

1 AN ACT relating to health care.

2 *Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

3 ➔SECTION 1. A NEW SECTION OF KRS CHAPTER 214 IS CREATED TO
4 READ AS FOLLOWS:

5 (1) As used in this section:

6 (a) "Advisory committee" means the Kentucky Parkinson's Disease Research
7 Registry Advisory Committee established under subsection (3) of this
8 section;

9 (b) "Cabinet" means the Cabinet for Health and Family Services;

10 (c) "Movement disorder center" means a health facility licensed under KRS
11 Chapter 216B that operates outpatient clinics or ambulatory care facilities
12 that employ movement disorder health care providers;

13 (d) "Movement disorder health care provider" means a licensed physician or
14 osteopath licensed under KRS Chapter 311 that is fellowship trained in
15 movement disorders as specified by either the American Academy of
16 Neurology's Movement Disorders section or the Movement Disorder
17 Society's Pan American Section;

18 (e) "Parkinson's disease" means a chronic and progressive neurologic disorder
19 resulting from a deficiency of the neurotransmitter dopamine as a
20 consequence of specific degenerative changes in the area of the brain called
21 the basal ganglia characterized by tremor at rest, slow movements, muscle
22 rigidity, stooped posture, and unsteady or shuffling gait;

23 (f) "Parkinsonisms":

24 1. Means Parkinson's disease-related conditions that cause a
25 combination of movement abnormalities such as tremor at rest, slow
26 movement, muscle rigidity, impaired speech, and muscle stiffness,
27 which often overlap with and can evolve from what appears to be

- 1 Parkinson's disease; and
- 2 2. Includes multiple system atrophy, dementia with Lewy bodies,
- 3 corticobasal degeneration, and progressive supranuclear palsy;
- 4 (q) "Registry" means the Kentucky Parkinson's Disease Research Registry
- 5 established in subsection (2) of this section; and
- 6 (h) "Secretary" means the secretary of the cabinet.
- 7 (2) The Kentucky Parkinson's Disease Research Registry is hereby established within
- 8 the cabinet under the direction of the secretary, who may enter into contracts,
- 9 grants, or other agreements as necessary to administer the registry in accordance
- 10 with this section.
- 11 (3) (a) The secretary shall establish the Kentucky Parkinson's Disease Research
- 12 Registry Advisory Committee to assist in the development and
- 13 implementation of the registry, determine what data will be collected, and
- 14 advise the cabinet.
- 15 (b) The advisory committee shall be appointed by the secretary and include at
- 16 least one (1):
- 17 1. Neurologist;
- 18 2. Movement disorder specialist;
- 19 3. Primary care provider;
- 20 4. Physician informaticist;
- 21 5. Patient living with Parkinson's disease;
- 22 6. Public health professional;
- 23 7. Population health researcher familiar with health data registries;
- 24 8. Parkinson's disease researcher;
- 25 9. Representative from the University of Kentucky College of Medicine
- 26 with specific expertise in Parkinson's disease; and
- 27 10. Representative from the University of Louisville School of Medicine

1 with specific expertise in Parkinson's disease.

2 The secretary may appoint additional members to the advisory committee as
3 he or she deems necessary.

4 (4) The cabinet shall:

5 (a) Promulgate administrative regulations in consultation with the advisory
6 committee and in accordance with KRS Chapter 13A to:

- 7 1. Designate Parkinson's disease and identified Parkinsonisms as
8 diseases that are required to be reported to the cabinet;
- 9 2. Establish a system of collection and dissemination of information on
10 the incidence and prevalence of Parkinson's disease and
11 Parkinsonisms in Kentucky and related epidemiological data;
- 12 3. Identify specific data points to be collected based on the following four
13 (4) core categories of data:
 - 14 a. Patient demographics;
 - 15 b. Geography;
 - 16 c. Diagnosis; and
 - 17 d. Sufficient information to allow for deduplication of patient
18 records in the registry;
- 19 4. Periodically review and revise data points to be collected to ensure
20 data and data collection procedures adapt to new knowledge and
21 technology;
- 22 5. Establish a coding system that removes a patient's name, address,
23 Social Security number, fingerprints, photograph, and any other
24 information by which the identity of a patient can be determined with
25 reasonable accuracy; and
- 26 6. Develop guidelines and procedures for reviewing and approving
27 requests to use registry data for valid scientific research;

1 (b) Receive and collect data for the registry on the incidence and prevalence of
2 Parkinson's disease and Parkinsonisms in Kentucky and related
3 epidemiological data, and may enter into data-sharing contracts with data-
4 reporting entities and their associated medical record system vendors to
5 securely and confidentially receive information related to Parkinson's
6 disease testing, diagnosis, and treatment; and

7 (c) Be responsible for any costs incurred in administering the registry and
8 implementing this section.

9 (5) (a) Beginning January 1, 2026, each movement disorder center that treats a
10 patient with Parkinson's disease and each movement disorder health care
11 provider who treats or diagnoses Parkinson's disease or Parkinsonisms for
12 a patient not otherwise reported shall submit a Parkinson's disease report to
13 the cabinet in a format required or approved by the cabinet.

14 (b) 1. Movement disorder centers and movement disorder health care
15 providers shall provide each patient diagnosed with Parkinson's
16 disease or Parkinsonisms with a notice regarding the reporting and
17 collection of information and patient data on Parkinson's disease.

18 2. A patient who does not wish to participate in the collection of data for
19 the purposes of research in the registry may affirmatively opt out in
20 writing after an opportunity to review the documents and ask
21 questions.

22 3. If a patient has chosen not to participate and has opted out under
23 subparagraph 2. of this paragraph, the movement disorder center and
24 the movement disorder health care provider shall only report that a
25 Parkinson's disease case exists and no further data shall be reported
26 to the cabinet for the purposes of the registry.

27 4. If a patient has been diagnosed with Parkinson's disease or

1 Parkinsonisms in error, the movement disorder center and the
2 movement disorder health care provider shall notify the cabinet and
3 the cabinet shall remove the patient from the registry.

4 (c) To ensure compliance with the reporting and notification requirements of
5 this subsection, the secretary or his or her agent may, upon reasonable
6 notice, inspect a representative sample of the medical records of patients
7 admitted, diagnosed, or treated for Parkinson's disease or Parkinsonisms at
8 a movement disorder center.

9 (d) A movement disorder center or movement disorder health care provider who
10 in good faith submits a report in accordance with paragraph (a) of this
11 subsection is not liable in any cause of action arising from the submission
12 of the report.

13 (e) A movement disorder center or movement disorder health care provider may
14 use automated reporting methods supplied by the cabinet or the Kentucky
15 Health Information Exchange to meet the requirements of this subsection.

16 (6) The cabinet shall make data from the registry, with or without identifiers,
17 available to researchers that have the approval of an institutional review board in
18 accordance with requirements of the Federal Policy for the Protection of Human
19 Subjects, 45 C.F.R. pt. 46, and, as applicable, 21 C.F.R. pt. 56, 45 C.F.R. pt. 164,
20 KRS 216.2920 to 216.2929, 900 KAR 7:030 and 7:040, and any other relevant
21 federal or state requirements.

22 (7) (a) The cabinet may enter into agreements to furnish data collected in the
23 registry to other states' Parkinson's disease registries, federal Parkinson's
24 disease control agencies, local health officers, or health researchers not
25 described in subsection (6) of this section for the study of Parkinson's
26 disease.

27 (b) Before confidential information is disclosed pursuant to paragraph (a) of

1 this subsection, the out-of-state registry, agency, officer, or researcher shall
2 agree in writing to maintain the confidentiality of the information. A
3 researcher shall also:

- 4 1. Obtain approval of the researcher's respective committee for the
5 protection of human subjects under 45 C.F.R. pt. 46; and
6 2. Provide documentation to the cabinet that demonstrates to the
7 cabinet's satisfaction that the researcher has established the
8 procedures and ability to maintain the confidentiality of the
9 information.

10 (8) (a) Except as specifically provided in this section, all information collected
11 pursuant to this section shall be confidential.

12 (b) Notwithstanding any other provision of law, a disclosure authorized by this
13 section shall include only the information necessary for the stated purpose
14 of the requested disclosure, used for the approved purpose, and not be
15 further disclosed.

16 (c) Provided the security of confidentiality has been documented, the
17 furnishing of confidential information to the cabinet or its authorized
18 representative in accordance with this section shall not expose any person,
19 agency, or entity furnishing information to liability, and shall not be
20 considered a waiver of any privilege or a violation of a confidential
21 relationship.

22 (d) The cabinet shall maintain an accurate record of all persons who are given
23 access to information collected by the cabinet pursuant to this section,
24 which shall include:

- 25 1. The name of the person authorizing access;
26 2. Name, title, address, and organizational affiliation of persons given
27 access;

1 3. Dates of access; and

2 4. The specific purpose for which accessed information is to be used.

3 The record of access shall be open to public inspection during normal
4 operating hours of the cabinet.

5 (e) Notwithstanding any other provision of law, information collected by the
6 cabinet pursuant to this section shall not be:

7 1. Available for subpoena or disclosed, discoverable, or compelled to be
8 produced in any civil, criminal, administrative, or other proceeding; or

9 2. Deemed admissible as evidence in any civil, criminal, administrative,
10 or other proceeding for any reason.

11 (9) This section does not:

12 (a) Prohibit the publication by the cabinet of reports and statistical
13 compilations that do not in any way identify individual patients, cases, or
14 sources of information;

15 (b) Restrict in any way a patient's access to his or her own information; or

16 (c) Prohibit movement disorder center or movement disorder health care
17 providers from maintaining their own facility-based Parkinson's disease
18 registries.

19 (10) (a) Nothing in this section shall be deemed to compel any individual to submit
20 to any medical examination or supervision by the cabinet, any of its
21 authorized representatives, or an approved researcher.

22 (b) A person who seeks information or obtains registry data pursuant to this
23 section shall not contact a patient on the registry or the patient's family
24 unless the cabinet has first obtained permission for the contact from the
25 patient or the patient's family.

26 (11) The cabinet shall provide notice of the mandatory reporting of Parkinson's
27 disease and Parkinsonisms required under this section on its website and to

1 professional associations representing movement disorder center and movement
2 disorder health care providers.

3 (12) (a) By October 1, 2027, and October 1 of each year thereafter, the cabinet shall
4 submit to the Legislative Research Commission for referral to the Interim
5 Joint Committee on Health Services a yearly program summary update that
6 includes:

- 7 1. The incidence and prevalence of Parkinson's disease and
8 Parkinsonisms in the state by county;
- 9 2. The number of records that have been reported to the cabinet and
10 included in the registry; and
- 11 3. Demographic information, including but not limited to patients' age,
12 gender, and race.

13 (b) In consultation with the advisory committee, the cabinet may include
14 recommendations on necessary changes to the registry in the yearly
15 program summary update.

16 (c) The cabinet shall publish the yearly program summary update in a
17 downloadable format on the website created under subsection (13) of this
18 section.

19 (13) By October 1, 2027, the cabinet shall create, and update annually thereafter, the
20 Kentucky Parkinson's Disease Research Registry website where the public can
21 find information related to the Parkinson's disease and the registry, the yearly
22 program summary update, and any other information deemed relevant by the
23 advisory committee.

24 ➔SECTION 2. A NEW SECTION OF KRS CHAPTER 311A IS CREATED TO
25 READ AS FOLLOWS:

26 (1) As used in this section, "resident" includes newly admitted residents who require
27 transportation from a hospital to a skilled nursing facility.

1 (2) A skilled nursing facility or hospital that operates a nonemergency medical
2 transportation service shall be permitted to transport residents of a skilled
3 nursing facility or hospital who qualify for nonemergency medical
4 transportation, including transportation via stretcher.

5 (3) Notwithstanding subsection (2) of this section:

6 (a) Prior to a skilled nursing facility or hospital being permitted to provide
7 nonemergency medical transportation services to a resident, including
8 transportation via stretcher, the contracted transportation broker
9 responsible for providing nonemergency medical transportation services
10 shall be given the opportunity to schedule transportation services for the
11 resident; and

12 (b) Nonemergency medical transportation provided by a skilled nursing facility
13 or hospital, including transportation via stretcher, under this section shall
14 not be eligible for reimbursement by the Department for Medicaid Services
15 or any managed care organization with whom the department contracts for
16 the delivery of Medicaid services.

17 (4) This section shall not be interpreted as prohibiting or otherwise precluding a
18 skilled nursing facility or hospital from becoming a contracted nonemergency
19 medical transportation services provider.
