11 year, employment contracts that are based on the school term, service credit
12 under KRS 161.500, and funding under KRS 157.350.
- 13 (2) (a) The local board of education, upon recommendation of the local school
14 district superintendent, shall annually appoint a school district calendar
15 committee to review, develop, and recommend school calendar options.
- 16 (b) The school district calendar committee, after seeking feedback from school
17 district employees, parents, and community members, shall recommend
18 school calendar options to the local school district superintendent for
19 presentation to the local board of education. The committee's
20 recommendations shall comply with state laws and regulations and consider
21 the economic impact of the school calendar on the community and the state.
- 22 (c) Prior to adopting a school calendar, the local board of education shall hear for
23 discussion the school district calendar committee's recommendations and the
24 recommendation of the superintendent at a meeting of the local board of
25 education.
- 26 (d) During a subsequent meeting of the local board of education, the local board
27 shall adopt a school calendar for the upcoming school year that establishes the

1 opening and closing dates of the school term, beginning and ending dates of
2 each school month, student attendance days, and days on which schools shall
3 be dismissed. The local board may schedule days for breaks in the school
4 calendar that shall not be counted as a part of the minimum school term.

5 (e) For local board of education meetings described in paragraphs (c) and (d) of
6 this subsection, if the meeting is a regular meeting, notice shall be given to
7 media outlets that have requests on file to be notified of special meetings
8 stating the date of the regular meeting and that one (1) of the items to be
9 considered in the regular meeting will be the school calendar. The notice shall
10 be sent at least twenty-four (24) hours before the regular meeting. This
11 requirement shall not be deemed to make any requirements or limitations
12 relating to special meetings applicable to the regular meeting.

13 (f) A local school board of education that adopts a school calendar with the first
14 student attendance day in the school term starting no earlier than the Monday
15 closest to August 26 may use a variable student instructional year. Districts
16 may set the length of individual student attendance days in a variable student
17 instructional schedule, but no student attendance day shall contain more than
18 seven (7) hours of instructional time unless the district submitted and received
19 approval from the commissioner of education for an innovative alternative
20 calendar.

21 (3) (a) Each local board of education shall use four (4) days of the minimum school
22 term for professional development and collegial planning activities for the
23 professional staff without the presence of students pursuant to the
24 requirements of KRS 156.095. At the discretion of the superintendent, one (1)
25 day of professional development may be used for district-wide activities and
26 for training that is mandated by federal or state law. The use of three (3) days
27 shall be planned by each school council, except that the district is encouraged

1 to provide technical assistance and leadership to school councils to maximize
2 existing resources and to encourage shared planning.

3 (b) At least one (1) hour of self-study review of seizure disorder materials shall
4 be required for all principals, guidance counselors, and teachers hired after
5 July 1, 2019.

6 (c) 1. A local board may approve a school's flexible professional development
7 plan that permits teachers or other certified personnel within a school to
8 participate in professional development activities outside the days
9 scheduled in the school calendar or the regularly scheduled hours in the
10 school work day and receive credit towards the four (4) day professional
11 development requirement within the minimum one hundred eighty-five
12 (185) days that a teacher shall be employed.

13 2. A flexible schedule option shall be reflected in the school's professional
14 development component within the school improvement plan and
15 approved by the local board. Credit for approved professional
16 development activities may be accumulated in periods of time other than
17 full day segments.

18 3. No teacher or administrator shall be permitted to count participation in a
19 professional development activity under the flexible schedule option
20 unless the activity is related to the teacher's classroom assignment and
21 content area, or the administrator's job requirements, or is required by
22 the school improvement plan, or is tied to the teacher's or the
23 administrator's individual growth plan. The supervisor shall give prior
24 approval and shall monitor compliance with the requirements of this
25 paragraph. In the case of teachers, a professional development
26 committee or the school council by council policy may be responsible
27 for reviewing requests for approval.

- 1 (d) The local board of each school district may use up to a maximum of four (4)
2 days of the minimum school term for holidays; provided, however, any
3 holiday which occurs on Saturday may be observed on the preceding Friday.
- 4 (e) Each local board may use two (2) days for planning activities without the
5 presence of students.
- 6 (f) Each local board may close schools for the number of days deemed necessary
7 for:
- 8 1. National or state emergency or mourning when proclaimed by the
9 President of the United States or the Governor of the Commonwealth of
10 Kentucky;
- 11 2. Local emergency which would endanger the health or safety of children;
12 and
- 13 3. Mourning when so designated by the local board of education and
14 approved by the Kentucky Board of Education upon recommendation of
15 the commissioner of education.
- 16 (4) (a) The Kentucky Board of Education, upon recommendation of the
17 commissioner of education, shall adopt administrative regulations governing
18 the use of student attendance days as a result of a local emergency, as
19 described in subsection (3)(f)2. of this section, and regulations setting forth
20 the guidelines and procedures to be observed for the approval of waivers from
21 the requirements of a student instructional year in subsection (1)(f) of this
22 section for districts that wish to adopt innovative instructional calendars, or
23 for circumstances that would create extreme hardship.
- 24 (b) If a local board of education amends its school calendar after its adoption due
25 to an emergency, it may lengthen or shorten any remaining student attendance
26 days by thirty (30) minutes or more, as it deems necessary, provided the
27 amended calendar complies with the requirements of a student instructional

1 year in subsection (1)(f) of this section or a variable student instructional year
2 in subsection (1)(h) of this section. No student attendance day shall contain
3 more than seven (7) hours of instructional time unless the district submitted
4 and received approval from the commissioner of education for an innovative
5 alternative calendar.

6 (5) (a) 1. In setting the school calendar, school may be closed for two (2)
7 consecutive days for the purpose of permitting professional school
8 employees to attend statewide professional meetings.

9 2. These two (2) days for statewide professional meetings may be
10 scheduled to begin with the first Thursday after Easter, or upon request
11 of the statewide professional education association having the largest
12 paid membership, the commissioner of education may designate
13 alternate dates.

14 3. If schools are scheduled to operate during days designated for the
15 statewide professional meeting, the school district shall permit
16 employees who are delegates to attend as compensated professional
17 leave time and shall employ substitute teachers in their absence.

18 4. The commissioner of education shall designate one (1) additional day
19 during the school year when schools may be closed to permit
20 professional school employees to participate in regional or district
21 professional meetings.

22 5. These three (3) days so designated for attendance at professional
23 meetings may be counted as a part of the minimum school term.

24 (b) 1. If any school in a district is used as a polling place, the school district
25 shall be closed on the day of the election, and those days may be used
26 for professional development activities, professional meetings, or
27 parent-teacher conferences.

- 1 2. A district may be open on the day of an election if no school in the
2 district is used as a polling place.
- 3 (c) All schools shall be closed on the third Monday of January in observance of
4 the birthday of Martin Luther King, Jr. Districts may:
- 5 1. Designate the day as one (1) of the four (4) holidays permitted under
6 subsection (3)(d) of this section; or
- 7 2. Not include the day in the minimum school term specified in subsection
8 (1) of this section.
- 9 (6) (a) The Kentucky Board of Education, or the organization or agency designated
10 by the board to manage interscholastic athletics, shall be encouraged to
11 schedule athletic competitions outside the regularly scheduled student
12 attendance day.
- 13 (b) Any member of a school-sponsored interscholastic athletic team who
14 competes in a regional tournament or state tournament sanctioned by the
15 Kentucky Board of Education, or the organization or agency designated by the
16 board to manage interscholastic athletics, and occurring on a regularly
17 scheduled student attendance day may be counted present at school on the
18 date or dates of the competition, as determined by local board policy, for a
19 maximum of two (2) days per student per year. The student shall be expected
20 to complete any assignments missed on the date or dates of the competition.
- 21 (c) The school attendance record of any student for whom paragraph (b) of this
22 subsection applies shall indicate that the student was in attendance on the date
23 or dates of competition.
- 24 (7) Schools shall provide continuing education for those students who are determined
25 to need additional time to achieve the outcomes defined in KRS 158.6451, and
26 schools shall not be limited to the minimum school term in providing this
27 education. Continuing education time may include extended days, extended weeks,

1 or extended years. A local board of education may adopt a policy requiring its
2 students to participate in continuing education. The local policy shall set out the
3 conditions under which attendance will be required and any exceptions which are
4 provided. The Kentucky Board of Education shall promulgate administrative
5 regulations establishing criteria for the allotment of grants to local school districts
6 and shall include criteria by which the commissioner of education may approve a
7 district's request for a waiver to use an alternative service delivery option, including
8 providing services during the student attendance day on a limited basis. These
9 grants shall be allotted to school districts to provide instructional programs for
10 pupils who are identified as needing additional time to achieve the outcomes
11 defined in KRS 158.6451. A school district that has a school operating a model
12 early reading program under KRS 158.792 may use a portion of its grant money as
13 part of the matching funds to provide individualized or small group reading
14 instruction to qualified students outside of the regular classroom during the student
15 attendance day.
