The injury, its occupational cause, and any resulting manifestations or disability must be established to a reasonable degree of medical certainty, based on relevant objective medical evidence, and the accidental compensable injury must be the major contributing cause of any resulting condition, disability, or need for medical treatment. In cases involving occupational disease or repetitive exposure, both causation and sufficient exposure to

support causation must be proven by clear and convincing evidence. Under this chapter, pain or other subjective complaints are not compensable in the absence of objective relevant medical evidence that correlate to the subjective complaints of the injured employee and are confirmed by physical examination findings or diagnostic testing. The causal relationship between a compensable accident and injuries or conditions that are not readily observable must be established through medical evidence by physical examination findings or diagnostic testing.

* **Sec. 18.** AS 23.30.010 is amended by adding new subsections to read:

(c) This chapter does not require the payment of compensation or benefits for a subsequent injury the employee suffers as a result of an original injury arising out of and in the course of employment unless the original injury is the major contributing cause of the subsequent injury.

(d) If an injury arising out of and in the course of employment aggravates or combines with a preexisting disease or condition to cause or prolong a condition, disability, or the need for treatment, the employer shall pay compensation or benefits required under this chapter to the extent that the injury arising out of and in the course of employment is and remains the major contributing cause of the disability or need for treatment.

(e) To be considered the major contributing cause under this chapter, the compensable injury must be more than 50 percent responsible for the injury as compared to all other causes combined for which treatment or benefits are sought and may be demonstrated only by objective medical evidence.

* **Sec. 19.** AS 23.30.015(b) is amended to read:

(b) Acceptance of compensation under an award in a compensation order filed by the **office of administrative hearings** [BOARD] operates as an assignment to the employer of all rights of the person entitled to compensation and the personal representative of a deceased employee to recover damages from the third person unless the person or representative entitled to compensation commences an action against the third person within one year after an award.

* **Sec. 20.** AS 23.30.015(e) is amended to read:

(e) An amount recovered by the employer under an assignment, whether by

1 action or compromise, shall be distributed as follows:

2 (1) the employer shall retain an amount equal to

3 (A) the expenses incurred by the employer with respect to the
4 action or compromise, including a reasonable attorney fee determined by the
5 office of administrative hearings [BOARD];

6 (B) the cost of all benefits actually furnished by the employer
7 under this chapter;

8 (C) all amounts paid as compensation and second-injury fund
9 payments, and if the employer is self-insured or uninsured, all service fees paid
10 under AS 23.05.067;

11 (D) the present value of all amounts payable later as
12 compensation, computed from a schedule prepared by the office of
13 administrative hearings [BOARD], and the present value of the cost of all
14 benefits to be furnished later under AS 23.30.095 as estimated by the office of
15 administrative hearings [BOARD]; the amounts so computed and estimated
16 shall be retained by the employer as a trust fund to pay compensation and the
17 cost of benefits as they become due and to pay any finally remaining excess
18 sum to the person entitled to compensation or to the representative; and

19 (2) the employer shall pay any excess to the person entitled to
20 compensation or to the representative of that person.

21 * **Sec. 21.** AS 23.30.030(6) is amended to read:

22 (6) All claims for compensation, death benefits, physician's fees,
23 nurse's charges, hospital services, hospital supplies, medicines, prosthetic devices,
24 transportation charges to the nearest point where adequate medical facilities are
25 available, and burial expenses may be made directly against either the employer or the
26 insurer, or both, and the order or award of the office of administrative hearings
27 [BOARD] may be made against either the employer or the insurer or both.

28 * **Sec. 22.** AS 23.30.040(a) is amended to read:

29 (a) There is created a second injury fund, administered by the commissioner.
30 Money in the second injury fund may only be paid for the benefit of those persons
31 entitled to payment of benefits from the second injury fund under this chapter.

1 Payments from the second injury fund must be made by the commissioner in
 2 accordance with the orders and awards of the office of administrative hearings
 3 [BOARD].

4 * **Sec. 23.** AS 23.30.040(d) is amended to read:

5 (d) The office of administrative hearings [BOARD] may refund a payment
 6 made into the second injury fund if the employer or insurance carrier shows that it
 7 made the payment by mistake or inadvertence, or if it shows there existed at the time
 8 of the death of the employee a beneficiary entitled to benefits under AS 23.30.215.

9 * **Sec. 24.** AS 23.30.041 is repealed and reenacted to read:

10 **Sec. 23.30.041. Rehabilitation and reemployment of injured workers. (a)**

11 The director shall select and employ a reemployment benefits administrator. The
 12 director may authorize the administrator to select and employ additional staff. The
 13 administrator is in the partially exempt service under AS 39.25.120.

14 (b) The administrator shall enforce regulations adopted by the board to
 15 implement this section.

16 (c) If the employee is medically stable, the injury causes a permanent partial
 17 impairment rating equal to or greater than five percent, and the employee's attending
 18 physician or employer independent physician has determined that the employee will
 19 be permanently incapable of returning to the employee's occupation at the time of
 20 injury upon review of a job description prepared in accordance with the most recent
 21 version of the United States Department of Labor's "Selected Characteristics of
 22 Occupations Defined in the Revised Dictionary of Occupational Titles." The employee
 23 shall be entitled to a reemployment voucher as provided in this section, unless the
 24 employer makes an offer of suitable alternative employment that meets the following
 25 criteria:

26 (1) the offer is made within 90 days after receiving the first report from
 27 the employee's attending physician or employer independent physician, on a form
 28 created by the board, that the employee is medically stable, has a permanent partial
 29 impairment rating equal to or greater than five percent, and will be permanently
 30 incapable of returning to the employee's occupation at the time of injury, as described
 31 in accordance with the most recent version of the United States Department of Labor's

1 "Selected Characteristics of Occupations Defined in the Revised Dictionary of
2 Occupational Titles";

3 (2) if the employer or claims adjuster has provided the physician with a
4 job description of the employer's proposed modified work, or proposed alternative
5 work, the physician shall indicate whether the employee has the physical or mental
6 requirements to perform the duties described in that job description; and

7 (3) the offer is for regular work, modified work, or alternative work
8 that will last at least 12 months and pay the employee at least 75 percent of wages
9 earned at the time of injury.

10 (d) If an offer of suitable work cannot be timely made, the employer or claims
11 adjuster shall issue a voucher, on a form prescribed by the board, within 14 days after
12 expiration of the 90-day deadline for making an offer of suitable alternative
13 employment under (c) of this section.

14 (e) An employee may receive a reemployment voucher after the employee
15 attains medical stability, receives a permanent partial impairment rating equal to or
16 greater than five percent from the employee's attending physician or employer's
17 independent physician, and the employee's attending physician or employer's
18 independent physician determines that the employee is permanently incapable of
19 returning to the employee's occupation at the time of injury as determined under (c) of
20 this section, based on the following amounts:

21 (1) \$18,000 if the permanent partial impairment rating is five percent
22 or more but less than 15 percent;

23 (2) \$23,000 if the permanent partial impairment rating is 15 percent or
24 more, but less than 30 percent; or

25 (3) \$28,000 if the permanent partial impairment rating is 30 percent or
26 more.

27 (f) A voucher issued under this section may be applied toward a retraining
28 program chosen by the employee. The voucher may be used for payment of tuition,
29 fees, books, tools, and other expenses required by the school, institution, or
30 educational organization for retraining or skill enhancement. The board shall adopt
31 regulations governing the form of payment, direct payment to the school, institution,

1 or educational organization, reimbursement to the employee upon presentation to the
2 employer of appropriate documentation and receipts, and other matters necessary to
3 administer the reemployment benefit.

4 (g) Up to \$1,000 of a voucher issued under this section may be paid as a
5 miscellaneous expense, reimbursement, or advance payable to the employee upon
6 request and without need for itemized documentation or accounting. An amount
7 greater than \$1,000 must be agreed upon by the parties. The employee will not be
8 entitled to a voucher payment for transportation, travel expenses, telephone or Internet
9 access, clothing, uniforms, or other incidental expenses.

10 (h) A voucher under this section expires two years after the date the voucher is
11 furnished to the employee or five years after the date of injury. The employee will not
12 be entitled to payment or reimbursement of any expenses that have not been incurred
13 and submitted with appropriate documentation to the employer after the reemployment
14 voucher expiration date. If the employee requests, in writing on a form prescribed by
15 the board, assistance in helping the employee identify or develop a plan, the employer
16 or claims adjuster shall, within 30 days, provide the employee with a vocational
17 rehabilitation specialist of the employer's or claims adjuster's choice to provide
18 vocational rehabilitation counseling to the employee. The vocational rehabilitation
19 specialist may not be paid more than 15 percent of the voucher amount to provide
20 counseling to the employee and must be paid by the employer in addition to the
21 reemployment voucher amount under (e) of this section. The employee shall cooperate
22 and stay in contact with the vocational rehabilitation specialist on a full-time basis, as
23 an extension of time of the deadline under (h) of this section is not allowed. The
24 vocational rehabilitation specialist shall meet with the employee and perform the work
25 necessary to assist the employee in returning to work or retraining counseling within
26 30 days of assignment. It is not the duty of the vocational rehabilitation specialist to
27 prepare a formal vocational rehabilitation plan or to secure employment for the
28 employee.

29 (i) The voucher amounts under (e) of this section may not be paid to the
30 employee, except as provided under (f) of this section, and may not be calculated into
31 any settlement figures as part of any compromise and release.

1 (j) An employer may not be liable for compensation for injuries incurred by
2 the employee while using a voucher issued under this section.

3 (k) The employee may not be entitled to any further remuneration, wage
4 replacement, or other indemnity benefit while undergoing retraining, other than the
5 lump-sum payment of permanent partial impairment under AS 23.30.190.

6 (l) The employer or claims adjuster may select a vocational rehabilitation
7 specialist to prepare job descriptions under this section. Before using the job
8 descriptions under (c) of this section, the vocational rehabilitation specialist shall
9 submit the job descriptions chosen for the employee for the employee's agreement to
10 the employee. If the employee does not agree with the job descriptions chosen for use
11 under (c) of this section, the employee shall file a request for review on a form
12 prescribed by the board to the administrator within seven days after receiving the job
13 descriptions. The administrator shall review, and issue an order either approving or
14 disapproving, the descriptions chosen for use under (c) of this section within 10 days
15 and, in the order, state which job descriptions are appropriate according to the most
16 recent version of the United States Department of Labor's "Selected Characteristics of
17 Occupations Defined in the Revised Dictionary of Occupational Titles." If the
18 employee or the administrator fails to meet the deadlines under this subsection, the job
19 descriptions chosen by the vocational rehabilitation specialist will be considered
20 appropriate. If a dispute arises regarding the job descriptions under (c) of this section,
21 the 90-day deadline under (c) of this section shall be tolled until the deadlines under
22 this subsection have been exhausted.

23 (m) An employee may not receive permanent total disability benefits under
24 AS 23.30.180 if the employee

25 (1) rejects or fails to accept, in the form and manner prescribed by the
26 board, suitable alternative employment under (c) of this section; or

27 (2) qualifies for a voucher under this section and fails to use the
28 voucher.

29 (n) In this section,

30 (1) "administrator" means the reemployment benefits administrator
31 under (a) of this section;

(2) "rehabilitation specialist" means a person who is a certified vocational rehabilitation specialist, a certified rehabilitation counselor, or a person who has equivalent or better qualifications as determined under regulations adopted by the department.

* **Sec. 25.** AS 23.30.070(f) is amended to read:

(f) An employer who fails or refuses to send a report required of the employer by this section or who fails or refuses to send the report required by (a) of this section within the time required shall, if so required by the **office of administrative hearings** [BOARD], pay the employee or the legal representative of the employee or other person entitled to compensation by reason of the employee's injury or death an additional award equal to 20 percent of the amounts that were unpaid when due. The award shall be against either the employer or the insurance carrier, or both.

* **Sec. 26.** AS 23.30.095(a) is amended to read:

(a) The employer shall furnish medical, surgical, and other attendance or treatment, nurse and hospital service, medicine, crutches, and apparatus for the **injury in accordance with evidence-based treatment guidelines based on the most recent version of the American College of Occupational and Environmental Medicine's Occupational Medicine Practice Guidelines published by Reed Group. If medical treatment outside the evidence-based treatment guidelines is recommended to the employee, the employer or insurer may request that the office of administrative hearings appoint a third party to conduct an independent utilization review and make recommendations to the office of administrative hearings on the treatment recommended for the employee. If medical treatment is recommended after two years from the date of injury to the employee, the employee may not be afforded the presumption of compensability under AS 23.30.120(a), but** [PERIOD WHICH THE NATURE OF THE INJURY OR THE PROCESS OF RECOVERY REQUIRES, NOT EXCEEDING TWO YEARS FROM AND AFTER THE DATE OF INJURY TO THE EMPLOYEE. HOWEVER, IF THE CONDITION REQUIRING THE TREATMENT, APPARATUS, OR MEDICINE IS A LATENT ONE, THE TWO-YEAR PERIOD RUNS FROM THE TIME THE EMPLOYEE HAS KNOWLEDGE OF THE NATURE OF THE EMPLOYEE'S DISABILITY AND ITS

RELATIONSHIP TO THE EMPLOYMENT AND AFTER DISABLEMENT. IT SHALL BE ADDITIONALLY PROVIDED THAT, IF CONTINUED TREATMENT OR CARE OR BOTH BEYOND THE TWO-YEAR PERIOD IS INDICATED,] the injured employee has the right of review by the office of administrative hearings [BOARD]. The office of administrative hearings [BOARD] may authorize continued treatment or care or both, as the process of recovery may require, for up to an additional two years upon clear and convincing evidence that the continued treatment or care is necessary. When medical care is required, the injured employee may designate a licensed physician to provide all medical and related benefits. Any time after acceptance of liability by an employer or insurer, the employer or insurer may designate a different attending physician. Designation by the employer or insurer of an attending physician does not constitute the employer's or insurer's right to an employer independent medical examination under (e) of this section. The employee may not make more than one change in the employee's choice of attending physician without the written consent of the employer. Referral to a specialist by the employee's attending physician is not considered a change in physicians, but a referral to a specialist by the employee's attending physician within the same specialty is considered a change in physician. Upon procuring the services of a physician, the injured employee shall give proper notification of the selection to the employer within a reasonable time after first being treated. Notice of a change in the attending physician shall be given before the change. After expiration of an additional two years for continued treatment or care under this subsection, no further medical treatment may be authorized except for

- (1) prosthetic devices, braces, and supports;
- (2) non-narcotic prescription medications;
- (3) narcotic prescription medications necessary to allow the employee to continue to work or participate in vocational rehabilitation;
- (4) services necessary to monitor the status, replacement, or repair of prosthetic devices, braces, and supports or to prescribe prescription medications under (2) or (3) of this subsection; and
- (5) life-preserving modalities similar to insulin therapy, dialysis,

1 **and transfusions, if related to the claimed injury or exposure.**

2 * **Sec. 27.** AS 23.30.095(c) is amended to read:

3 (c) A claim for medical or surgical treatment, or treatment requiring
 4 continuing and multiple treatments of a similar nature, is not valid and enforceable
 5 against the employer unless, within 14 days following treatment, the physician or
 6 health care provider giving the treatment or the employee receiving it furnishes to the
 7 employer and the **office of administrative hearings** [BOARD] notice of the injury
 8 and treatment, preferably on a form prescribed by the board. The **office of**
 9 **administrative hearings** [BOARD] shall, however, excuse the failure to furnish
 10 notice within 14 days when it finds it to be in the interest of justice to do so, and it
 11 may, upon application by a party in interest, make an award for the reasonable value
 12 of the medical or surgical treatment so obtained by the employee. When a claim is
 13 made for a course of treatment requiring continuing and multiple treatments of a
 14 similar nature, in addition to the notice, the physician or health care provider shall
 15 furnish a written treatment plan if the course of treatment will require more frequent
 16 outpatient visits than the standard treatment frequency for the nature and degree of the
 17 injury and the type of treatments. The treatment plan shall be furnished to the
 18 employee and the employer within 14 days after treatment begins. The treatment plan
 19 must include objectives, modalities, frequency of treatments, and reasons for the
 20 frequency of treatments. If the treatment plan is not furnished as required under this
 21 subsection, neither the employer nor the employee may be required to pay for
 22 treatments [THAT EXCEED THE FREQUENCY STANDARD. THE BOARD
 23 SHALL ADOPT REGULATIONS ESTABLISHING STANDARDS FOR
 24 FREQUENCY OF TREATMENT].

25 * **Sec. 28.** AS 23.30.095(d) is amended to read:

26 (d) If, at any time during the period the employee unreasonably refuses to
 27 submit to medical or surgical treatment **or appropriate diagnostic tests**, the **office of**
 28 **administrative hearings** [BOARD] may by order suspend the payment of further
 29 compensation while the refusal continues, and no compensation may be paid at any
 30 time during the period of suspension, unless the circumstances justified the refusal.

31 * **Sec. 29.** AS 23.30.095(e) is amended to read:

(e) The employee shall, after an injury, at reasonable times during the continuance of the disability, if requested by the employer or when ordered by the office of administrative hearings [BOARD], submit to an examination by a physician, [OR] surgeon, or mental health provider of the employer's choice authorized to practice medicine under the laws of the jurisdiction in which the examination occurs, furnished and paid for by the employer. The employer may not make more than one change in the employer's choice of a physician or surgeon without the written consent of the employee. Referral to a specialist by the employer's physician is not considered a change in physicians. An examination requested by the employer not less than 14 days after injury, and every 60 days thereafter, shall be presumed to be reasonable, and the employee shall submit to the examination without further request or order by the office of administrative hearings [BOARD]. Unless medically appropriate, the physician shall use existing diagnostic data to complete the examination. Facts relative to the injury or claim communicated to or otherwise learned by a physician or surgeon who may have attended or examined the employee, or who may have been present at an examination are not privileged, either in the hearings provided for in this chapter or an action to recover damages against an employer who is subject to the compensation provisions of this chapter. If an employee refuses to submit to an examination provided for in this section, the employee's rights to compensation shall be suspended until the obstruction or refusal ceases, and the employee's compensation during the period of suspension may, in the discretion of the office of administrative hearings [BOARD] or the court determining an action brought for the recovery of damages under this chapter, be forfeited. The office of administrative hearings [BOARD] in any case of death may require an autopsy at the expense of the party requesting the autopsy. An autopsy may not be held without notice first being given to the widow or widower or next of kin if they reside in the state or their whereabouts can be reasonably ascertained, of the time and place of the autopsy and reasonable time and opportunity given the widow or widower or next of kin to have a representative present to witness the autopsy. If adequate notice is not given, the findings from the autopsy may be suppressed on motion made to the office of administrative hearings [BOARD] or to the superior

1 court, as the case may be.

2 * **Sec. 30.** AS 23.30.095(h) is amended to read:

3 (h) Upon the filing with the office of administrative hearings [DIVISION]
 4 by a party in interest of a claim or other pleading, all parties to the proceeding shall
 5 file with the office of administrative hearings, [MUST IMMEDIATELY, OR IN
 6 ANY EVENT] within 30 [FIVE] days after service of the pleading, [SEND TO THE
 7 DIVISION] the original signed reports of all physicians relating to the proceedings
 8 that they may have in their possession or under their control, and copies of the reports
 9 shall be served by the party immediately on any adverse party. There is a continuing
 10 duty on all parties to file and serve all the reports during the pendency of the
 11 proceeding.

12 * **Sec. 31.** AS 23.30.095(j) is amended to read:

13 (j) The commissioner shall appoint a medical services review committee to
 14 assist and advise the department, the board, and the office of administrative
 15 hearings [BOARD] in matters involving the appropriateness, necessity, and cost of
 16 medical and related services provided under this chapter. The medical services review
 17 committee shall consist of nine members to be appointed by the commissioner as
 18 follows:

- 19 (1) one member who is a member of the Alaska State Medical
 20 Association;
- 21 (2) one member who is a member of the Alaska Chiropractic Society;
- 22 (3) one member who is a member of the Alaska State Hospital and
 23 Nursing Home Association;
- 24 (4) one member who is a health care provider, as defined in
 25 AS 09.55.560;
- 26 (5) four public members who are not within the definition of "health
 27 care provider" in AS 09.55.560; and
- 28 (6) one member who is the designee of the commissioner and who
 29 shall serve as chair.

30 * **Sec. 32.** AS 23.30.095(o) is amended to read:

31 (o) Notwithstanding (a) of this section, an employer is not liable for palliative

care after the date of medical stability unless the palliative care is consistent with the evidence-based treatment guidelines established in (a) of this section [REASONABLE] and necessary [(1)] to enable the employee to continue in the employee's employment at the time of treatment [, (2) TO ENABLE THE EMPLOYEE TO CONTINUE TO PARTICIPATE IN AN APPROVED REEMPLOYMENT PLAN, OR (3) TO RELIEVE CHRONIC DEBILITATING PAIN]. A claim for palliative care is not valid and enforceable unless it is accompanied by a certification of the attending physician that the palliative care meets the requirements of this subsection. A claim for palliative care is subject to the requirements of (c) - (n) of this section. [IF A CLAIM FOR PALLIATIVE CARE IS CONTROVERTED BY THE EMPLOYER, THE BOARD MAY REQUIRE AN EVALUATION UNDER (k) OF THIS SECTION REGARDING THE DISPUTED PALLIATIVE CARE.] A claim for palliative care may be heard by the office of administrative hearings [BOARD] under AS 23.30.110.

* **Sec. 33.** AS 23.30.095 is amended by adding new subsections to read:

(p) An entity that provides durable medical equipment, prosthetics, orthotics, or supplies to an employee must be accredited by an accreditation organization approved by the federal Centers for Medicare and Medicaid Services. If a medical provider provides durable medical equipment, prosthetics, orthotics, or supplies ancillary to the employee's visit, reimbursement or payment by the employer or insurer may not exceed 10 percent of the cost of the durable medical equipment, prosthetics, orthotics, or supplies.

(q) If prescription drugs are dispensed by a medical provider as part of the medical treatment provided to an employee, the employer or insurer may only be required to pay the lesser of the

(1) reimbursement amount specified under the schedule of fees adopted by the director;

(2) reimbursement amount for prescription drugs obtained by mail order; or

(3) cost of the prescription if obtained at a pharmacy.

* **Sec. 34.** AS 23.30 is amended by adding a new section to read:

1 **Sec. 23.30.096. Controlled substances.** (a) Within two business days after
 2 prescribing or dispensing a supply of 30 or more days of a controlled substance
 3 described in AS 17.30.200(a) to an employee for a compensable injury, a physician
 4 shall submit a report to the Board of Pharmacy under AS 17.30.200 and request the
 5 employee's prescription information that is compiled and maintained under
 6 AS 17.30.200. Notwithstanding AS 17.30.200(d), the physician shall report the results
 7 to the employer and office of administrative hearings as soon as practicable, but not
 8 later than 30 days after the date of the inquiry. Thereafter, the employer or office of
 9 administrative hearings may, not more than once every two months, request that the
 10 physician make additional inquiries to the Board of Pharmacy under AS 17.30.200.

11 (b) A physician shall include in a report required under (a) of this section

12 (1) the employee's prescription information, including the

13 (A) off-label use of a narcotic, opium-based controlled
 14 substance, or other controlled substance described in AS 17.30.200(a)
 15 prescribed to the employee;

16 (B) use of a narcotic or opium-based controlled substance or
 17 the prescription of a combination of narcotics or opium-based controlled
 18 substances at or exceeding a 120 milligram morphine equivalent dose a day;
 19 and

20 (C) prescription of a long-acting or controlled-release opioid
 21 for acute pain;

22 (2) the justification for the use of the controlled substance and a
 23 treatment plan that includes a description of measures that the physician will
 24 implement to monitor and prevent the development of abuse, dependence, addiction,
 25 or diversion by the employee; and

26 (3) a medication agreement, a plan for subsequent follow-up visits,
 27 random drug testing, and documentation that the medication regime is providing relief
 28 that is demonstrated by clinically meaningful improvement in function.

29 (c) The results of any drug test ordered under (b)(3) of this section must be
 30 included in the medical records of the employee.

31 (d) If a drug test under (b)(3) of this section reveals inconsistent results, the

1 physician shall, within five business days after receiving the inconsistent results,
2 provide a written report to the employer and office of administrative hearings setting
3 out a treatment plan to address the inconsistent drug test results.

4 (e) If the result of an inquiry to the Board of Pharmacy under (a) of this
5 section reveals that the employee is receiving a controlled substance described in
6 AS 17.30.200(a) from another undisclosed health care provider, the physician shall,
7 within five business days after receiving the results, on a form prescribed by the board,
8 report the results to the employer.

9 (f) If an employee resides outside the state and receives treatment from an out-
10 of-state physician for a compensable injury, the employer is not liable for providing
11 prescription medications that require reporting under this section if the out-of-state
12 physician fails to comply with this section. If the other state has a controlled
13 substances monitoring program, the out-of-state physician shall submit an inquiry to
14 the out-of-state database and report to the employer and office of administrative
15 hearings as prescribed under this section.

16 (g) This section does not apply to prescription medications administered to the
17 employee while the employee is receiving inpatient hospital treatment.

18 (h) The employer or office of administrative hearings may require a physician
19 to comply with this section, notwithstanding the existence of a prior award addressing
20 medical maintenance benefits for prescription medications. An insurer or employer is
21 not liable for bad faith or unfair claims processing under AS 21.36 for an act taken in
22 compliance with or consistent with this section.

23 (i) If a physician fails to comply with this section,

24 (1) the employer is not liable for payment of the physician's services
25 until the physician complies with this section; and

26 (2) the employer may request a change of physician after making a
27 written request to the physician to comply with this section and identifying the area of
28 noncompliance; if a change of physician is ordered and the order becomes final, the
29 employee shall select a physician whose practice includes pain management and who
30 agrees to comply with this section.

31 (j) In this section,

(1) "clinically meaningful improvement in function" means

(A) a clinically documented improvement in range of motion;

(B) an objective increase in the performance of activities of daily living; or

(C) a return to gainful employment.

(2) "inconsistent results" means

(A) the employee's reported medications or the parent drugs or metabolites are not detected; or

(B) controlled substances are detected that are not reported by the employee;

(3) "off-label use" means use of a prescription medication by a physician to treat a condition other than the use for which the drug was approved by the United States Food and Drug Administration.

* **Sec. 35.** AS 23.30.097(d) is amended to read:

(d) **Payment for medical treatment under this chapter, excluding prescription charges or transportation for medical treatment, is not due immediately or on demand.** An employer shall pay an employee's bills for medical treatment under this chapter, excluding prescription charges or transportation for medical treatment, within 30 days after the date that the employer receives the provider's bill **and** [OR] a completed report as required by AS 23.30.095(c), **regardless of whether the employer has earlier notice that medical treatment has been prescribed for the employee** [WHICHEVER IS LATER].

* **Sec. 36.** AS 23.30.097(g) is amended to read:

(g) Unless the employer controverts a charge, the employer shall reimburse an employee's prescription charges under this chapter within 30 days after the employer receives **the employee's request for reimbursement,** the health care provider's completed report and an itemization of the prescription charges for the employee. Unless the employer controverts a charge, an employer shall reimburse any transportation expenses for medical treatment under this chapter within 30 days after the employer receives the health care provider's completed report and an itemization of the dates, destination, and transportation expenses for each date of travel for

1 medical treatment. If the employer does not plan to make or does not make payment or
 2 reimbursement in full as required by this subsection, the employer shall notify the
 3 employee and the employee's health care provider in writing that payment will not be
 4 made timely and the reason for the nonpayment. The notification must be provided not
 5 later than the date that the payment is due under this subsection.

6 * **Sec. 37.** AS 23.30.100(d) is amended to read:

7 (d) Failure to give notice does not bar a claim under this chapter

8 (1) if the employer, an agent of the employer in charge of the business
 9 in the place where the injury occurred, or the carrier had knowledge of the injury or
 10 death and the office of administrative hearings [BOARD] determines that the
 11 employer or carrier has not been prejudiced by failure to give notice;

12 (2) if the office of administrative hearings [BOARD] excuses the
 13 failure on the ground that for some satisfactory reason notice could not be given;

14 (3) unless objection to the failure is raised before the office of
 15 administrative hearings [BOARD] at the first hearing of a claim for compensation in
 16 respect to the injury or death.

17 * **Sec. 38.** AS 23.30.105(a) is amended to read:

18 (a) The right to compensation for benefits [DISABILITY] under this chapter
 19 is barred unless a claim for it is filed within two years after the employee has
 20 knowledge of the nature of the employee's disability or need for medical treatment
 21 and its relation to the employment [AND AFTER DISABLEMENT]. However, the
 22 maximum time for filing the claim in any event other than arising out of an
 23 occupational disease shall be four years from the date of injury, and the right to
 24 compensation for death is barred unless a claim therefor is filed within one year after
 25 the death, except that, if payment of compensation has been made without an award on
 26 account of the injury or death, a claim may be filed within two years after the date of
 27 the last payment of benefits under AS 23.30.041, 23.30.180, 23.30.185, 23.30.190,
 28 23.30.200, or 23.30.215. In [IT IS ADDITIONALLY PROVIDED THAT, IN] the
 29 case of latent defects pertinent to and causing compensable disability, the injured
 30 employee has full right to claim as shall be determined by the office of administrative
 31 hearings [BOARD], time limitations notwithstanding.

1 * **Sec. 39.** AS 23.30.107(b) is amended to read:

2 (b) Medical or rehabilitation records, and the employee's name, address, social
3 security number, electronic mail address, and telephone number contained on any
4 record, in an employee's file maintained by the division or held by the board, the
5 office of administrative hearings, or the commission are not public records subject to
6 public inspection and copying under AS 40.25.100 - 40.25.295. This subsection does
7 not prohibit

8 (1) the reemployment benefits administrator, the division, the board,
9 the office of administrative hearings, the commission, or the department from
10 releasing medical or rehabilitation records in an employee's file, without the
11 employee's consent, to a [PHYSICIAN PROVIDING MEDICAL SERVICES
12 UNDER AS 23.30.095(k) OR 23.30.110(g), A] party to a claim filed by the employee,
13 or a governmental agency; or

14 (2) the quoting or discussing of medical or rehabilitation records
15 contained in an employee's file during a hearing on a claim for compensation [OR IN
16 A DECISION OR ORDER OF THE BOARD OR COMMISSION].

17 * **Sec. 40.** AS 23.30.108 is amended to read:

18 **Sec. 23.30.108. Prehearings on discovery matters; objections to requests**
19 **for release of information; sanctions for noncompliance.** (a) If an employee objects
20 to a request for written authority under AS 23.30.107, the employee must file a
21 petition with the office of administrative hearings [BOARD] seeking a protective
22 order within 14 days after service of the request. If the employee fails to file a petition
23 and fails to deliver the written authority as required by AS 23.30.107 within 14 days
24 after service of the request, the employee's rights to benefits under this chapter are
25 suspended until the written authority is delivered.

26 (b) If a petition seeking a protective order is filed, the board shall notify the
27 office of administrative hearings, and the office of administrative hearings shall
28 set a prehearing within 21 days after the filing date of the petition. At a prehearing
29 conducted by the office of administrative hearings, the office of administrative
30 hearings [THE BOARD'S DESIGNEE, THE BOARD'S DESIGNEE] has the
31 authority to resolve disputes concerning the written authority. If the office of

1 **administrative hearings** [BOARD OR THE BOARD'S DESIGNEE] orders delivery
 2 of the written authority and if the employee refuses to deliver it within 10 days after
 3 being ordered to do so, the employee's rights to benefits under this chapter are
 4 suspended until the written authority is delivered. During any period of suspension
 5 under this subsection, the employee's benefits under this chapter are forfeited unless
 6 the board, or the court determining an action brought for the recovery of damages
 7 under this chapter, determines that good cause existed for the refusal to provide the
 8 written authority.

9 (c) At a prehearing on discovery matters conducted by the **office of**
 10 **administrative hearings, the office of administrative hearings** [BOARD'S
 11 DESIGNEE, THE BOARD'S DESIGNEE] shall direct parties to sign releases or
 12 produce documents, or both, if the parties present releases or documents that are likely
 13 to lead to admissible evidence relative to an employee's injury. If a party refuses to
 14 comply with an order by the **office of administrative hearings** [BOARD'S
 15 DESIGNEE OR THE BOARD] concerning discovery matters, the **office of**
 16 **administrative hearings** [BOARD] may impose appropriate sanctions in addition to
 17 any forfeiture of benefits, including dismissing the party's claim, petition, or defense.
 18 [IF A DISCOVERY DISPUTE COMES BEFORE THE BOARD FOR REVIEW OF
 19 A DETERMINATION BY THE BOARD'S DESIGNEE, THE BOARD MAY NOT
 20 CONSIDER ANY EVIDENCE OR ARGUMENT THAT WAS NOT PRESENTED
 21 TO THE BOARD'S DESIGNEE, BUT SHALL DETERMINE THE ISSUE SOLELY
 22 ON THE BASIS OF THE WRITTEN RECORD.] The decision by the **office of**
 23 **administrative hearings** [BOARD] on a discovery dispute shall be made within 30
 24 days. [THE BOARD SHALL UPHOLD THE DESIGNEE'S DECISION EXCEPT
 25 WHEN THE BOARD'S DESIGNEE'S DETERMINATION IS AN ABUSE OF
 26 DISCRETION.]

27 (d) If the employee files a petition seeking a protective order to recover
 28 medical and rehabilitation information that has been provided but is not related to the
 29 employee's injury, and the **office of administrative hearings** [BOARD OR THE
 30 BOARD'S DESIGNEE] grants the protective order, the **office of administrative**
 31 **hearings** [BOARD OR THE BOARD'S DESIGNEE GRANTING THE

1 PROTECTIVE ORDER] shall direct [THE DIVISION, THE BOARD, THE
 2 COMMISSION, AND] the parties to return to the employee, as soon as practicable
 3 following the issuance of the protective order, all medical and rehabilitation
 4 information, including copies, in their possession that is unrelated to the employee's
 5 injury under the protective order.

6 (e) If the office of administrative hearings [BOARD OR THE BOARD'S
 7 DESIGNEE] limits the medical or rehabilitation information that may be used by the
 8 parties to a claim, either by an order on the record or by issuing a written order, the
 9 division, [THE BOARD,] the commission, and a party to the claim may request and an
 10 employee shall provide or authorize the production of medical or rehabilitation
 11 information only to the extent of the limitations of the order. If information has been
 12 produced that is outside of the limits designated in the order, the office of
 13 administrative hearings [BOARD OR THE BOARD'S DESIGNEE] shall direct the
 14 party in possession of the information to return the information to the employee as
 15 soon as practicable following the issuance of the order.

16 * **Sec. 41.** AS 23.30.110(a) is amended to read:

17 (a) Subject to the provisions of AS 23.30.105, a claim for benefits or a
 18 petition for other relief shall [COMPENSATION MAY] be filed with the office of
 19 administrative hearings [BOARD] in accordance with [ITS] regulations adopted by
 20 the board at any time after the first seven days of disability following an injury, or at
 21 any time after death. The parties shall make requests with the office of
 22 administrative hearings on all matters, except those under AS 23.30.012 and
 23 23.30.247 [, AND THE BOARD MAY HEAR AND DETERMINE ALL
 24 QUESTIONS IN RESPECT TO THE CLAIM].

25 * **Sec. 42.** AS 23.30.110(b) is amended to read:

26 (b) Within 10 days after a claim is filed, the office of administrative hearings
 27 [BOARD], in accordance with its regulations, shall notify the employer and any other
 28 person, other than the claimant, whom the office of administrative hearings
 29 [BOARD] considers an interested party that a claim has been filed. The notice may be
 30 served personally upon the employer or other person, or sent by registered or
 31 electronic mail.

1 * **Sec. 43.** AS 23.30.110(c) is amended to read:

2 (c) Before a hearing is scheduled, the party seeking a hearing shall file a
 3 request for a hearing together with an affidavit stating that the party has completed
 4 necessary discovery, obtained necessary evidence, and is prepared for the hearing. An
 5 opposing party shall have 10 days after the hearing request is filed to file a response. If
 6 a party opposes the hearing request, the office of administrative hearings [BOARD
 7 OR A BOARD DESIGNEE] shall, within 30 days of the filing of the opposition,
 8 conduct a prehearing [PRE-HEARING] conference and set a hearing date consistent
 9 with affording both parties an opportunity to conduct discovery and adequate
 10 time to prepare for the hearing and to schedule witnesses. If opposition is not filed,
 11 a hearing shall be scheduled not [NO] later than 60 days after the receipt of the
 12 hearing request. The office of administrative hearings [BOARD] shall give each
 13 party at least 10 days' notice of the hearing, either personally or by certified mail.
 14 After a hearing has been scheduled, the parties may not stipulate to change the hearing
 15 date or to cancel, postpone, or continue the hearing, except for good cause as
 16 determined by the office of administrative hearings [BOARD]. After completion of
 17 the hearing, the office of administrative hearings [BOARD] shall close the hearing
 18 record. If a settlement agreement is reached by the parties less than 14 days before the
 19 hearing, the parties shall appear at the time of the scheduled hearing before the office
 20 of administrative hearings to state the terms of the settlement agreement. Within 30
 21 days after the hearing record closes, the office of administrative hearings [BOARD]
 22 shall file its decision. If the employer controverts a claim on a board-prescribed
 23 controversion notice and the employee does not request a hearing within two years
 24 following the filing of the controversion notice, the claim is denied.

25 * **Sec. 44.** AS 23.30.110(d) is amended to read:

26 (d) At the hearing the claimant and the employer may each present evidence in
 27 respect to the claim or petition and may be represented by any person authorized by
 28 regulation of the board [IN WRITING] for that purpose.

29 * **Sec. 45.** AS 23.30.110(e) is amended to read:

30 (e) The order rejecting the claim or making the award, referred to in this
 31 chapter as a compensation order, shall be filed in the office of the board, or office of

1 administrative hearings consistent with this chapter, and a copy of it shall be sent
 2 [BY REGISTERED MAIL] to the claimant and [TO THE] employer electronically or
 3 by registered mail to [AT] the last known address of each.

4 * **Sec. 46.** AS 23.30.110(h) is amended to read:

5 (h) The filing of a hearing request under (c) of this section suspends the
 6 running of the two-year time period specified in (c) of this section. However, if the
 7 employee subsequently requests a continuance of the hearing and the request is
 8 approved by the office of administrative hearings [BOARD], the granting of the
 9 continuance renders the request for hearing inoperative, and the two-year time period
 10 specified in (c) of this section continues to run again from the date of the [BOARD'S]
 11 notice by the office of administrative hearings to the employee of the [BOARD'S]
 12 granting by the office of administrative hearings of the continuance and of its effect.
 13 If the employee fails to again request a hearing before the conclusion of the two-year
 14 time period in (c) of this section, the claim is denied.

15 * **Sec. 47.** AS 23.30.115 is amended to read:

16 **Sec. 23.30.115. Attendance and fees of witnesses.** (a) A person is not
 17 required to attend as a witness in a proceeding before the office of administrative
 18 hearings or the board at a place more than 100 miles from the person's place of
 19 residence, unless the person's lawful mileage and fee for one day's attendance is first
 20 paid or tendered to the person; but the testimony of a witness may be taken by
 21 deposition or interrogatories according to the Rules of Civil Procedure.

22 (b) A witness summoned in a proceeding before the office of administrative
 23 hearings or the board or whose deposition is taken shall receive the same fees and
 24 mileage as a witness in the superior court.

25 * **Sec. 48.** AS 23.30.120(a) is amended to read:

26 (a) In a proceeding for the enforcement of a claim for compensation under this
 27 chapter, once the employee has established a preliminary link between
 28 employment or employment injury and the resulting condition, disability, or need
 29 for medical treatment through objective relevant medical evidence, it is presumed
 30 [, IN THE ABSENCE OF SUBSTANTIAL EVIDENCE TO THE CONTRARY,] that

31 (1) the claim comes within the provisions of this chapter;

(2) sufficient notice of the claim has been given;

(3) the injury was not proximately caused by the intoxication of the injured employee or proximately caused by the employee being under the influence of drugs unless the drugs were taken as prescribed by the employee's physician;

(4) the injury was not occasioned by the wilful intention of the injured employee to injure or kill self or another.

* **Sec. 49.** AS 23.30.120(b) is amended to read:

(b) If delay in giving notice is excused by the office of administrative hearings [BOARD] under AS 23.30.100(d)(2), the burden of proof of the validity of the claim shifts to the employee notwithstanding the provisions of (a) of this section.

* **Sec. 50.** AS 23.30.120 is amended by adding new subsections to read:

(d) An employee may not establish a preliminary link under (a) of this section solely by disproving other possible causes or explanations for how the injury, disease, resulting condition, disability, or need for medical treatment occurred.

(e) After the employee establishes a preliminary link, the presumption of compensability under (a) of this section may be rebutted by presentation of objective relevant medical evidence that it is more likely than not that the compensable injury is not, or is no longer, the major contributing cause of the condition, disability, or need for medical treatment, even if there is no clear alternative explanation or known cause of the compensable injury.

(f) Once the presumption has been rebutted under (e) of this section, the employee must prove the claim by clear and convincing objective relevant medical evidence.

* **Sec. 51.** AS 23.30.122 is amended to read:

Sec. 23.30.122. Credibility of witnesses. Only the office of administrative hearings and the [THE] board have the [HAS THE SOLE] power to determine the credibility of a witness. A finding by the office of administrative hearings or the board concerning the weight to be accorded a witness's testimony, including medical testimony and reports, is conclusive even if the evidence is conflicting or susceptible to contrary conclusions. The findings of the office of administrative hearings and the board are subject to the same standard of review as a jury's finding in a civil

1 action.

2 * **Sec. 52.** AS 23.30.122 is amended by adding new subsections to read:

3 (b) The office of administrative hearings may not afford a physician's opinion
4 more weight merely because the physician is the employee's treating physician. The
5 office of administrative hearings may not give less weight to an employer's medical
6 evaluator merely because that physician has not seen the employee as frequently as the
7 treating physician. The probative value of an employer's medical evaluator opinion on
8 causation, the extent of disability, impairment, ability to work, or need for medical
9 treatment is evidence to be considered on a footing equal to all other proof in the case.
10 The office of administrative hearings shall consider the following factors in affording
11 weight to a medical expert's opinion:

12 (1) whether the medical expert's opinion is based on objective medical
13 evidence that meets the criteria of Rule 702, Federal Rules of Evidence, and all United
14 States Supreme Court case law applicable to that rule;

15 (2) whether the medical opinion is consistent with the medical record
16 as a whole;

17 (3) how independent the medical expert's opinion is from inappropriate
18 influences from the employee or employer;

19 (4) whether the medical expert is board certified in the medical expert's
20 specialty and whether the opinion of the medical expert is within the medical expert's
21 specialty; and

22 (5) the degree to which the medical expert presents an explanation and
23 relevant evidence to support an opinion, particularly with review of prior medical
24 reports, physical examinations, radiology, or other diagnostic or laboratory tests.

25 (c) Lay testimony may only be relied on to decide factual disputes that do not
26 involve causation, degree of impairment, ability to work, physical capacities, or past
27 and future medical treatment. In deciding medical issues on causation, degree of
28 impairment, ability to work, physical capacities, or past and future medical treatment,
29 the office of administrative hearings and the board may not rely on lay testimony.

30 * **Sec. 53.** AS 23.30.125(a) is amended to read:

31 (a) A compensation order becomes effective when filed with the office of

1 **administrative hearings** [THE BOARD] as provided in AS 23.30.110, and, unless
 2 proceedings to reconsider, suspend, or set aside the order are instituted as provided in
 3 this chapter, the order becomes final on the 31st day after it is filed.

4 * **Sec. 54.** AS 23.30.125(b) is amended to read:

5 (b) Notwithstanding other provisions of law, a decision or order of **the office**
 6 **of administrative hearings or** the board is subject to review by the commission as
 7 provided in this chapter.

8 * **Sec. 55.** AS 23.30.125(c) is amended to read:

9 (c) If a compensation order is not in accordance with law or fact, the order
 10 may be suspended or set aside, in whole or in part, through proceedings in the
 11 commission brought by a party in interest against all other parties to the proceedings
 12 before the **office of administrative hearings** [BOARD]. The payment of the amounts
 13 required by an award may not be stayed pending a final decision in the proceeding
 14 unless, upon application for a stay, the commission, on hearing, after not less than
 15 three days' notice to the parties in interest, allows the stay of payment, in whole or in
 16 part, where the party filing the application would otherwise suffer irreparable damage.
 17 Continuing future periodic compensation payments may not be stayed without a
 18 showing by the appellant of irreparable damage and the existence of the probability of
 19 the merits of the appeal being decided adversely to the recipient of the compensation
 20 payments. The order of the commission allowing a stay must contain a specific
 21 finding, based **on** [UPON] evidence submitted to the commission and identified by
 22 reference to the evidence, that irreparable damage would result to the party applying
 23 for a stay and specifying the nature of the damage.

24 * **Sec. 56.** AS 23.30.127(a) is amended to read:

25 (a) A party in interest may appeal a compensation order issued by the board **or**
 26 **the office of administrative hearings** to the commission within 30 days after the
 27 compensation order is filed [WITH THE OFFICE OF THE BOARD] under
 28 AS 23.30.110. The director may intervene in an appeal. If a party in interest is not
 29 represented by counsel and the compensation order concerns an unsettled question of
 30 law, the director may file an appeal to obtain a ruling on the question by the
 31 commission.

1 * **Sec. 57.** AS 23.30.127(e) is amended to read:

2 (e) If a request for reconsideration of a [BOARD] decision **of the board or**
 3 **the office of administrative hearings** was timely filed with the office of
 4 **administrative hearings or** the board, the notice of appeal must be filed within 30
 5 days after the reconsideration decision is mailed to the parties or the date the request
 6 for reconsideration is considered denied in the absence of any action on the request,
 7 whichever is earlier.

8 * **Sec. 58.** AS 23.30.128(a) is amended to read:

9 (a) An appeal from a decision of the board **or the office of administrative**
 10 **hearings** under this chapter, and other proceedings under this section, shall be heard
 11 and decided by a three-member panel of the commission. An appeal panel of the
 12 commission must include the chair of the commission. The chair of the commission
 13 shall assign two members to each appeal, including one commission member
 14 classified as representing employees and one commission member classified as
 15 representing employers. Acts, decisions, and orders of the commission panel in the
 16 appeal or related proceeding shall be considered the acts, decisions, and orders of the
 17 full commission. The matter on appeal shall be decided on the record made before the
 18 board **or the office of administrative hearings**, a transcript or recording of the
 19 proceedings before the board **or the office of administrative hearings**, and oral
 20 argument and written briefs allowed by the commission. Except as provided in (c) of
 21 this section, new or additional evidence may not be received with respect to the
 22 appeal.

23 * **Sec. 59.** AS 23.30.128(b) is amended to read:

24 (b) The commission may review discretionary actions, findings of fact, and
 25 conclusions of law by the board **or the office of administrative hearings** in hearing,
 26 determining, or otherwise acting on a compensation claim or petition. The
 27 [BOARD'S] findings **of the board or the office of administrative hearings**
 28 regarding the credibility of testimony of a witness before the board **or the office of**
 29 **administrative hearings** are binding on the commission. The [BOARD'S] findings of
 30 fact **of the board or the office of administrative hearings** shall be upheld by the
 31 commission if supported by substantial evidence in light of the whole record. In

1 reviewing questions of law and procedure, the commission shall exercise its
2 independent judgment.

3 * **Sec. 60.** AS 23.30.129(a) is amended to read:

4 (a) Notwithstanding the provisions of AS 44.62.560, orders of the office of
5 administrative hearings and the commission issued under this chapter may not be
6 appealed to the superior court. Consistent with AS 22.05.010(b), final decisions of the
7 commission may be appealed to the supreme court, and other orders may be reviewed
8 by the supreme court as provided by the Alaska Rules of Appellate Procedure.

9 * **Sec. 61.** AS 23.30.130 is amended to read:

10 **Sec. 23.30.130. Modification of awards.** (a) Upon [ITS OWN INITIATIVE,
11 OR UPON] the application of any party in interest on the ground of a change in
12 conditions, including, for the purposes of AS 23.30.175, a change in residence, or
13 because of a mistake in its determination of a fact, the board or the office of
14 administrative hearings may, before one year after the date of the last payment of
15 compensation benefits under AS 23.30.180, 23.30.185, 23.30.190, 23.30.200, or
16 23.30.215, whether or not a compensation order has been issued, or before one year
17 after the rejection of a claim, review a compensation case under the procedure
18 prescribed with [IN] respect to [OF] claims in AS 23.30.110. Under AS 23.30.110, the
19 board or the office of administrative hearings may issue a new compensation order
20 that [WHICH] terminates, continues, reinstates, increases, or decreases the
21 compensation, or award compensation.

22 (b) A new order does not affect compensation previously paid, except that an
23 award increasing the compensation rate may be made effective from the date of the
24 injury, and if part of the compensation due or to become due is unpaid, an award
25 decreasing the compensation rate may be made effective from the date of the injury,
26 and payment made earlier in excess of the decreased rate shall be deducted from the
27 unpaid compensation, in the manner the board or the office of administrative
28 hearings determines.

29 * **Sec. 62.** AS 23.30.135 is amended to read:

30 **Sec. 23.30.135. Procedure before the board and the office of**
31 **administrative hearings.** (a) In making an investigation or inquiry or conducting a

1 hearing, the board or the office of administrative hearings is not bound by common
 2 law or statutory rules of evidence or by technical or formal rules of procedure, except
 3 as provided by this chapter. The board or the office of administrative hearings may
 4 make its investigation or inquiry or conduct its hearing in the manner by which it may
 5 best ascertain the rights of the parties. Declarations of a deceased employee
 6 concerning the injury in respect to which the investigation or inquiry is being made or
 7 the hearing conducted shall be received in evidence and are, if corroborated by other
 8 evidence, sufficient to establish the injury.

9 (b) All testimony given during a hearing before the board and the office of
 10 administrative hearings shall be recorded, but need not be transcribed unless further
 11 review is initiated. Hearings before the board and the office of administrative
 12 hearings shall be open to the public.

13 * **Sec. 63.** AS 23.30.145 is repealed and reenacted to read:

14 **Sec. 23.30.145. Attorney fees.** (a) Fees for legal services rendered with respect
 15 to a claim are not valid unless approved by the office of administrative hearings.
 16 Except as provided under (b) of this section, attorney fees may not exceed the
 17 following percentage of the contested amount of compensation benefits secured as a
 18 result of a claim filed by an attorney:

- 19 (1) 25 percent of the settlement amount between the parties;
- 20 (2) 30 percent of the amount awarded by the office of administrative
 21 hearings after a hearing or upon appeal to the commission;
- 22 (3) 35 percent of the amount awarded after a successful appeal to the
 23 Alaska Supreme Court.

24 (b) If a written offer to settle an issue pending before the office of
 25 administrative hearings is made at least 30 days before a hearing on the claim, for
 26 purposes of calculating the amount of attorney fees to be paid under (a) of this section,
 27 only the amount of benefits awarded to the employee above the amount specified in
 28 the offer to settle may be considered. If multiple issues are pending before the office
 29 of administrative hearings, the offer to settle must address each issue and clearly state
 30 whether or not the offer on each issue is severable. Any written offer to settle must be
 31 kept confidential and not disclosed to the office of administrative hearings until after

1 the final decision on the merits of the case has been decided. After the final decision
 2 on the merits of the case has been issued, the parties shall file the offer to settle with
 3 the office of administrative hearings so that the office of administrative hearings can
 4 award appropriate attorney fees and costs.

5 (c) Attorney fees and costs may be paid in a lump sum on the present value of
 6 the settlement or adjudicated amount.

7 (d) In this section, "benefits secured" does not include medical benefits
 8 awarded three or more years after the date of injury.

9 * **Sec. 64.** AS 23.30.155(b) is amended to read:

10 (b) The first installment of compensation becomes due on the 14th day after
 11 the employer has knowledge of the injury or death. On this date all compensation then
 12 due shall be paid. Subsequent compensation shall be paid in installments, every 14
 13 days, except where the office of administrative hearings [BOARD] determines that
 14 payment in installments should be made monthly or at some other period.

15 * **Sec. 65.** AS 23.30.155(j) is amended to read:

16 (j) If an employer has made advance payments or overpayments of
 17 compensation, the employer is entitled to be reimbursed by withholding up to 20
 18 percent out of each unpaid installment or installments of compensation due. More than
 19 20 percent of unpaid installments of compensation due may be withheld from an
 20 employee

21 (1) when the only benefit remaining is a lump-sum payment of
 22 permanent partial impairment benefits; or

23 (2) upon approval of the office of administrative hearings [ONLY
 24 ON APPROVAL OF THE BOARD].

25 * **Sec. 66.** AS 23.30.155(m) is amended to read:

26 (m) On or before March 1 of each year, the insurer or adjuster shall file a
 27 verified annual report on a form prescribed by the director stating the total amount of
 28 all compensation by type, the number of claims received and the percentage
 29 controverted, medical and related benefits, vocational rehabilitation expenses, legal
 30 fees, including a separate total of fees paid to attorneys and fees paid for the other
 31 costs of litigation, and penalties paid on all claims during the preceding calendar year.

1 If the annual report is timely and complete when received by the division and provides
 2 accurate information about each category of payments, the director shall review the
 3 timeliness of the insurer's or adjuster's reports filed during the preceding year under (c)
 4 of this section. If, during the preceding year, the insurer or adjuster filed at least 99
 5 percent of the reports on time, the penalties assessed under (c) of this section shall be
 6 waived. If, during the preceding year, the insurer or adjuster filed at least 97 percent of
 7 the reports on time, 75 percent of the penalties assessed under (c) of this section shall
 8 be waived. If, during the preceding year, the insurer or adjuster filed 95 percent of the
 9 reports on time, 50 percent of the penalties assessed under (c) of this section shall be
 10 waived. If, during the preceding year, the insurer's or adjuster's reports have not been
 11 filed on time at least 95 percent of the time, none of the penalties assessed under (c) of
 12 this section shall be waived. The penalties that are not waived are due and payable
 13 when the insurer or adjuster receives notification from the director regarding the
 14 timeliness of the reports. If the annual report is not filed by March 1 of each year, the
 15 insurer or adjuster shall pay a civil penalty of \$100 for the first day the annual report is
 16 late and \$10 for each additional day the report is late. [IF THE ANNUAL REPORT IS
 17 INCOMPLETE WHEN FILED, THE INSURER OR ADJUSTER SHALL PAY A
 18 CIVIL PENALTY OF \$1,000.]

19 * **Sec. 67.** AS 23.30.155(o) is amended to read:

20 (o) The director shall promptly notify the division of insurance if the **office of**
 21 **administrative hearings** [BOARD] determines that the employer's insurer has
 22 frivolously or unfairly controverted compensation due under this chapter. After
 23 receiving notice from the director, the division of insurance shall determine if the
 24 insurer has committed an unfair claim settlement practice under AS 21.36.125.

25 * **Sec. 68.** AS 23.30.175(a) is amended to read:

26 (a) The weekly rate of compensation for disability or death may not exceed
 27 the maximum compensation rate, may not be less than 22 percent of the maximum
 28 compensation rate, and initially may not be less than \$110; however, if the **office of**
 29 **administrative hearings** [BOARD] determines that the employee's spendable weekly
 30 wages are less than \$110 a week as computed under AS 23.30.220, or less than 22
 31 percent of the maximum compensation rate a week in the case of an employee who

has furnished documentary proof of the employee's wages, it shall issue an order adjusting the weekly rate of compensation to a rate equal to the employee's spendable weekly wages. If the employer can verify that the employee's spendable weekly wages are less than 22 percent of the maximum compensation rate, the employer may adjust the weekly rate of compensation to a rate equal to the employee's spendable weekly wages without an order of the **office of administrative hearings** [BOARD]. If the employee's spendable weekly wages are greater than 22 percent of the maximum compensation rate, but 80 percent of the employee's spendable weekly wages is less than 22 percent of the maximum compensation rate, the employee's weekly rate of compensation shall be 22 percent of the maximum compensation rate. Prior payments made in excess of the adjusted rate shall be deducted from the unpaid compensation in the manner the **office of administrative hearings** [BOARD] determines. In any case, the employer shall pay timely compensation. In this subsection, "maximum compensation rate" means 120 percent of the average weekly wage, calculated under (d) of this section, applicable on the date of injury of the employee.

* **Sec. 69.** AS 23.30.180 is amended to read:

Sec. 23.30.180. Permanent total disability. (a) In case of total disability adjudged to be permanent, 80 percent of the injured employee's spendable weekly wages shall be paid to the employee during the continuance of the total disability **until the employee begins receiving social security, pension, or other retirement benefits**. If a permanent partial disability award has been made before a permanent total disability determination, permanent total disability benefits must be reduced by the amount of the permanent partial disability award, adjusted for inflation, in a manner determined by the board. Loss of both hands, or both arms, or both feet, or both legs, or both eyes, or of any two of them, in the absence of conclusive proof to the contrary, constitutes permanent total disability. In all other cases permanent total disability is determined in accordance with the facts. In making this determination the market for the employee's services shall be

- (1) area of residence;
- (2) area of last employment;
- (3) the state of residence; and

1 (4) the State of Alaska.

2 (b) Failure to achieve remunerative employability [AS DEFINED IN
3 AS 23.30.041(r)] does not, by itself, constitute permanent total disability.

4 * **Sec. 70.** AS 23.30.185 is amended to read:

5 **Sec. 23.30.185. Compensation for temporary total disability.** In case of
6 disability total in character but temporary in quality, 80 percent of the injured
7 employee's spendable weekly wages shall be paid to the employee during the
8 continuance of the disability. Temporary total disability benefits may not be paid for
9 any period of disability occurring after the date of medical stability **and for more**
10 **than an aggregate total of 104 weeks for each claim.**

11 * **Sec. 71.** AS 23.30.190 is amended by adding a new subsection to read:

12 (e) An employee who returns to work for the same employer in a position that
13 pays a wage equal to or greater than that paid at the time of injury is not eligible to
14 receive permanent partial impairment benefits under this section.

15 * **Sec. 72.** AS 23.30.200(b) is amended to read:

16 (b) The wage-earning capacity of an injured employee is determined by the
17 actual spendable weekly wage of the employee if the actual spendable weekly wage
18 fairly and reasonably represents the wage-earning capacity of the employee. The
19 **office of administrative hearings** [BOARD] may, in the interest of justice, fix the
20 wage-earning capacity that is reasonable, having due regard to the nature of the injury,
21 the degree of physical impairment, the usual employment, and other factors or
22 circumstances in the case that may affect the capacity of the employee to earn wages
23 in a disabled condition, including the effect of disability as it may naturally extend into
24 the future.

25 * **Sec. 73.** AS 23.30.215(d) is amended to read:

26 (d) Compensation under this chapter to aliens not residents, or about to
27 become nonresidents, of the United States or Canada is the same in amount as
28 provided for residents, except that dependents in a foreign country are limited to
29 widow or widower and child or children, or if there is no widow or widower and child
30 or children, to surviving father or mother whom the employee has supported, either
31 wholly or in part, for a period of one year before the date of injury. The **office of**

1 **administrative hearings** [BOARD], at its option, or upon the application of the
 2 insurance carrier, may commute all future installments of compensation to be paid to
 3 an alien dependent who is not a resident of the United States or Canada by paying or
 4 causing to be paid to the alien dependent one-half of the commuted amount of the
 5 future installments of compensation as determined by the **office of administrative**
 6 **hearings** [BOARD].

7 * **Sec. 74.** AS 23.30.220(a) is amended to read:

8 (a) Computation of compensation under this chapter shall be on the basis of an
 9 employee's spendable weekly wage at the time of injury. An employee's spendable
 10 weekly wage is the employee's gross weekly earnings minus payroll tax deductions.
 11 An employee's gross weekly earnings shall be calculated as follows:

12 (1) if at the time of injury the employee's earnings are calculated by the
 13 week, the weekly amount is the employee's gross weekly earnings;

14 (2) if at the time of injury the employee's earnings are calculated by the
 15 month, the employee's gross weekly earnings are the monthly earnings multiplied by
 16 12 and divided by 52;

17 (3) if at the time of injury the employee's earnings are calculated by the
 18 year, the employee's gross weekly earnings are the yearly earnings divided by 52;

19 (4) if at the time of injury the employee's earnings are calculated by the
 20 day, by the hour, or by the output of the employee, then the employee's gross weekly
 21 earnings are 1/50 of the total wages that the employee earned from all occupations
 22 during either of the two calendar years immediately preceding the injury, whichever is
 23 most favorable to the employee;

24 (5) if at the time of injury the employee's earnings have not been fixed
 25 or cannot be ascertained, the employee's earnings for the purpose of calculating
 26 compensation are the usual wage for similar services when the services are rendered
 27 by paid employees;

28 (6) if at the time of injury the employee's earnings are calculated by the
 29 week under (1) of this subsection or by the month under (2) of this subsection and the
 30 employment is exclusively seasonal or temporary, then the gross weekly earnings are
 31 1/50 of the total wages that the employee has earned from all occupations during the

1 12 calendar months immediately preceding the injury;

2 (7) when the employee is working under concurrent contracts with two
3 or more employers, the employee's earnings from all employers is considered as if
4 earned from the employer liable for compensation;

5 (8) if an employee when injured is a minor, an apprentice, or a trainee
6 in a formalized training program, as determined by the **office of administrative**
7 **hearings** [BOARD], whose wages under normal conditions would increase during the
8 period of disability, the projected increase may be considered by the **office of**
9 **administrative hearings** [BOARD] in computing the gross weekly earnings of the
10 employee; if the minor, apprentice, or trainee would have likely continued that
11 training program, then the compensation shall be the average weekly wage at the time
12 of injury rather than that based on the individual's prior earnings;

13 (9) if the employee is injured while performing duties as a volunteer
14 ambulance attendant, volunteer police officer, or volunteer firefighter, then,
15 notwithstanding (1) - (6) of this subsection, the gross weekly earnings for calculating
16 compensation shall be the minimum gross weekly earnings paid a full-time ambulance
17 attendant, police officer, or firefighter employed in the political subdivision where the
18 injury occurred, or, if the political subdivision has no full-time ambulance attendants,
19 police officers, or firefighters, at a reasonable figure previously set by the political
20 subdivision to make this determination, but in no case may the gross weekly earnings
21 for calculating compensation be less than the minimum wage computed on the basis of
22 40 hours work **a** [PER] week;

23 (10) if an employee is entitled to compensation under AS 23.30.180
24 and the **office of administrative hearings** [BOARD] determines that calculation of
25 the employee's gross weekly earnings under (1) - (7) of this subsection does not fairly
26 reflect the employee's earnings during the period of disability, the **office of**
27 **administrative hearings** [BOARD] shall determine gross weekly earnings by
28 considering the nature of the employee's work, work history, and resulting disability,
29 but compensation calculated under this paragraph may not exceed the employee's
30 gross weekly earnings at the time of injury.
