Sec. 703.21. (A) The surrender of corporate powers by a 55
village under section 703.20~~or~~, 703.201, or 703.202 of the 56
Revised Code does not affect vested rights or accrued 57
liabilities of the village, or the power to settle claims, 58
dispose of property, or levy and collect taxes to pay existing 59
obligations, or to operate its utilities, including collection 60
of existing rates and charges for services rendered, until the 61
ownership and operation of each utility is transferred to 62
another entity. But, after the presentation of the petition 63
mentioned in section 703.20 of the Revised Code~~or~~, after 64
receipt of the audit report and notice mentioned in section 65
703.201 of the Revised Code, or after receipt of an 66
unsatisfactory finding under division (B) of section 703.202 of 67
the Revised Code, the legislative authority of the village shall 68
not create any new liability until the result of the election 69
under section 703.20 of the Revised Code is declared~~or~~, until 70
the decision of the court of common pleas under division (C) of 71
section 703.201 of the Revised Code is declared, or until the 72
result of the election is declared under section 703.202 of the 73
Revised Code, or thereafter, if the result, in ~~either any~~ case, 74
is for the surrender of the village's corporate powers, except 75

to the extent such liability is necessary in connection with the 76
operations of the village's utilities consistent with prudent 77
utility practice. If the auditor of state notifies the village 78
that the attorney general may file a legal action under section 79
703.201 of the Revised Code, but the attorney general does not 80
file such an action, the village shall not create any new 81
liability for thirty days after receipt of the auditor of 82
state's notice, except to the extent such liability is necessary 83
in connection with the operations of the village's utilities 84
consistent with prudent utility practice. 85

(B) Due and unpaid taxes may be collected after the 86
surrender of corporate powers, and all moneys or property 87
remaining after the surrender belongs to the township or 88
townships located wholly or partly within the village, subject 89
to the agreements entered into as provided for in this section 90
for the timely transfer of real and personal property and 91
subject to the report of an audit or, at the discretion of the 92
auditor of state, an agreed-upon procedure audit performed by 93
the auditor of state under section 117.11 of the Revised Code. 94
The auditor of state shall commence the audit or agreed-upon 95
procedure audit within thirty days after receipt of the notice 96
of dissolution as provided in division (E) of section 117.10 of 97
the Revised Code. Cash balances shall be transferred at the 98
completion of the audit or agreed-upon procedure audit performed 99
by the auditor of state. Except as otherwise provided by 100
agreement of the affected village and townships, if more than 101
one township is to receive the remaining money or property, the 102
money and property shall be divided among the townships in 103
proportion to the amount of territory that each township has 104
within the village boundaries as compared to the total territory 105
within the village. 106

(C) (1) Village real and personal property, other than 107
electric, water, and sewer utility property, shall be 108
transferred in a timely manner in accordance with agreements 109
between or among the affected village and township or townships. 110
If no such agreements have been reached within sixty days after 111
the certificate of dissolution is filed with the county 112
recorder, title to real and personal property other than any 113
electric, water, and sewer utility property vests by operation 114
of law in the affected township or townships. If more than one 115
township is affected, and agreements have not been reached 116
within sixty days after the certificate of dissolution is filed, 117
title vests by operation of law in proportion to the amount of 118
territory that each township has within the village boundaries 119
as compared to the total territory within the village. 120

(2) Any agreements entered into under this section 121
regarding the transfer of real property shall be recorded with 122
the county recorder of the county in which the affected real 123
property is situated, along with affidavits stating facts 124
relating to title as provided for in section 5301.252 of the 125
Revised Code. The county recorder shall make appropriate 126
notations in the county records to reflect the conveyance of the 127
village's interest in real property in accordance with the 128
recorded agreements resulting from the surrender of corporate 129
powers. The notations shall include a reference to the county's 130
recorded certificate of dissolution. 131

In the absence of any agreements and upon the recording of 132
affidavits relating to title, the county recorder shall make 133
appropriate notations in the county records to reflect the 134
conveyance of the village's interest in real property and to 135
evidence that title vested by operation of law in the township 136
or townships as otherwise provided for in this section and as a 137

result of the surrender of corporate powers. The recording of a 138
certificate of dissolution or a certified copy of it, any 139
agreements regarding the transfer of real property, and 140
supporting affidavits serve as sufficient evidence of a transfer 141
of title from the former village to a township or townships. 142
These documents shall be recorded in the same manner as a deed 143
of conveyance, except that the affected township or townships 144
are exempt from any fees specified under section 317.32 of the 145
Revised Code. 146

(3) Cash balances shall be transferred at the completion 147
of the audit, or, at the discretion of the auditor of state, the 148
agreed-upon procedure audit performed by the auditor of state. 149

(D) (1) Electric and water and sewer utility property shall 150
be transferred by agreement entered into by the village and the 151
entity that will be taking over the electric and water and sewer 152
utility property and assets. Cash balances shall be transferred 153
at the completion of the audit, or, at the discretion of the 154
auditor of state, the agreed-upon procedure audit performed by 155
the auditor of state. The provision of utility and other 156
services shall be uninterrupted during the transition period 157
following the surrender of corporate powers. 158

(a) Following the filing of the certificate of 159
dissolution, if it is determined that a county, or a regional 160
water and sewer district organized under Chapter 6119. of the 161
Revised Code, is obligated to assume water and sewer utility 162
property and assets by default, the board of county 163
commissioners or board of trustees of the district, as 164
appropriate, may petition the court of common pleas of the 165
county in which the village was located, for an order to revise 166
the current user fees, rates, and charges charged, or 167

assessments levied, by the utility. The board of county 168
commissioners or board of trustees of the district shall file 169
with the petition a systems audit of the utility. The systems 170
audit shall address the financial solvency of the utility; the 171
utility's debt service obligations and operating revenue stream, 172
including user fees, rates, charges, and assessments; the 173
utility's compliance with operating permit requirements; the 174
necessary system maintenance, upgrades, and operational 175
modifications and their associated costs for the utility; 176
outstanding, pending, or potential enforcement actions against 177
the utility; and any other relevant matters impacting the 178
operational viability and financial solvency of the utility. 179

When considering whether to grant the order, the court 180
shall review the systems audit and any other relevant evidence. 181
The order of the court shall assure that the operational 182
viability and financial solvency of the utility is maintained, 183
and that an unreasonable financial burden is not placed upon the 184
county or district due to the acquisition of the utility 185
property and assets. 186

(b) In the case of a village electric utility, the village 187
shall be required to take all necessary steps to transfer its 188
ownership and operation, including continuing with normal 189
operations and activities, fulfilling its contractual and other 190
obligations, and transferring its contractual and other 191
obligations to a successor entity in a timely manner following 192
the filing of the certificate of dissolution. Such steps shall 193
include hiring a third-party engineer knowledgeable about the 194
operation of municipal electric systems to conduct a systems 195
audit of the electric utility, addressing such items as set 196
forth in division ~~(D) (2)~~ (D) (1) (a) of this section. The systems 197
audit shall commence not later than sixty days after the filing 198

of the certificate of dissolution. Such systems audit is a 199
proper expense of the village's electric utility fund. If the 200
village's electric utility fund has a balance of zero or a 201
negative fund balance, the absorbing entity shall pay for the 202
systems audit. During this period, the village's electric 203
utility shall continue with all normal operations and 204
activities, shall continue fulfilling its contractual and other 205
obligations, including with its customers and users and 206
licensees of its poles, conduits, and rights-of-way, and shall 207
collect charges for service at the rates in effect on the date 208
the certificate of dissolution is filed. 209

(2) The systems audit required under division (D) (1) (a) or 210
(b) of this section shall not prevent the auditor of state from 211
conducting the audit, or, at the discretion of the auditor of 212
state, the agreed-upon procedure audit, required by this 213
section. 214

(E) As used in divisions (C) and (D) of this section, 215
"certificate of dissolution" means the certified election 216
results approving the surrender of corporate powers as recorded 217
by the county recorder under section 703.20 or 703.202 of the 218
Revised Code. 219

After the surrender of corporate powers, all resolutions 220
of the township or townships into which the village's territory 221
was dissolved shall apply throughout the township's newly 222
included territory. 223

Section 2. That existing section 703.21 of the Revised 224
Code is hereby repealed. 225
