

118TH CONGRESS H.R. 7927

To require a study on the manner and extent to which the tariff rates assessed by the United States on imports are regressive or demonstrate a gender bias, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

APRIL 10, 2024

Mrs. Fletcher (for herself, Ms. Pettersen, Mr. Quigley, Mr. Beyer, Ms. Kuster, and Mr. Kilmer) introduced the following bill; which was referred to the Committee on Ways and Means

A BILL

- To require a study on the manner and extent to which the tariff rates assessed by the United States on imports are regressive or demonstrate a gender bias, and for other purposes.
 - 1 Be it enacted by the Senate and House of Representa-
 - 2 tives of the United States of America in Congress assembled,
 - 3 SECTION 1. SHORT TITLE.
 - 4 This Act may be cited as the "Pink Tariffs Study
 - 5 Act".
 - 6 SEC. 2. STUDY REQUIRED.
 - 7 Not later than 1 year after the date of enactment
 - 8 of this Act, the Secretary of the Treasury, in coordination

- 1 with the Commissioner of U.S. Customs and Border Pro-
- 2 tection and in consultation with the United States Inter-
- 3 national Trade Commission and the United States Trade
- 4 Representative, shall submit to Congress the results of a
- 5 study of the manner and extent to which the rates of tar-
- 6 iffs and the revenues collected from tariffs assessed by the
- 7 United States on articles imported into the customs terri-
- 8 tory of the United States—
- 9 (1) are regressive with respect to the degree to
 10 which the burden of such tariffs fall on consumers
 11 (such as tariffs that are higher on mass-market con12 sumer goods as compared to analogous luxury
 13 goods), including an analysis of the manner and ex14 tent to which importation of the applicable goods is

foregone to avoid the burden of the tariff;

- (2) demonstrate a bias with respect to the gender of consumer most likely to import such article (such as tariffs that are higher on clothing classifiable as women's clothing as compared to men's clothing);
- (3) a disaggregation of the effects described in paragraphs (1) and (2) with respect to consumers based on gender and household type (single-parent families, double-parent families, other) and income level; and
