SECTION 1. G.S. 93B-8.1 reads as rewritten:

"§ 93B-8.1. Use of criminal history records.

(a) The following definitions apply in this section:

- (1) Applicant. – An individual who makes application for licensure from a board.
- (2) Board. – An occupational licensing board or a State agency licensing board as defined in G.S. 93B-1.
- (3) Criminal history record. – A State or federal history of conviction of a crime, whether a misdemeanor or felony, ~~that bears upon an applicant's or a licensee's fitness to be licensed or disciplined.~~ felony.

- (4) Licensee. – An individual who has obtained a license to engage in or represent himself or herself to be a member of a particular profession or occupation.

(b) Unless federal law governing a particular board provides otherwise, a board may deny ~~an applicant licensure~~ on the basis of a conviction of a crime only if the board finds that the ~~applicant's criminal conviction history~~ is directly related to the duties and responsibilities for the licensed occupation or the conviction is for a crime that is violent or sexual in nature. Notwithstanding any other provision of law, a board shall not automatically deny licensure on the basis of an applicant's or licensee's criminal history, history record, and no board shall deny ~~an applicant a license licensure~~ based on a determination that a conviction is for a crime of moral turpitude. The board shall make its determination based on the factors specified in subsection (b1) of this section.

(b1) Before a board may deny ~~an applicant a license licensure~~ due to a criminal conviction under subsection (b) of this section, the board shall specifically consider all of the following factors:

- (1) The level and seriousness of the crime.
- (2) The date of the crime.

* D R H 4 0 0 2 1 - M V Z - 3 *

- (3) The ~~individual's age of the individual~~ at the time of the crime.

- (b4) If a board requires an applicant to submit a criminal history record, the board shall require the provider of the criminal history record to provide the applicant with access to the applicant's criminal history record or otherwise deliver a copy of the criminal history record to the applicant. If an applicant's criminal history includes matters that will or may prevent the board from issuing a license to the applicant, the board shall notify the applicant in writing of the specific issues in sufficient time for the applicant to provide additional documentation supporting the application for consideration by the board prior to any final decision to deny the application. After being notified of any potential issue with licensure due to one or more criminal convictions, an applicant ~~shall have~~ has 30 days to respond by either correcting any inaccuracy in the criminal history record or submitting evidence of mitigation or rehabilitation for consideration by the board.
- (b5) If, following a hearing, a board denies an application for licensure, the board's written order shall include specific reference to any criminal conviction considered as part or all of any basis for the denial and the rationale for the denial, as well as a reference to the appeal process and the applicant's ability to reapply. No applicant shall be restricted from reapplying for licensure for more than two years from the date of the most recent application.
- (b6) Notwithstanding any other provisions in the law, an individual with a criminal history may petition a board at any time, including before the individual starts or completes any mandatory education or training requirements, for a predetermination of whether the individual's criminal history will likely disqualify the individual from obtaining a license. This petition shall include a criminal history record ~~report~~ obtained by the ~~individual~~ petitioner from a reporting service designated by the board, the cost of which shall be borne by the ~~applicant~~ petitioner.

Criminal history records relating to a predetermination petition are not public records under Chapter 132 of the General Statutes. A board may predetermine that the petitioner's criminal history is likely grounds for denial of a license only after the board has applied the requirements of subsection (b) of this section. Each board shall delegate authority for the predetermination to its executive director or equivalent officer, or to a committee of the board, so that the predeterminations can be made in a timely manner. No board member having served on a predetermination committee for ~~an individual a petitioner~~ shall be required to recuse in any later determinations or hearings involving the same ~~applicant individual as an applicant or licensee~~. The board shall inform the ~~individual petitioner~~ of the board's determination within 45 days of receiving the petition from the individual. The board may charge a fee to recoup its costs not to exceed forty-five dollars (\$45.00) for each petition. If the board determines ~~an applicant a petitioner~~ would likely be denied licensure based on the ~~individual's petitioner's~~ criminal history, the board shall notify the ~~individual petitioner~~ in writing of the following:

- (1) The grounds and reasons for the predetermination.
- (2) That the petitioner has the right to complete any requirements for licensure, to apply to the board, and to have the petitioner's application considered by the board under its application process.
- (3) That further evidence of rehabilitation will be considered upon application.

(b7) A predetermination made under subsection (b6) of this section that a petitioner's criminal history would likely prevent licensure is not a final agency decision and does not entitle the individual to any right to judicial review under Article 4 of Chapter 150B of the General Statutes.

(b8) A predetermination made under subsection (b6) of this section that a petitioner is eligible for a license is binding if both of the following apply:

- (1) The petitioner applies for licensure and fulfills all other requirements for the ~~occupational~~ license.
- (2) The ~~applicant's~~ petitioner's submitted criminal history was correct and remains unchanged at the time of application for a license.

(c) If a board requires an applicant to consent to a criminal history record check or use of fingerprints or other identifying information required by the State or National Repositories of Criminal Histories, the board may deny licensure to an applicant who refuses to consent.

(c1) Nothing in this section or in G.S. 93B-1 authorizes a board to require an applicant to consent to a criminal history record check or use of fingerprints or other identifying information required by the State or National Repositories of Criminal Histories as a condition of granting or renewing a license.
