Whereas, the State of North Carolina does not have direct control over how CDBG-DR funds and other federal financial and operational assistance program funds are awarded to qualifying individuals and businesses; and

Whereas, the State of North Carolina, through the North Carolina General Assembly, does have control over how State disaster recovery programs, including financial, operational, and housing assistance, are distributed to its residents; and

Whereas, Section 19 of Article I of the North Carolina Constitution guarantees that "[n]o person shall be denied the equal protection of the laws; nor shall any person be subjected to discrimination by the State because of race, color, religion, or national origin."; and
