69th Legislature 2025 HB 697.1

ı	HOUSE BILL NO. 697
2	INTRODUCED BY B. MERCER
3	
4	A BILL FOR AN ACT ENTITLED: "AN ACT PROVIDING THAT A PUBLIC EMPLOYEE DOES NOT HAVE AN
5	EXPECTATION OF PRIVACY IN ELECTRONIC COMMUNICATIONS SENT OR RECEIVED THROUGH
6	MEANS FOR ELECTRONIC COMMUNICATION PROVIDED AND MANAGED BY THE PUBLIC AGENCY
7	WHERE THE PUBLIC EMPLOYEE WORKS; PROVIDING THAT A PUBLIC AGENCY DOES NOT HAVE TO
8	REVIEW COMMUNICATIONS IN RESPONSE TO A PUBLIC INFORMATION REQUEST FOR PRIVACY
9	IMPLICATIONS IF THE COMMUNICATIONS WERE SENT OR RECEIVED THROUGH MEANS FOR
10	ELECTRONIC COMMUNICATION PROVIDED BY THE PUBLIC AGENCY; AND PROVIDING A DEFINITION
11	
12	BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:
13	
14	NEW SECTION. Section 1. Public employee electronic communications no right to privacy.
15	(1) A public employee who engages in electronic communications through means provided and managed by a
16	public agency where the public employee works is subject to public records laws, record retention schedules,
17	and, as provided in ethics laws and in policies and procedures adopted by the public agency, requirements for
18	the use of public equipment, facilities, and materials.
19	(2) A public employee is expected to use the means for electronic communication provided by the
20	public agency, including the public employee's public e-mail account, for work-related purposes. The public
21	employee does not have a reasonable expectation of privacy in electronic communications sent or received
22	through the means for electronic communication provided by the public agency regardless of the content of an
23	electronic communication. By using the means for electronic communication provided by the public agency to
24	send or receive personal communications that are not for work-related purposes, the public employee
25	voluntarily waives any right or expectation of privacy in the personal communications.
26	(3) Because a public employee has no expectation of privacy in the communications sent or
27	received through means for electronic communication provided by the public agency, agency legal counsel
28	does not have to review communications in response to a public information request for privacy implications.

69th Legislature 2025 HB 697.1
