6 **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

7 * **Section 1.** AS 14.25.009 is repealed and reenacted to read:

8 **Sec. 14.25.009. Applicability of AS 14.25.009 - 14.25.220.** The provisions of
9 AS 14.25.009 - 14.25.220 apply to teachers who are eligible to be members of the
10 defined benefit retirement plan under AS 14.25.009 - 14.25.220 and are not members
11 of the defined contribution retirement plan under AS 14.25.310 - 14.25.590.

12 * **Sec. 2.** AS 14.25.040(a) is amended to read:

13 (a) **A teacher or member contracting for service with a participating**

employer is subject to AS 14.25.009 - 14.25.220 unless the [UNLESS A] teacher or member

(1) participates in a university retirement program under AS 14.40.661 - 14.40.799;

(2) became a member after June 30, 2006, and before July 1, 2024, is eligible to participate in the defined contribution retirement plan under AS 14.25.310 - 14.25.590, and does not elect to participate in the defined benefit retirement plan under AS 14.25.009 - 14.25.220; or

(3) has elected under former AS 14.25.540 to participate in the plan established in AS 14.25.310 - 14.25.590 and does not elect to participate in the defined benefit retirement plan under AS 14.25.009 - 14.25.220 [, A TEACHER OR MEMBER CONTRACTING FOR SERVICE WITH A PARTICIPATING EMPLOYER IS SUBJECT TO AS 14.25.009 - 14.25.220].

* **Sec. 3.** AS 14.25.040 is amended by adding new subsections to read:

(f) An active member of this plan who is also employed in a position in the public employees' retirement plan under AS 39.35.095 - 39.35.680 may elect to participate solely in this plan if

(1) the member directs the public employees' retirement plan employer in writing to

(A) pay into this plan the employer contributions required for a member under AS 14.25.009 - 14.25.220; and

(B) deduct from the member's salary and pay into this plan

(i) the employee contributions required for a member under AS 14.25.009 - 14.25.220; and

(ii) an amount equal to the difference between the total employer and state contributions required for a member under AS 14.25.009 - 14.25.220 and the employer contributions that would be required under AS 39.35.095 - 39.35.680 if the member participated in that plan; and

(2) the member provides written notice to the administrator.

(g) An active member of this plan who elects to participate solely in this plan

under (f) of this section may not, while participating solely in this plan, receive credited service for benefit eligibility for service performed in a position in the public employees' retirement plan.

(h) A teacher who became a member of the system after June 30, 2006, and before July 1, 2024, or who has elected under former AS 14.25.540 to participate in the defined contribution retirement plan under AS 14.25.310 - 14.25.590, is subject to AS 14.25.009 - 14.25.220 and is not eligible to participate in the defined contribution retirement plan established in AS 14.25.310 - 14.25.590 if the teacher

(1) is not employed by an employer on July 1, 2024;

(2) is reemployed by an employer after July 1, 2024; and

(3) has, before the date of reemployment, received

(A) a distribution, other than a rollover distribution, of the entire balance in the teacher's individual account in the defined contribution retirement plan; or

(B) a rollover distribution of the entire balance in the teacher's individual account in the defined contribution retirement plan under AS 14.25.310 - 14.25.590 and has not within 180 days of reemployment had all or part of a direct rollover distribution from an eligible retirement plan owned by the teacher paid directly into the teacher's individual account under AS 14.25.310 - 14.25.590.

* **Sec. 4.** AS 14.25 is amended by adding a new section to read:

Sec. 14.25.044. Election of defined benefit retirement plan by reemployed teachers. (a) A teacher may make a one-time election to participate in the defined benefit retirement plan under AS 14.25.009 - 14.25.220 if the teacher

(1) became a member of the defined contribution retirement plan under AS 14.25.310 - 14.25.590 after June 30, 2006, and before July 1, 2024;

(2) is not employed by an employer on July 1, 2024;

(3) is reemployed by an employer after July 1, 2024; and

(4) before the date of reemployment,

(A) has not received a distribution of the entire balance in the teacher's individual account under the defined contribution retirement plan

1 under AS 14.25.310 - 14.25.590; or

2 (B) has received a rollover distribution of the entire balance in
3 the teacher's individual account in the plan under AS 14.25.310 - 14.25.590
4 and has within 180 days of reemployment had all or part of a direct rollover
5 distribution from an eligible retirement plan owned by the teacher paid directly
6 into the teacher's individual account under AS 14.25.310 - 14.25.590.

7 (b) An election under (a) of this section may be made not more than 180 days
8 after the date of reemployment. A reemployed teacher electing to participate under (a)
9 of this section shall use the balance of the member's individual account in the plan
10 under AS 14.25.310 - 14.25.590, including any rollover contributions, to purchase
11 credited service in the plan under AS 14.25.009 - 14.25.220. An election made under
12 (a) of this section must be made in writing in the manner prescribed by the
13 administrator. An election made by a teacher who is married is not effective unless the
14 election is signed by the teacher's spouse. The administrator shall provide a teacher
15 who is eligible to make an election under (a) of this section with information about the
16 potential consequences of the teacher's election, including calculations to illustrate the
17 effect of moving the teacher's retirement plan from a defined contribution retirement
18 plan to a defined benefit retirement plan.

19 (c) An election made under (a) of this section to participate in the plan under
20 AS 14.25.009 - 14.25.220 is irrevocable. On the effective date of the election, the
21 teacher shall be enrolled as a member of the plan, and the teacher's participation in the
22 plan shall be governed by the applicable provisions of the plan. The teacher's
23 enrollment in the plan is retroactive to the date of hire.

24 (d) When a teacher makes an election under this section, the administrator
25 shall cause the total amount of the teacher's member and employer contributions to the
26 plan under AS 14.25.310 - 14.25.590, with investment earnings and losses through the
27 day of the teacher's election to participate as a member in the plan under AS 14.25.009
28 - 14.25.220, to be actuarially calculated and, subject to (f) of this section, transferred
29 to the retirement fund in the plan under AS 14.25.009 - 14.25.220. On the effective
30 date of the teacher's participation in the plan under AS 14.25.009 - 14.25.220, the
31 teacher shall be credited with service in the plan. The board shall determine the cost of

the teacher's actual service time based on the teacher's accrued actuarial liability of pension benefits in the plan, and credit the teacher with service time equal to the value actuarially calculated and transferred to the retirement fund in the plan under AS 14.25.009 - 14.25.220. The board shall adopt regulations establishing transfer procedures. The transfer may not occur later than 60 days after the date the administrator receives the teacher's election, unless the major financial markets for securities available for a transfer are seriously disrupted by an unforeseen event that also causes the suspension of trading on any national securities exchange in the country where the securities were issued. In that event, the 60-day period may be extended by a resolution of the board. A transfer is not commissionable or subject to other fees and may be in the form of cash or a security as determined by the board. A security shall be valued on the date of receipt in the teacher's account.

(e) When making a transfer under (d) of this section or a transfer for a reemployed teacher subject to the plan under AS 14.25.040(h), the administrator shall transfer

(1) an amount equal to the decrease in the accrued actuarial liability of the death and disability trust in the plan established under AS 14.25.310 - 14.25.590 resulting from the transfer as of the date of transfer, based on the most recent actuarial valuation of the death and disability trust, from the death and disability trust in the plan established under AS 14.25.310 - 14.25.590 to the retirement fund in the plan established under AS 14.25.009 - 14.25.220; and

(2) an amount equal to the increase in the accrued actuarial liability of the health care trust in the plan established under AS 14.25.009 - 14.25.220 resulting from the transfer as of the date of transfer, based on the actuarial assumptions set out in (g) of this section, from the trust established under AS 39.30.097(b) for the prefunding of medical benefits provided by AS 14.25.480 to the trust established under AS 39.30.097(a) for the prefunding of medical benefits provided by AS 14.25.171.

(f) If the value actuarially calculated under (d) of this section is insufficient to pay for service credit equal to the teacher's actual service time, the administrator shall allow the teacher the option of purchasing service credit in an amount up to the

1 amount needed to eliminate the insufficiency; however, if that value exceeds the
 2 amount needed to pay for service credit equal to the teacher's actual service, the
 3 administrator shall cause the excess to be paid to the employee as a rollover transfer to
 4 either an individual employee annuity account in the Department of Administration
 5 under the terms of AS 39.30.150 - 39.30.180 (State of Alaska Supplemental Annuity
 6 Plan) or, if the member's employer does not participate in the State of Alaska
 7 Supplemental Annuity Plan, to an eligible retirement plan as defined in
 8 AS 14.25.360(d). An excess may not be used to purchase additional service credit in
 9 the plan under AS 14.25.009 - 14.25.220. When a reemployed teacher enters the plan
 10 under AS 14.25.040(h), the administrator shall allow the teacher to pay for a period of
 11 service credit up to the teacher's actual service. When a teacher elects to purchase
 12 service credit under this section and does not immediately pay for the service credit
 13 purchased, an indebtedness is established. Interest as prescribed by regulation accrues
 14 on a teacher's indebtedness. Indebtedness that exists at the time the teacher is
 15 appointed to retirement necessitates an actuarial adjustment to the benefits payable due
 16 to service in the defined contribution retirement plan.

17 (g) Actuarial assumptions about the plan under AS 14.25.009 - 14.25.220
 18 must be based on the most recent actuarial valuation of the plan, except that the
 19 retirement rates are computed at 25 percent of the retirement rates used in the most
 20 recent actuarial valuation of the retirement fund plus 75 percent of the retirement rates
 21 used in the most recent actuarial valuation of the plan under AS 14.25.310 - 14.25.590.

22 (h) The provisions of this section are subject to the requirements of the
 23 Internal Revenue Code and the limitations under AS 14.25.010, 14.25.181,
 24 14.25.320(c) and (d), and 14.25.490.

25 * **Sec. 5.** AS 14.25.048(b) is amended to read:

26 (b) An employee or former employee **who first became a member of the**
 27 **plan before July 1, 2006,** may receive credit for retroactive membership service for
 28 employment before June 5, 1988, if the employee or former employee met the
 29 requirements listed in (a) of this section at the time of the employment. To receive
 30 credit for the retroactive membership service, the employee or former employee shall
 31 claim the service and pay the retroactive contributions required under **former**

AS 14.25.061. However, an employee or former employee may not receive retroactive credit under this subsection if the employee received credited service under AS 39.35 for the employment.

* **Sec. 6.** AS 14.25.048(c) is amended to read:

(c) An employee or former employee who first became a member of the plan before July 1, 2006, and who received credit under AS 39.35 for service that qualifies under (a) of this section may elect to transfer those periods of employment to the plan. To receive credit for retroactive membership service under this subsection, the employee or former employee shall claim the service and pay the retroactive contributions required under former AS 14.25.061.

* **Sec. 7.** AS 14.25.050(a) is amended to read:

(a) Except as provided in (c) and (e) of this section, beginning January 1, 1991, each member shall contribute to the plan an amount equal to 8.65 percent of the member's base salary accrued from July 1 to the following June 30. [THE EMPLOYER SHALL DEDUCT THE CONTRIBUTION FROM THE MEMBER'S SALARY AT THE END OF EACH PAYROLL PERIOD, AND THE CONTRIBUTION SHALL BE CREDITED BY THE PLAN TO THE MEMBER CONTRIBUTION ACCOUNT. THE CONTRIBUTIONS SHALL BE DEDUCTED FROM EMPLOYEE COMPENSATION BEFORE THE COMPUTATION OF APPLICABLE FEDERAL TAXES AND SHALL BE TREATED AS EMPLOYER CONTRIBUTIONS UNDER 26 U.S.C. 414(h)(2). A MEMBER MAY NOT HAVE THE OPTION OF MAKING THE PAYROLL DEDUCTION DIRECTLY IN CASH INSTEAD OF HAVING THE CONTRIBUTION PICKED UP BY THE EMPLOYER.]

* **Sec. 8.** AS 14.25.050 is amended by adding new subsections to read:

(e) A member who first participates in the plan after June 30, 2006, shall contribute to the plan an amount equal to eight percent of the member's base salary accrued from July 1 to the following June 30. The board may, from time to time, adjust the contribution under this subsection to an amount that,

(1) if decreased, is not less than eight percent of the member's base salary; and

1 (2) if increased, is not more than 12 percent of the member's base
2 salary.

3 (f) The employer shall deduct a contribution under this section from the
4 member's salary at the end of each payroll period, and the contribution shall be
5 credited by the plan to the member contribution account. The contributions shall be
6 deducted from member compensation before the computation of applicable federal
7 taxes and shall be treated as employer contributions under 26 U.S.C. 414(h)(2). A
8 member may not have the option of making the payroll deduction directly in cash
9 instead of having the contribution picked up by the employer.

10 (g) The board shall increase the member contribution under (e) of this section
11 if the board determines that, unless the contribution is increased, the portion of the
12 liability of the plan that is attributable to all members who first became members of
13 the plan after June 30, 2006, will be funded below 90 percent. The board may not
14 increase the member contribution unless the board increases the employer contribution
15 under AS 14.25.070(a)(2) by an equal amount. The board may decrease the
16 contribution under (e) of this section if the board determines that, after the
17 contribution is decreased, the portion of the liability of the plan that is attributable to
18 all members who first became members of the plan after June 30, 2006, will be funded
19 above 90 percent. The board may not decrease the member contribution unless the
20 board decreases the employer contribution under AS 14.25.070(a)(2) by an equal
21 amount.

22 * **Sec. 9.** AS 14.25.065(b) is amended to read:

23 (b) The contributions of employers under AS 14.25.070 must be transmitted to
24 the plan for deposit in the retirement fund and the Alaska retiree health care trust at the
25 close of each pay period. If the contributions are not submitted within the prescribed
26 time limit, interest must be assessed on the outstanding contributions at [ONE AND
27 ONE-HALF TIMES] the most recent actuarially determined rate of earnings for the
28 plan from the date that contributions were originally due. Amounts due from an
29 employer and interest as prescribed in this section may be claimed by the
30 administrator from any agency of the state or political subdivision that has in its
31 possession funds of the employer or that is authorized to disburse funds to the

1 employer that are not restricted by statute or appropriation to a specific purpose. The
 2 amount claimed shall be certified by the administrator as sufficient to pay the
 3 contributions and interest due from the employer. The amount claimed shall be
 4 submitted to the administrator for deposit in the retirement fund and the Alaska retiree
 5 health care trust.

6 * **Sec. 10.** AS 14.25.070(a) is amended to read:

7 (a) Each employer shall contribute to the system every payroll period **the**
 8 **lesser of**

9 **(1) an amount calculated by applying a rate of 12.56 percent to the**
 10 **total of all base salaries paid by the employer to active members of the system and to**
 11 **members who are retired from the plan and reemployed under AS 14.20.136,**
 12 **including any adjustments to contributions required by AS 14.25.173(a); or**

13 **(2) an amount calculated by applying a rate established by the**
 14 **board under AS 37.10.220 to the total of all base salaries paid by the employer to**
 15 **active members of the system and to members who are retired from the plan and**
 16 **reemployed under AS 14.20.136, including any adjustments to contributions**
 17 **required by AS 14.25.173(a); the rate must be at least 12 percent and be sufficient**
 18 **to pay the actuarially determined employer normal cost, all contributions**
 19 **required under AS 14.25.350 and AS 39.30.370, and past service cost for**
 20 **members of the system.**

21 * **Sec. 11.** AS 14.25.070 is amended by adding a new subsection to read:

22 (i) If the legislature appropriates funds for the purpose of decreasing an
 23 employer's contribution, the employer's contribution under (a) of this section shall
 24 decrease by that amount.

25 * **Sec. 12.** AS 14.25.075(a) is amended to read:

26 (a) An employee who is eligible to purchase credited service under
 27 AS 14.25.047 or 14.25.048, a member who is eligible to purchase credited service
 28 under **former AS 14.25.061 or under** AS 14.25.048, 14.25.050, 14.25.060,
 29 [14.25.061,] 14.25.100, or 14.25.107, or a teacher who is eligible to purchase credited
 30 service under AS 14.20.345, **AS 14.25.044, 14.25.050** [AS 14.25.050], or 14.25.105,
 31 in lieu of making payments directly to the plan, may elect to have the member's

1 employer make payments as provided in this section.

2 * **Sec. 13.** AS 14.25.075(b) is amended to read:

3 (b) A member may elect to have the employer make payments for all or any
4 portion of the amounts payable for the member's purchase of credited service through
5 a salary reduction program as follows:

6 (1) the amounts paid under a salary reduction program are in lieu of
7 contributions by the member making the election; the electing member's salary or
8 other compensation shall be reduced by the amount paid by the employer under this
9 subsection;

10 (2) the member shall make an irrevocable election under this
11 subsection to purchase credited service as permitted in **former AS 14.25.061 or in**
12 AS 14.20.345, **AS 14.25.044, 14.25.047** [AS 14.25.047], 14.25.048, 14.25.050,
13 14.25.060, [14.25.061,] 14.25.100, 14.25.105, or 14.25.107 before the member's
14 termination of employment; the irrevocable election must specify the number of
15 payroll periods that deductions will be made from the member's compensation and the
16 dollar amount of deductions for each payroll period during the specified number of
17 payroll periods; the deductions made under this paragraph cease upon the earlier of the
18 member's termination of employment with the employer or the member's death;
19 amounts paid by an employer under (f) of this section may not be applied toward the
20 payment of the dollar amount of the deductions representing the portion of the credited
21 service that is being purchased by the member through payroll deduction in
22 accordance with the member's irrevocable election under this paragraph;

23 (3) amounts paid by an employer under this subsection shall be treated
24 as employer contributions for the purpose of determining tax treatment under 26
25 U.S.C. (Internal Revenue Code); the amounts paid by the employer under this section
26 may not be included in the member's gross income for income tax purposes until those
27 amounts are distributed by refund or retirement benefit payments.

28 * **Sec. 14.** AS 14.25.075(i) is amended to read:

29 (i) On satisfaction of the eligibility requirements of **former AS 14.25.061 or**
30 **of AS 14.20.345, AS 14.25.044, 14.25.047** [AS 14.25.047], 14.25.048, 14.25.050,
31 14.25.060, [14.25.061,] 14.25.100, 14.25.105, or 14.25.107, the requirements of this

1 section, and the administrative filing requirements specified by the administrator, the
 2 plan shall adjust the member's credited service history and add any additional service
 3 credits acquired.

4 * **Sec. 15.** AS 14.25 is amended by adding a new section to read:

5 **Sec. 14.25.086. Sub-trust for members who first became members after**
 6 **June 30, 2006.** The administrator shall deposit a portion of employer contributions
 7 under AS 14.25.070 and 14.25.085 in a sub-trust of the retirement fund established by
 8 the board for members who first became members after June 30, 2006. The amount
 9 deposited, when combined with the amount separately computed for medical benefits
 10 under AS 14.25.087, must be sufficient to pay the actuarially determined employer
 11 normal cost and past service cost for members of the system who first became
 12 members after June 30, 2006. When the amount sufficient to pay the actuarially
 13 determined employer normal cost, all contributions required under AS 14.25.350 and
 14 AS 39.30.370, and past service cost for members of the system is less than 12 percent
 15 of all base salaries paid to active members of the system and to members who are
 16 retired from the plan and reemployed under AS 14.20.136, including any adjustments
 17 to contributions required by AS 14.25.173(a), the administrator shall deposit the
 18 difference in the sub-trust established under this section.

19 * **Sec. 16.** AS 14.25.087 is amended to read:

20 **Sec. 14.25.087. Contributions for medical benefits.** Contributions made by
 21 an employer under AS 14.25.070 and 14.25.085 must [SHALL] be separately
 22 computed for benefits provided by AS 14.25.168 and retiree major medical
 23 insurance plan benefits provided under AS 14.25.171, and must [SHALL] be
 24 deposited in the Alaska retiree health care trust established under AS 39.30.097(a).

25 * **Sec. 17.** AS 14.25.110(a) is amended to read:

26 (a) Subject to AS 14.25.167,

27 (1) a member who first became a member of the plan before July 1,
 28 2006, is eligible for a normal retirement benefit if the member

29 (A) [(1)] was first hired before July 1, 1975, has attained the
 30 age of 55 years, and has at least 15 years of credited service, the last five of
 31 which have been membership service, or is otherwise vested in the plan;

1 **(B)** [(2)] has attained the age of 60 years and has at least eight
2 years of membership service;

3 **(C)** [(3)] has attained the age of 60 years, has at least five years
4 of membership service, and has Alaska BIA service which, when added to the
5 membership service, will equal at least eight years;

6 **(D)** [(4)] has at least 25 years of credited service, the last five
7 of which have been membership service;

8 **(E)** [(5)] has at least 20 years of membership service;

9 **(F)** [(6)] has at least 20 years of combined membership service
10 and Alaska BIA service, the last five of which have been membership service;

14 a part-time teacher;

15 **(ii)** [(B)] one full year of membership service as a full-
16 time teacher; or

17 **(iii)** [(C)] any combination of service qualified under
18 this **subparagraph**;

19 **(2) a member who first became a member of the plan after**
20 **June 30, 2006, is eligible for a normal retirement benefit if the member**

21 **(A) has attained the age of 60 years and has at least five**
22 **years of membership service; or**

23 **(B) has at least 30 years of membership service**
24 **[PARAGRAPH].**

25 * **Sec. 18.** AS 14.25.110(b) is amended to read:

26 (b) Subject to AS 14.25.167, a member is eligible for an early retirement
27 benefit upon completing the service requirements in **(a)(1)(A)** [(a)(1)] of this section
28 and attaining the age of 50 years or upon completing the service requirements in
29 **(a)(1)(B) or (C)** [(a)(2) OR (3)] of this section and attaining the age of 55 years.

25 retired directly from the plan, and has elected benefits under this section is entitled to
26 medical benefits under this section. A member who applies for medical benefits under
27 this section shall apply on the forms and in the manner prescribed by the
28 administrator. A member is eligible to retire from the plan if the member has been an
29 active member for at least 12 months before application for retirement and the member

30 (1) has at least 30 years of service; or

5 (c) The medical benefits available to eligible persons are access to the retiree
6 major medical insurance plan and access to the health reimbursement arrangement
7 plan under AS 39.30.300. Access to the retiree major medical insurance plan means
8 that an eligible person may not be denied insurance coverage except for failure to pay
9 the required premium.

10 (d) Retiree major medical insurance plan coverage elected by an eligible
11 member under this section covers the eligible member, the spouse of the eligible
12 member, and the dependent children of the eligible member.

24 person applies for retirement and medical benefits, whichever is later.

25 (i) Major medical insurance coverage takes effect on the first day of the month
26 following the date of the administrator's approval of the election and stops when the
27 person who elects coverage dies or fails to make a required premium payment.

28 (j) The coverage for persons 65 years of age or older is the same as that
29 available for persons under 65 years of age. The benefits payable to those persons 65
30 years of age or older supplement any benefits provided under the federal old age,
31 survivors, and disability insurance program.

(k) The medical and optional insurance premiums owed by the person who elects coverage may be deducted from the health reimbursement arrangement plan. If the amount of the health reimbursement arrangement plan becomes insufficient to pay the premiums, the person who elects coverage under (a) of this section shall pay the premiums directly.

(l) The cost of premiums for retiree major medical insurance coverage under this section for an eligible member or surviving spouse who is

(1) not eligible for Medicare is an amount equal to the full monthly group premiums for retiree major medical insurance coverage;

1 coverage; and

2 (C) whether the election is irrevocable; and

3 (2) require that a person entitled to retiree major medical insurance
4 coverage under this section indicate in writing on a form provided by the administrator
5 whether the person has chosen to receive optional health insurance coverage.

6 (o) The monthly group premiums for retiree major medical insurance coverage
7 under this section are established by the administrator in accordance with
8 AS 39.30.095. Nothing in this chapter guarantees a person who elects coverage under
9 (a) of this section a monthly group premium rate for retiree major medical insurance
10 coverage other than the premium in effect for the month in which the premium is due
11 for coverage for that month.

24 only to members first hired

25 (1) before July 1, 2006, who have

26 (A) not elected under former AS 39.35.940 to participate in
27 the defined contribution retirement plan under AS 39.35.700 - 39.35.990;
28 or

29 (B) elected under former AS 39.35.940 to participate in the
30 defined contribution retirement plan under AS 39.35.700 - 39.35.990 and
31 are former members of the defined contribution retirement plan under

AS 39.35.700 - 39.35.990;

(2) after June 30, 2006, and before July 1, 2024, who are former members of the defined contribution retirement plan under AS 39.35.700 - 39.35.990; or

(3) on or after July 1, 2024 [: AS 39.35.095 - 39.35.680].

* **Sec. 56.** AS 39.35.095 is amended by adding a new subsection to read:

(b) An employee who became a member of the system after June 30, 2006, and before July 1, 2024, or who has elected under former AS 39.35.940 to participate in the defined contribution retirement plan under AS 39.35.700 - 39.35.990, is subject to AS 39.35.095 - 39.35.680 if the employee

(1) is not employed by an employer on July 1, 2024;

(2) is reemployed by an employer after July 1, 2024; and

(3) has, before the date of reemployment, received

(A) a distribution, other than a rollover distribution, of the entire balance in the member's individual account in the defined contribution retirement plan; or

(B) a rollover distribution of the entire balance in the member's individual account in the defined contribution retirement plan and has not within 180 days of reemployment had all or part of a direct rollover distribution from an eligible retirement plan owned by the member paid directly into the member's individual account.

* **Sec. 57.** AS 39.35.100(b) is amended to read:

(b) An individual account shall be maintained for each employee to record the amount of the employee's mandatory contributions collected under **AS 39.35.160** [AS 39.35.160(a)]. As of the last day of each calendar year and of each fiscal year, this account shall be credited with interest by applying the prescribed rate of interest, as determined by the board, to the balance in the account as of that date. When the employee is appointed to retirement, the amount held in the individual account shall be used first to fully finance the benefits paid. Once this account has been exhausted, the plan shall fully finance the benefits paid that were not financed by the employee's individual account.

1 * **Sec. 58.** AS 39.35 is amended by adding a new section to article 3 to read:

2 **Sec. 39.35.159. Election of defined benefit retirement plan by reemployed**
 3 **employees.** (a) An employee may make a one-time election to participate in the plan
 4 under AS 39.35.095 - 39.35.680 if the employee

5 (1) became a member of the defined contribution retirement plan under
 6 AS 39.35.700 - 39.35.990 after June 30, 2006, and before July 1, 2024;

7 (2) is not employed by an employer on July 1, 2024;

8 (3) is reemployed by an employer after July 1, 2024; and

9 (4) before the date of reemployment,

10 (A) has not received a distribution of the entire balance in the
 11 employee's individual account under the defined contribution retirement plan
 12 established in AS 39.35.700 - 39.35.990; or

13 (B) has received a rollover distribution of the entire balance in
 14 the member's individual account in the defined contribution retirement plan
 15 and has within 180 days of reemployment had all or part of a direct rollover
 16 distribution from an eligible retirement plan owned by the member paid
 17 directly into the member's individual account.

18 (b) An election under (a) of this section may be made not more than 180 days
 19 after the date of reemployment. A reemployed employee electing to participate under
 20 (a) of this section shall use the balance of the employee's individual account in the
 21 plan under AS 39.35.700 - 39.35.990, including any rollover contributions, to
 22 purchase credited service in the plan under AS 39.35.095 - 39.35.680. An election
 23 made under (a) of this section must be made in writing in the manner prescribed by the
 24 administrator. An election made by an employee who is married is not effective unless
 25 the election is signed by the employee's spouse. The administrator shall provide an
 26 employee who is eligible to make an election under (a) of this section with
 27 information about the potential consequences of the employee's election, including
 28 calculations to illustrate the effect of moving the employee's retirement plan from a
 29 defined contribution retirement plan to a defined benefit retirement plan.

30 (c) An election made under (a) of this section to participate in the plan under
 31 AS 39.35.095 - 39.35.680 is irrevocable. On the effective date of the election, an

1 eligible employee shall be enrolled as a member of the plan, and the employee's
 2 participation in the plan shall be governed by the applicable provisions of the plan.
 3 The employee's enrollment in the plan is retroactive to the date of hire.

4 (d) When an eligible employee makes an election under this section, the
 5 administrator shall cause the total amount of the employee's employee and employer
 6 contributions to the plan under AS 39.35.700 - 39.35.990, with investment earnings
 7 and losses through the day of the employee's election to participate as a member in the
 8 plan under AS 39.35.095 - 39.35.680, to be actuarially calculated and, subject to (f) of
 9 this section, transferred to the pension fund in the plan under AS 39.35.095 -
 10 39.35.680. On the effective date of the employee's participation in the plan under
 11 AS 39.35.095 - 39.35.680, the employee shall be credited with service in the plan. The
 12 board shall determine the cost of the employee's actual service time based on the
 13 employee's accrued actuarial liability of pension benefits in the plan, and credit the
 14 employee with service time equal to the value actuarially calculated and transferred to
 15 the pension fund in the plan under AS 39.35.095 - 39.35.680. The board shall adopt
 16 regulations establishing transfer procedures. The transfer may not occur later than 60
 17 days after the date the administrator receives the employee's election, unless the major
 18 financial markets for securities available for a transfer are seriously disrupted by an
 19 unforeseen event that also causes the suspension of trading on any national securities
 20 exchange in the country where the securities were issued. In that event, the 60-day
 21 period may be extended by a resolution of the board. A transfer is not commissionable
 22 or subject to other fees and may be in the form of cash or a security as determined by
 23 the board. A security shall be valued on the date of receipt in the employee's account.

24 (e) When making a transfer under (d) of this section or a transfer for a
 25 reemployed employee subject to the plan under AS 39.35.095(b), the administrator
 26 shall transfer

27 (1) an amount equal to the decrease in the accrued actuarial liability of
 28 the death and disability trust in the plan under AS 39.35.700 - 39.35.990 resulting
 29 from the transfer as of the date of transfer, based on the most recent actuarial valuation
 30 of the death and disability trust, from the death and disability trust in the plan under
 31 AS 39.35.700 - 39.35.990 to the pension fund in the plan under AS 39.35.095 -

1 39.35.680; and

2 (2) an amount equal to the increase in the accrued actuarial liability of
3 the health care trust in the plan under AS 39.35.095 - 39.35.680 resulting from the
4 transfer as of the date of transfer, based on the actuarial assumptions set out in (g) of
5 this section, from the trust established under AS 39.30.097(b) for the prefunding of
6 medical benefits provided by AS 39.35.880 to the trust established under
7 AS 39.30.097(a) for the prefunding of medical benefits provided by AS 39.35.537.

8 (f) If the value actuarially calculated under (d) of this section is insufficient to
9 pay for service credit equal to the employee's actual service, the administrator shall
10 allow the employee the option of purchasing service credit in an amount up to the
11 amount needed to eliminate the insufficiency; however, if that value exceeds the
12 amount needed to pay for service credit equal to the employee's actual service, the
13 administrator shall cause the excess to be paid to the employee as a rollover transfer to
14 either an individual employee annuity account in the Department of Administration
15 under the terms of AS 39.30.150 - 39.30.180 (State of Alaska Supplemental Annuity
16 Plan) or, if the member's employer does not participate in the State of Alaska
17 Supplemental Annuity Plan, to an eligible retirement plan as defined in
18 AS 39.35.760(d). An excess may not be used to purchase additional service credit in
19 the plan under AS 39.35.095 - 39.35.680. When a reemployed employee enters the
20 plan under AS 39.35.095(b), the administrator shall allow the employee to pay for a
21 period of service credit up to the employee's actual service. When an employee elects
22 to purchase service credit under this section and does not immediately pay for the
23 service credit purchased, an indebtedness is established. Interest as prescribed by
24 regulation accrues on an employee's indebtedness. Indebtedness that exists at the time
25 the employee is appointed to retirement necessitates an actuarial adjustment to the
26 benefits payable due to service in the defined contribution retirement plan.

27 (g) Actuarial assumptions about the plan under AS 39.35.095 - 39.35.680
28 must be based on the most recent actuarial valuation of the plan, except that the
29 retirement rates are computed at 25 percent of the retirement rates used in the most
30 recent actuarial valuation of the pension fund for the plan plus 75 percent of the
31 retirement rates used in the most recent actuarial valuation of the plan under

1 AS 39.35.700 - 39.35.990.

2 (h) The provisions of this section are subject to the requirements of the
3 Internal Revenue Code and the limitations under AS 39.35.115, 39.35.678,
4 39.35.710(c) and (d), and 39.35.895. In this subsection, "Internal Revenue Code" has
5 the meaning given in AS 39.35.990.

6 * **Sec. 59.** AS 39.35.160(a) is amended to read:

7 (a) **Subject to (e) of this section, beginning** [BEGINNING] January 1, 1987,
8 each peace officer or firefighter shall contribute to the plan an amount equal to seven
9 and one-half percent of the peace officer's or firefighter's compensation, **and, except** [.
10 EXCEPT] as provided in **(d) - (e)** [(d)] of this section, beginning January 1, 1987,
11 each other employee shall contribute to the plan an amount equal to six and three-
12 quarters percent of the employee's compensation. [THE CONTRIBUTIONS SHALL
13 BE DEDUCTED BY THE EMPLOYER AT THE END OF EACH PAYROLL
14 PERIOD. THE CONTRIBUTIONS SHALL BE DEDUCTED FROM EMPLOYEE
15 COMPENSATION BEFORE COMPUTATION OF APPLICABLE FEDERAL
16 TAXES, AND THE CONTRIBUTIONS SHALL BE TREATED AS EMPLOYER
17 CONTRIBUTIONS UNDER 26 U.S.C. 414(h)(2). A MEMBER MAY NOT HAVE
18 THE OPTION OF MAKING THE PAYROLL DEDUCTION DIRECTLY INSTEAD
19 OF HAVING THE CONTRIBUTION PICKED UP BY THE EMPLOYER.]

20 * **Sec. 60.** AS 39.35.160 is amended by adding new subsections to read:

21 (e) An employee who first participates in the plan after June 30, 2006, shall
22 contribute to the plan an amount equal to eight percent of the employee's
23 compensation. The board may, from time to time, adjust the employee contribution
24 under this subsection to an amount that,

25 (1) if decreased, is not less than eight percent of the employee's
26 compensation; and

27 (2) if increased, is not more than 12 percent of the employee's
28 compensation.

29 (f) Contributions under (a) and (e) of this section shall be deducted by the
30 employer at the end of each payroll period. The contributions shall be deducted from
31 employee compensation before computation of applicable federal taxes, and the

1 contributions shall be treated as employer contributions under 26 U.S.C. 414(h)(2). A
 2 member may not have the option of making the payroll deduction directly instead of
 3 having the contribution picked up by the employer.

4 (g) The board shall increase the employee contribution under (e) of this
 5 section if the board determines that, unless the contribution is increased, the portion of
 6 the liability of the plan that is attributable to employees who first participate in the
 7 plan after June 30, 2006, will be funded below 90 percent. The board may not increase
 8 the employee contribution unless the board increases the employer contribution under
 9 AS 39.35.255(a)(2) by an equal amount. The board may decrease the contribution
 10 under (e) of this section if the board determines that, after the contribution is
 11 decreased, the portion of the liability of the plan that is attributable to all members
 12 who first became members of the plan after June 30, 2006, will be funded above 90
 13 percent. The board may not decrease the employee contribution unless the board
 14 decreases the employer contribution under AS 39.35.255(a)(2) by an equal amount.

15 * **Sec. 61.** AS 39.35.165(a) is amended to read:

16 (a) An employee who is eligible to purchase credited service under
 17 AS 39.35.159, 39.35.310 [AS 39.35.310], 39.35.330, 39.35.340, 39.35.342, 39.35.345,
 18 39.35.360, or 39.35.370, a member who is eligible to purchase credited service under
 19 AS 39.35.375, or an elected public official who is eligible to purchase credited service
 20 under AS 39.35.381 is an employee for purposes of this section. An employee may, in

3 **(A)** [(1)] paid by the employer to employees who are active
4 members of the system, including any adjustments to contributions required by
5 AS 39.35.520; or

6 **(B)** [(2)] paid by the employer to employees who were active

8 year ending

9 **(i)** [(A)] June 30, 2008; or

10 **(ii)** [(B)] June 30, 2012, if that total is less than the total

31 under AS 39.35.282, must be sufficient to pay the actuarially determined employer

At any time, the board may terminate a reduction made under this subsection.

Sec. 39.35.537. Medical benefit; eligibility of employees first hired after June 30, 2006; surviving spouses and dependents. (a) An employee who first became a member of the plan after June 30, 2006, receives a monthly benefit from the plan, retired directly from the plan, and has elected benefits under this section is entitled to medical benefits under this section. A member who applies for medical benefits under this section shall apply on the forms and in the manner prescribed by the administrator. A member is eligible to retire from the plan if the member has been an active member for at least 12 months before application for retirement and the member

(1) is at least

(A) 50 years of age and has at least 25 years of membership service as a peace officer or firefighter;

(B) 55 years of age and has at least 20 years of membership service as a peace officer or firefighter;

(2) has at least 30 years of membership; or

(3) reaches the age set for Medicare eligibility and has at least 10 years of membership service.

1 (b) The member's surviving spouse is eligible to elect medical benefits if the
2 member had retired or was eligible for retirement and medical benefits at the time of
3 the member's death.

4 (c) The medical benefits available to eligible persons are access to the retiree
5 major medical insurance plan and access to the health reimbursement arrangement
6 plan under AS 39.30.300. Access to the retiree major medical insurance plan means
7 that an eligible person may not be denied insurance coverage except for failure to pay
8 the required premium.

9 (d) Retiree major medical insurance plan coverage elected by an eligible
10 member under this section covers the eligible member, the spouse of the eligible
11 member, and the dependent children of the eligible member.

12 (e) Retiree major medical insurance plan coverage elected by a surviving
13 spouse of an eligible member under this section covers the surviving spouse and the
14 dependent children of the eligible member who are dependent on the surviving spouse.

15 (f) Participation in the retiree major medical insurance plan is not required in
16 order to participate in the health reimbursement arrangement plan.

17 (g) A person eligible for medical benefits under this section is not required to
18 participate in the health reimbursement arrangement plan in order to participate in the
19 retiree major medical insurance plan.

20 (h) A person who is eligible for medical benefits under this section must make
21 the irrevocable election to participate or not participate in the retiree major medical
22 insurance plan on or before the date the person reaches 70 1/2 years of age or when the
23 person applies for retirement and medical benefits, whichever is later.

24 (i) Major medical insurance coverage takes effect on the first day of the month
25 following the date of the administrator's approval of the election and stops when the
26 person who elects coverage dies or fails to make a required premium payment.

27 (j) The coverage for persons 65 years of age or older is the same as that
28 available for persons under 65 years of age. The benefits payable to those persons 65
29 years of age or older supplement any benefits provided under the federal old age,
30 survivors, and disability insurance program.

31 (k) The medical and optional insurance premiums owed by the person who

elects coverage may be deducted from the health reimbursement arrangement plan. If the amount of the health reimbursement arrangement plan becomes insufficient to pay the premiums, the person who elects coverage under (a) of this section shall pay the premiums directly.

(l) The cost of premiums for retiree major medical insurance coverage under this section for an eligible member or surviving spouse who is

(1) not eligible for Medicare is an amount equal to the full monthly group premiums for retiree major medical insurance coverage;

(2) eligible for Medicare is the following percentage of the premium amounts established for retirees who are eligible for Medicare:

(D) 15 percent if the member had 25 or more, but less than 30, years of service;

(E) 10 percent if the member had 30 or more years of service.

(m) The eligibility for retiree major medical insurance coverage for an alternate payee under a qualified domestic relations order shall be determined based on the eligibility of the member to elect coverage. The alternate payee shall pay the full monthly premium for retiree major medical insurance coverage.

(n) The administrator shall

(1) inform a person entitled to retiree major medical insurance coverage under this section in writing

(A) that the health insurance coverage available to retired members may be different from the health insurance coverage provided to employees;

(B) of time limits for selecting optional health insurance coverage; and

1 (C) whether the election is irrevocable; and

2 (2) require that a person entitled to retiree major medical insurance
3 coverage under this section indicate in writing on a form provided by the administrator
4 whether the person has chosen to receive optional health insurance coverage.

5 (o) The monthly group premiums for retiree major medical insurance coverage
6 under this section are established by the administrator in accordance with
7 AS 39.30.095. Nothing in this chapter guarantees a person who elects coverage under
8 (a) of this section a monthly group premium rate for retiree major medical insurance
9 coverage other than the premium in effect for the month in which the premium is due
10 for coverage for that month.

11 (p) In this section, "health reimbursement arrangement plan" means the State

25 number of months, including fractional months, for which compensation was earned;
26 an employee must have at least 115 days of credited service in the last payroll year in
27 order for that year to be used as part of the consecutive payroll years; the considered
