AN ACT to amend Tennessee Code Annotated, Title 4,
Chapter 3, Part 1, relative to state government.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Title 4, Chapter 3, Part 1, is amended by adding the following as a new section:

(a) Before July 1, 2018, and each July 1 thereafter, each administrative department shall provide documentation of at least three (3) but no more than five (5) measurable activities of the department to the government operations committee of the senate and the government operations committee of the house of representatives. The documentation must include the department's target goal for the measureable activity and the actual data in regard to the measureable activity.

(b) The government operations committee of the senate and the government operations committee of the house of representatives shall jointly evaluate each administrative department's documentation of measurable activities and produce a department score card. Each department's score card shall be posted on that department's website.

(c) As used in this section, "measureable activity" means a regular function of a department in its normal course of business that can be quantified or measured numerically or temporally and that is indicative of the efficient use of the resources of the department.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
