2 ***Be it enacted by the General Assembly of the Commonwealth of Kentucky:***

3 ➔Section 1. KRS 67C.147 is amended to read as follows:

4 (1) In order to maintain the tax structure, tax rates, or level of services in the area of the
5 consolidated local government formerly comprising the city of the first class, the
6 legislative council of a consolidated local government may provide in the manner
7 described in this chapter for taxes and services within the area comprising the
8 former city of the first class which are different from the taxes and services which
9 are applicable in the remainder of the county. These differences may include
10 differences in tax rates upon the class of property which includes the surface of the
11 land, differences in ad valorem tax rates upon personal property, and differences in
12 tax rates upon insurance premiums.

13 (2) Any difference in the ad valorem tax rate on the class of property which includes
14 the surface of the land in the portion of the county formerly comprising the city of
15 the first class and in the portion of the county other than that formerly comprising
16 the city of the first class may be imposed directly by the consolidated local
17 government council. Any change in these ad valorem tax rates shall comply with
18 KRS 68.245, 132.010, 132.017, and 132.027 and shall be used for services as
19 provided by KRS 82.085.

20 (3) If the consolidated local government council determines to provide for tax rates
21 applicable to health insurance premiums and personal property which are different
22 in the area formerly comprising the city of the first class than the rates applicable in
23 the remainder of the county, it shall do so in the following manner. The
24 consolidated local government council shall by ordinance create a tax district to be
25 known as the "urban service tax district" bounded by the former boundaries of the
26 former city of the first class. The ordinance shall designate the number of members
27 of the board of this ~~tax~~^{taxing} district and the manner in which they shall be

1 appointed. The ordinance shall provide that the board of the ~~tax~~~~[taxing]~~ district
2 shall receive the income derived from the differential~~[-in]~~ tax rate applicable in the
3 area formerly comprising the city of the first class with respect to personal property,
4 health insurance premiums, or both, and shall contract with the consolidated local
5 government to pay all sums collected to the consolidated local government, in
6 return for the provision of services performed by the consolidated local government
7 within the area formerly comprising the city of the first class which services are in
8 addition to services performed by the consolidated local government in the
9 remainder of the county. The consolidated local government shall provide at least
10 an annual reporting to the urban service tax district board and the legislative body
11 of the consolidated local government containing but not limited to detailed
12 operating and capital expenditures of each service performed by the consolidated
13 local government.

14 (4) After the initial formation of an urban service ~~tax~~~~[taxing]~~ district in a consolidated
15 local government, the boundaries of the district may be modified in the following
16 manner. The proposal to alter the boundaries of the urban service ~~tax~~~~[taxing]~~
17 district within a consolidated local government may be initiated by:

18 (a) A resolution enacted by the consolidated local government describing the
19 boundaries of the area to be added to or deleted from the ~~tax~~~~[taxing]~~ district
20 and duly passed and signed by the mayor not less than one hundred twenty
21 (120) days before the next regularly scheduled election day within the county;
22 or

23 (b) A petition signed by a number of qualified voters living within precincts
24 within the area to be added to or deleted from the ~~tax~~~~[taxing]~~ district equal to
25 ten percent (10%) of the votes cast within each precinct in the last general
26 election for President of the United States and delivered to the clerk of the
27 legislative council more than one hundred twenty (120) days next preceding

1 the next regularly scheduled election day within the county.

2 The boundaries so described in either case shall not cross precinct lines. The

3 question of whether the area bounded as described should be added to or deleted

4 from, as the case may be, the urban service tax~~[services taxing]~~ district shall then be

5 placed upon the ballot in the precincts in the area to be added or deleted at the next

6 regular election and the question stated on the ballot shall be so phrased that a

7 "Yes" vote shall be cast in favor of making the proposed change and a "No" vote

8 shall be cast to oppose the proposed change. If a majority of those voting in those

9 precincts support the change, then the change in the boundaries of the urban service

10 tax district shall be implemented.

- 11 (5) (a) No later than July 1, 2025, the consolidated local government shall
- 12 reimburse a fire district operating under KRS Chapter 75 for expenses
- 13 related to each emergency medical response made by the fire district
- 14 operating under KRS Chapter 75 into the area of the urban service tax
- 15 district. A fire district so responding shall receive from the consolidated
- 16 local government three hundred dollars (\$300) for transporting a person
- 17 and one hundred fifty dollars (\$150) for arriving at person's location when
- 18 no person is transported.
- 19 (b) The payment established in paragraph (a) of this subsection shall be in
- 20 addition to any insurance moneys the fire district may be eligible to receive
- 21 resulting from the response.
- 22 (c) The payment established in paragraph (a) of this subsection shall be
- 23 adjusted on July 1 of each year by the percentage increase in the

3 local government was not charging the fire district prior to January 1, 2024.

4 (6) (a) From July 1, 2025, to June 30, 2028, the differential tax received by the
5 urban service tax district shall fund no less than eighty-five percent (85%)
6 of all costs related to the services provided, including capital expenditures
7 related to the services, within the urban service tax district by the
8 consolidated local government as set out in this section that are in addition
9 to the services performed by the consolidated local government in the
10 remainder of the county.

11 (b) From July 1, 2028, to June 30, 2031, the differential tax received by the
12 urban service tax district shall fund no less than ninety percent (90%) of all
13 costs related to the services provided, including capital expenditures related
14 to the services, within the urban service tax district by the consolidated local
15 government as set out in this section that are in addition to the services
16 performed by the consolidated local government in the remainder of the
17 county.

18 (c) From July 1, 2031, to June 30, 2034, the differential tax received by the
19 urban service tax district shall fund no less than ninety-five percent (95%)
20 of all costs related to the services provided, including capital expenditures
21 related to the services, within the urban service tax district by the
22 consolidated local government as set out in this section that are in addition
23 to the services performed by the consolidated local government in the
24 remainder of the county.

25 (d) After June 30, 2034, the differential tax received by the urban service tax
26 district shall fund no less than one hundred percent (100%) of all costs
27 related to the services provided, including capital expenditures related to the

1 services, within the urban service tax district by the consolidated local
2 government as set out in this section that are in addition to the services
3 performed by the consolidated local government in the remainder of the
4 county.

19 any territory currently incorporated within any existing city. The approval of
20 the desire to establish a new city shall be in the form of a resolution by the
21 consolidated local government's legislative council. If the legislative council
22 does not act upon the request within sixty (60) days of the receipt of the desire
23 to incorporate a new city, that shall serve as notice of approval by the
24 legislative council of the incorporation of the new city.

25 (b) If the petition to form a city is signed by a number of registered and
26 qualified voters residing in the area proposed to be incorporated which is
27 equal to at least seventy-five percent (75%) of the total number of votes cast

1 in the area in the last preceding presidential election~~[sixty-six percent (66%)~~
2 ~~or more of the qualified voters in the area proposed to be incorporated]~~, the

10 consolidated local government's legislative council may approve the proposed
11 incorporation.

12 (d) An action of the consolidated local government's legislative council
13 approving an incorporation passed by the consolidated local government
14 legislative council shall not be subject to veto by the mayor of the
15 consolidated local government.

16 (3) (a) Any proposed annexation by a city in that county shall first receive the
17 approval of the legislative council of the consolidated local government prior

19 shall request the approval of the consolidated legislative council by ordinance.
20 For requests filed after July 15, 2024:~~[, if]~~

4 otherwise unimproved land and where no persons reside, the
5 consolidated government legislative council shall approve the proposed
6 annexation. A city shall not annex vacant or otherwise unimproved
7 land where no persons reside as set out by this subparagraph more
8 than once every four (4) calendar years.

9 (b) The consolidated legislative council's decision shall be made by ordinance
10 and within sixty (60) days of the receipt of the request by the affected city. If
11 an ordinance has not been enacted by the consolidated legislative council
12 within sixty (60) days, the request for a city to proceed with an annexation
13 proposal shall be deemed to be approved by the consolidated legislative
14 council. An ordinance approving annexation passed by the consolidated local
15 government legislative council shall not be subject to veto by the mayor of the
16 consolidated local government.

17 (c) 1. A city in a county containing a consolidated local government shall
18 not annex commercial real estate primarily for the purpose of

21 response to a requirement or option under the authority of the Kentucky Revised
22 Statutes, the appointing authority shall make a conscientious effort to select, from
23 among the most qualified persons, those persons whose appointment would
24 ensure that the membership of the board, committee, commission, task force, ad
25 hoc committee, or other administrative body accurately reflects the geographic
26 population of the area represented by the local board, committee, commission,
27 task force, or ad hoc committee, or other administrative body as determined

27 (3) Following the official publication of each decennial census by the United States

1 Bureau of the Census for the area embraced by a consolidated local government, the

22 council unless he or she is at least eighteen (18) years old, a qualified voter, and a

13 consolidated local government council may enforce the attendance of members by
14 rules or ordinances with appropriate fines. The mayor or two-thirds (2/3) of the
15 entire membership of the council may call a special meeting at any time. Meetings
16 shall be held in such places in the county as are provided by ordinance, and the
17 place of meetings shall not be changed except by an ordinance for which two-thirds
18 (2/3) of the members of the consolidated local government council have voted.

19 (10) The council shall determine its own rules and order of business, and keep and
20 provide a public record of its proceedings. The council shall provide for the
21 publication of all ordinances in a composite code of ordinances.

6 that regular election, the unexpired term shall be filled on the date set for the
7 regular election. Candidates for full terms shall be grouped together, and
8 candidates for unexpired terms shall be grouped together, under appropriate
9 headings, so that the voter may easily distinguish the candidates for full terms
10 from the candidates for unexpired terms.

11 (c) If the unexpired term will end on the first Monday in January following the
