty-five (65), is reemployed

1 within six (6) months of the member's termination by the same employer, the
2 member shall obtain from his or her previous and current employers a copy of
3 the job description established by the employers for the position and a
4 statement of the duties performed by the member for the position from which
5 he or she retired and for the position in which he or she has been reemployed.

6 (b) The job descriptions and statements of duties shall be filed with the retirement
7 office.

8 (13) If the retirement system determines that the retired member has been employed in a
9 position with the same principal duties as the position from which the member
10 retired:

11 (a) The member's retirement allowance shall be suspended during the period that
12 begins on the month in which the member is reemployed and ends six (6)
13 months after the member's termination;

14 (b) The retired member shall repay to the retirement system all benefits paid from
15 systems administered by Kentucky Retirement Systems or County Employees
16 Retirement System under reciprocity, including medical insurance benefits,
17 that the member received after reemployment began;

18 (c) Upon termination, or subsequent to expiration of the six (6) month period
19 from the date of termination, the retired member's retirement allowance based
20 on his or her initial retirement account shall no longer be suspended, and the
21 member shall receive the amount to which he or she is entitled, including an
22 increase as provided by KRS 61.691;

23 (d) Except as provided in subsection (7) of this section, if the position in which a
24 retired member is employed after initial retirement is a regular full-time
25 position, the retired member shall contribute to a second member account
26 established for him or her in the retirement system. Service credit gained after
27 the member's date of reemployment shall be credited to the second member

1 account; and

2 (e) Upon termination, the retired member shall be entitled to benefits payable
3 from his or her second retirement account.

4 (14) (a) If the retirement system determines that the retired member has not been
5 reemployed in a position with the same principal duties as the position from
6 which he or she retired, the retired member shall continue to receive his or her
7 retirement allowance.

8 (b) If the position is a regular full-time position, the member shall contribute to a
9 second member account in the retirement system.

10 (15) (a) If a retired member is reemployed at least one (1) month after initial
11 retirement in a different position, or at least six (6) months after initial
12 retirement in the same position, and prior to normal retirement age, the retired
13 member shall contribute to a second member account in the retirement system
14 and continue to receive a retirement allowance from the first member account.

15 (b) Service credit gained after reemployment shall be credited to the second
16 member account. Upon termination, the retired member shall be entitled to
17 benefits payable from the second member account.

18 (16) A retired member who is reemployed and contributing to a second member account
19 shall not be eligible to purchase service credit under any of the provisions of KRS
20 16.505 to 16.652, 61.510 to 61.705, or 78.510 to 78.852 which he or she was
21 eligible to purchase prior to his or her initial retirement.

22 (17) Notwithstanding any provision of subsections (1) to (7)(a) and (10) to (15) of this
23 section, the following shall apply to retired members who are reemployed by an
24 agency participating in one (1) of the systems administered by Kentucky
25 Retirement Systems or County Employees Retirement System on or after
26 September 1, 2008:

27 (a) If a member is receiving a retirement allowance from one (1) of the systems

1 administered by Kentucky Retirement Systems or County Employees
2 Retirement System, or has filed the forms required to receive a retirement
3 allowance from one (1) of the systems administered by Kentucky Retirement
4 Systems or County Employees Retirement System, and is employed in a
5 regular full-time position required to participate in one (1) of the systems

10 within one (1) month following the member's initial retirement date, the
11 member's retirement shall be voided, and the member shall repay to the
12 retirement system all benefits received, including any health insurance

5 reemployment subject to the following provisions:

6 1. If a member is reemployed by a participating agency within twelve (12)
7 months of the member's retirement date, the participating agency shall
8 certify in writing on a form prescribed by the Authority that no
9 prearranged agreement existed between the employee and agency prior
10 to the employee's retirement for the employee to return to work with the

12 office in the same position as the elected official held prior to retirement
13 and takes office within twelve (12) months of his or her retirement date,
14 he or she shall be deemed by the Authority as having a prearranged
15 agreement under the provisions of this subparagraph and shall have his
16 or her retirement voided. If the participating agency fails to complete the
17 certification, the member's retirement shall be voided and the provisions
18 of paragraph (a) of this subsection shall apply to the member and the
19 employer. Employment that is accepted by the retired member after
20 twelve (12) months following the member's retirement date shall not
21 constitute a prearranged agreement under this paragraph;

22 2. Notwithstanding any other provision of KRS Chapter 16, 61, or 78 to
23 the contrary, the member shall not contribute to the systems and shall
24 not earn any additional benefits for any work performed during the

27 except for any retiree employed as a school resource officer as defined

- 1 by KRS 158.441 or as a Kentucky guardian as defined in Section 1 of

3 KRS 61.565, 61.702, and 78.635, as applicable, on all creditable
4 compensation earned by the employee during the period of
5 reemployment. The additional contributions paid shall be used to reduce
6 the unfunded actuarial liability of the systems; and
- 7 4. Except as provided by KRS 70.291 to 70.293, 95.022, and 164.952 and
8 except for any retiree employed as a school resource officer as defined
9 by KRS 158.441 or as a Kentucky guardian as defined in Section 1 of
10 this Act, the employer shall be required to reimburse the systems for the

- 23 1. Prior to the retired member's most recent retirement date, he or she did
24 not receive creditable compensation from the participating employer in
25 which the retired member is performing volunteer services;
- 26 2. Any reimbursement or nominal fee received prior to the retired
27 member's most recent retirement date has not been credited as creditable

1 compensation to the member's account or utilized in the calculation of
2 the retired member's benefits;

3 3. The retired member has not purchased or received service credit under
4 any of the provisions of KRS 61.510 to 61.705 or 78.510 to 78.852 for
5 service with the participating employer for which the retired member is
6 performing volunteer services; and

7 4. Other than the status of volunteer, the retired member does not become
8 an employee, leased employee, or independent contractor of the
9 employer for which he or she is performing volunteer services for a
10 period of at least twelve (12) months following the retired member's
11 most recent retirement date.

12 If a retired member, who provided volunteer services with a participating
