...."

SECTION 1.(c) G.S. 7B-503(a) reads as rewritten:

"(a) When a request is made for nonsecure custody, the court shall first consider release of the juvenile to the juvenile's parent, relative, guardian, custodian, or other responsible adult. An order for nonsecure custody shall be made only when there is a reasonable factual basis to believe the matters alleged in the petition are true, and any of the following apply:

- (7) The juvenile is an infant who was born exposed to alcohol, illegal substances, or controlled substances used in violation of the law. If the parent is enrolled in and meeting or exceeding the benchmarks of a substance abuse treatment program recommended by a medical provider or a local management entity/managed care organization (LME/MCO), then any use of alcohol, illegal substances, or controlled substances in violation of the law shall not be the sole ground for ordering nonsecure custody.

1 A juvenile alleged to be abused, neglected, or dependent shall be placed in nonsecure custody
2 only when there is a reasonable factual basis to believe that there are no other reasonable means
3 available to protect the juvenile. The developmental and attachment needs of the juvenile must
4 be considered in making nonsecure custody determinations. In no case shall a juvenile alleged to
5 be abused, neglected, or dependent be placed in secure custody."

6 **SECTION 1.(d)** G.S. 7B-505(b) reads as rewritten:

7 "(b) The court shall order the department of social services to make diligent efforts to
8 notify relatives and other persons with legal custody of a sibling of the juvenile that the juvenile

10 the court finds the notification would be contrary to the best interests of the juvenile. The
11 department of social services shall use due diligence to identify and notify adult ~~relatives~~
12 relatives, next of kin, and other persons with legal custody of a sibling of the juvenile within 30
13 days after the initial order removing custody. The department shall file with the court information
14 regarding attempts made to identify and notify adult relatives of the juvenile and persons with
15 legal custody of a sibling of the juvenile. In placing a juvenile in nonsecure custody under this
16 section, the court shall first consider whether a relative of the juvenile is willing and able to
17 provide proper care and supervision of the juvenile in a safe home. If the court finds that the
18 relative is willing and able to provide proper care and supervision in a safe home, then the court
19 shall order placement of the juvenile with the relative unless the court finds that placement with
20 the relative would be contrary to the best interests of the juvenile. The developmental and
21 attachment needs of the child shall be considered by the court when determining whether
22 placement with the relative would be contrary to the best interest of the juvenile."

23 **SECTION 1.(e)** G.S. 7B-901(c) reads as rewritten:

24 "(c) If the disposition order places a juvenile in the custody of a county department of
25 social services, the court shall direct that reasonable efforts for reunification as defined in
26 G.S. 7B-101 shall not be required if the court makes written findings of fact pertaining to any of
27 the following, unless the court concludes that there is compelling evidence warranting continued
28 reunification efforts:

29 (1) A court of competent jurisdiction determines or has determined that
30 aggravated circumstances exist because the parent has committed or
31 encouraged the commission of, or allowed the continuation of, any of the
32 following upon the juvenile:

35 causes impairment of or addiction in the ~~juvenile~~. juvenile, including
36 in utero exposure to alcohol, illegal substances, or controlled
37 substances used in violation of the law. The court shall consider
38 whether a parent is enrolled in and meeting or exceeding the
39 benchmarks of a substance abuse treatment program recommended by
40 a medical provider or a local management entity/managed care
41 organization (LME/MCO).

42"

43 **SECTION 1.(f)** G.S. 7B-903 reads as rewritten:

44 **"§ 7B-903. Dispositional alternatives for abused, neglected, or dependent juvenile.**

45 ...

46 (a1) In placing a juvenile in out-of-home care under this section, the court shall first
47 consider whether a relative of the juvenile is willing and able to provide proper care and
48 supervision of the juvenile in a safe home. If the court finds that the relative is willing and able
49 to provide proper care and supervision in a safe home, then the court shall order placement of the
50 juvenile with the relative unless the court finds that the placement is contrary to the best interests
51 of the juvenile. The developmental and attachment needs of the child shall be considered by the

1 court when determining whether placement with the relative would be contrary to the best interest
2 of the juvenile. In placing a juvenile in out-of-home care under this section, the court shall also
3 consider whether it is in the juvenile's best interest to remain in the juvenile's community of
4 residence. Placement of a juvenile with a relative outside of this State must be in accordance with
5 the Interstate Compact on the Placement of Children.

6 ...

7 (a5) Once a juvenile who is not a member of a State-recognized tribe as set forth in
8 G.S. 143B-407(a) has resided in the home of a foster parent for a continuous period of at least
9 nine months, the foster parent is deemed to be nonrelative kin for purposes of this section.

10"

11 **SECTION 1.(g)** G.S. 7B-903.1(c) reads as rewritten:

12 "(c) If a juvenile is removed from the home and placed in the custody or placement
13 responsibility of a county department of social services, the director shall not allow unsupervised
14 visitation with or return physical custody of the juvenile to the parent, guardian, custodian, or
15 caretaker without a hearing at which the court finds that the juvenile will receive proper care and
16 supervision in a safe home. Before a county department of social services may recommend
17 unsupervised visits or return of physical custody of the ~~juvenile~~ juvenile, whichever occurs first,
18 to the parent, guardian, custodian, or caretaker from whom the juvenile was removed, a county
19 department of social services shall first observe that parent, guardian, custodian, or caretaker with
20 the juvenile for at least two visits that support the recommendation. Each observation visit shall
21 consist of an observation of not less than one hour with the juvenile, shall be conducted at least
22 seven days apart, and shall occur within 30 days of the hearing at which the department of social
23 services makes the recommendation. A department of social services shall provide
24 documentation of any observation visits that it conducts to the court for its consideration as to
25 whether unsupervised visits or physical ~~custody~~ custody, whichever occurs first, should be
26 granted to the parent, guardian, custodian, or caretaker from whom the juvenile was removed."

29 (a) The court shall conduct a review or permanency planning hearing within 90 days from
30 the date of the initial dispositional hearing held pursuant to G.S. 7B-901. Review or permanency
31 planning hearings shall be held at least every six months thereafter. If custody has not been
32 removed from a parent, guardian, ~~caretaker~~, or custodian, the hearing shall be designated as a
33 review hearing. If custody has been removed from a parent, guardian, or custodian, or the juvenile
34 was residing with a caretaker at the time the petition was filed, the hearing shall be designated as
35 a permanency planning hearing.

36 ...

37 (d) At each hearing, the court shall consider the following criteria and make written
38 findings regarding those that are relevant:

39 ...

40 (1a) Reports on the juvenile's continuation in the home of the parent, guardian, or
41 custodian; and the appropriateness of the juvenile's continuation in that home.
42 If the juvenile is removed from the custody of a parent, guardian, or custodian
43 at a review hearing, the court shall schedule a permanency planning hearing
44 within 30 days of the ~~review, unless the hearing was noticed and heard as a~~
45 permanency planning hearing review.

46 ...

47 (3) Whether efforts to reunite the juvenile with either parent clearly would be
48 unsuccessful or inconsistent with the juvenile's health or safety and need for a
49 safe, permanent home within ~~a reasonable period of time. one year from the~~
50 date the initial order removing custody was entered, including whether a
51 parent has engaged in any of the factors described under G.S. 7B-901(c). The

1 court shall consider efforts to reunite regardless of whether the juvenile
2 resided with the parent, guardian, or custodian at the time of removal.

3 ...

4 (i) ~~The~~ At any permanency planning hearing, the court may maintain the juvenile's
5 placement under review or order a different placement, appoint a guardian of the person for the

7 the authority to place the child in the custody of either parent or any relative found by the court
8 to be suitable and found by the court to be in the best interests of the juvenile.

9 ...

10 (l) If the court ~~orders or~~ continues the juvenile's placement in the custody or placement
11 responsibility of a county department of social services, the provisions of G.S. 7B-903.1 shall
12 apply to any order entered under this section.

13 ...

14 (n) Notwithstanding other provisions of this Article, the court may waive the holding of
15 permanency planning hearings required by this section, may require written reports to the court
16 by the agency or person holding custody in lieu of permanency planning hearings, or order that
17 permanency planning hearings be held less often than every six months if the court finds by ~~clear,~~
18 ~~evident, clear~~ and convincing evidence each of the following:

- 19 (1) The juvenile has resided in the placement for a period of at least one year or
20 ~~the juvenile has resided in the placement for at least six consecutive months~~
21 the parties are in agreement and the court enters a consent order pursuant to
22 G.S. 7B-801(b1).
23 (2) The placement is stable, and continuation of the placement is in the juvenile's
24 best interests.
25 (3) Neither the juvenile's best interests nor the rights of any party require that
26 permanency planning hearings be held every six months.
27 (4) All parties are aware that the matter may be brought before the court for
28 review at any time by the filing of a permanency planning or modification
29 ~~motion for review~~ or on the court's own motion.
30 (5) The court order has designated the relative or other suitable person as the
31 juvenile's permanent custodian or guardian of the person.

32 The court may not waive or refuse to conduct a hearing if a party files a motion seeking the
33 hearing. However, if a guardian of the person has been appointed for the juvenile and the court
34 has also made findings in accordance with subsection (n) of this section that guardianship is the
35 permanent plan for the juvenile, the court shall ~~proceed in accordance with~~ apply the criteria of
36 G.S. 7B-600(b).

37"

38 **SECTION 1.(i)** G.S. 7B-1103(a) reads as rewritten:

No parental rights, however, shall be terminated for the sole reason that the parents are unable to care for the juvenile on account of their poverty.

...."

SECTION 1.(l) This section becomes effective October 1, 2024, and applies to petitions or motions to terminate parental rights filed on or after that date.

PART II. REGIONAL ABUSE AND MEDICAL SPECIALIST PROGRAM

SECTION 2.(a) The Regional Abuse and Medical Specialist (RAMS) program staffed within the North Carolina Child Medical Evaluation Program (NC CMEP) through one or more contracts or memorandums of understanding between the Department of Health and Human Resources and the Pediatric Department of the UNC School of Medicine is immediately stayed pending compliance with the following:

- (1) Establishment of rules for the program in compliance with Chapter 150A of the North Carolina General Statutes.
- (2) Amendment of and federal approval of any State plan, which is required to comply with federal laws and regulations and maintain federal funding.
- (3) Federal approval of rules for the RAMS program, which is required to comply with federal laws and regulations and maintain federal funding.

SECTION 2.(b) The Social Services Commission shall adopt temporary and permanent rules to implement the RAMS program which shall include:

- (1) Limiting the RAMS team focus to screened in cases meeting one or more of the following criteria:
 - a. The child is less than 4 years of age and presents with unexplained or poorly explained injuries. Injuries would not be considered poorly explained or unexplained in cases where the discipline or action by the caretaker explains the child's injury and the reporting medical provider states that the mechanism of the injury is plausible for having caused the injury.
 - b. The child is less than 4 years of age and there is a concern for a sexually transmitted infection.
 - c. The child is less than 4 years of age and another child who lives in the home died as a result of suspected abuse or neglect.
