SENATE BILL 683

Short Title: Expanding Workforce and Education Act. (Public)

April 10, 2023

A BILL TO BE ENTITLED
AN ACT TO EXPAND NORTH CAROLINA'S WORKFORCE BY PROVIDING IN-STATE
TUITION TO NORTH CAROLINA HIGH SCHOOL GRADUATES WHO MEET
CERTAIN CRITERIA.

Whereas, a one percentage point (1%) increase in the postsecondary attainment rate would have resulted in over five hundred million dollars (\$500,000,000) in additional economic growth for North Carolina over just one year according to the United States Bureau of Economic Analysis; and

Whereas, over eighty percent (80%) of the State's employers reported difficulty in finding employees for jobs requiring industry-valued credentials, and these high-skills jobs are expected to increase by more than eleven percent (11%) in the next six years; and

Whereas, while North Carolina's employers report difficulty in finding skilled employees, postsecondary enrollment for The University of North Carolina constituent institutions and North Carolina community colleges has fallen on average by 2.7% since 2019; and

Whereas, North Carolina must pursue multiple strategies to increase postsecondary enrollment so the State can have more potential employees entering the workforce with industry-valued credentials; Now, therefore,
The General Assembly of North Carolina enacts:
